Description/Analysis

Issue: On an annual basis, in accordance with Section 13.12.100 of the City Code, the Department of Utilities brings forward customers' utility accounts with delinquent utility service charges and recommends that the City Council place a special assessment levy upon the properties for which services were provided. The special assessment levy secures the debt and collection of unpaid delinquent utility service fees and penalties.

Policy Considerations: Imposing a special assessment levy for delinquent utility service charges is in accordance with Sacramento City Code, Section 13.12.090. Property owners have received the required notice and opportunity to protest the charges. 36 property owners filed timely protests. All protested charges were reviewed for accuracy and a decision was made to remove the charges or continue with the special assessment process. Five properties were removed from the special assessment process, and one owner was provided a payment plan. The opportunity for a hearing with an independent Hearing Officer (see Tables 1 and 2) was provided to all protesting owners in accordance with Sacramento City Code Section 13.12.100, and four owners appeared before the Hearing Officer. This report of delinquent utility service charges includes any revisions made by the Hearing Officer after the hearings were held.

The City Code requires the City Council to hold a public hearing on this report of delinquent utility service charges and consider any objections or protests on a de novo basis, provided that only those property owners who filed a timely objection or protest and appeared before the Hearing Officer are permitted to have their objection or protest considered by the City Council. The owners who appeared before the Hearing Officer have been notified of the date, time, and location of this public hearing in accordance with Sacramento City Code Section 13.12.100. At the conclusion of this hearing, the City Council may pass a Resolution adopting this report and confirming these special assessments, with or without modifications.

Economic Impacts: None.

Environmental Considerations: California Environmental Quality Act (CEQA): The authorization of special assessments is a governmental fiscal activity that does not constitute a "project" under the CEQA, and for which no environmental review is required (CEQA Guidelines Section 15378(b)(4)).

Sustainability: Not applicable.

Commission/Committee Action: Not applicable.

Rationale for Recommendation: These delinquent utility charges are for services that the City provided to the property owners through approximately February 2014. The property owners have been provided the opportunity for an administrative protest process and also have been given ample opportunity to bring the utility service charges current. Payment for services through imposition of a special

assessment for delinquent utility service charges is now being pursued consistent with the Sacramento City Code and applicable State law.

Financial Considerations: Adoption of the Resolution will enable the Department of Utilities to recover unpaid charges and penalties for services provided via a special assessment levy. As of June 23, 2014, the total unpaid cost for utility service charges and penalties owed as of February 2014 is $10,950,882.19.

City staff time plus the hiring of a Hearing Officer was required to send notices to property owners, review and respond to disputes, schedule and conduct hearings, and mail the Hearing Officer's final decision for the hearings held. All of the costs are included in the Department of Utilities' operating budget and no additional funding is being requested.

Local Business Enterprise (LBE): Not applicable.

BACKGROUND

The City's utility service charges become delinquent if not paid within 20 days after presentation of the bill for services. On an annual basis, a special assessment notice is sent to all property owners with utility service charges that are 45 days or more delinquent. The special assessment notice advises the customer that the portion of their balance that is greater than 45 days past due will be imposed as a special assessment levy on their property if not paid in full. Properties for which the delinquent amount is paid prior to the Council hearing date are removed from the special assessment process. Customers are also advised of the opportunity to protest the delinquent charges, as provided under the City Code. Any property owner who does not submit a protest as required under the City Code waives his or her right to protest.

All protests are initially reviewed for accuracy by the Department of Utilities and a decision is made to remove the charges from the special assessment process or continue with the process. The Department's decision and the opportunity for a protest hearing before an independent Hearing Officer are communicated to the property owner. After the hearing and any adjustments made by the Hearing Officer, and the receipt of any payments made, the remaining balance is presented to City Council for approval of a special assessment levy in July.

The delinquent charges owed, and the properties to which such charges apply, are set forth in Exhibit A to the Resolution attached to this report. As required under applicable provisions of the City Code and State law, all property owners were noticed of the delinquent amounts, and provided both an opportunity to resolve the issue with City staff and appear before an independent Hearing Officer.

Each property owner who filed a protest in accordance with the City Code and attended a hearing has received a final decision notice from the Hearing Officer.

RESOLUTION NO. 2014-

Adopted by the Sacramento City Council

July 29, 2014

ADOPTING REPORT OF DELINQUENT UTILITY SERVICE CHARGES AND IMPOSING SPECIAL ASSESSMENTS AGAINST THE PROPERTIES TO WHICH THE SERVICES WERE RENDERED

BACKGROUND:

A. In accordance with applicable provisions of Chapter 13.12 of the Sacramento City Code, the owners of the real properties that have incurred delinquent utility service charges, identified in Exhibit A, on file in the City Clerk's Office and incorporated herein by this reference, have been notified of the delinquencies and that subsequent proceedings would be taken to make the unpaid charges a special assessment on the real property to which the utility services were rendered.

B. In accordance with applicable provisions of Chapter 13.12 of the Sacramento City Code, each property owner identified in Exhibit A has been notified of the owner's opportunity to file an objection or protest against imposing the delinquent utility service charges as a special assessment against the owner's property, including the opportunity for a hearing before a Hearing Officer.

C. The City Council has received the report of the delinquent utility service charges, including a description of the protests filed and the results of the Hearing Officer hearing process, which results were also sent to the objecting owners in accordance with applicable provisions of Chapter 13.12 of the Sacramento City Code. The objecting owners also have been notified of the date and time of this hearing in accordance with applicable provisions of Chapter 13.12 of the Sacramento City Code.

D. The City Council has held a public hearing on the report of the delinquent utility service charges and has considered any objections or protests in accordance with applicable provisions of Chapter 13.12 of the Sacramento City Code.

E. The City Council has found the total cost for the services to be reasonable and closed the public hearing.

F. The City Council is fully advised in this matter.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

Section 1. The City Council finds and determines that the Background Statements A through F are true and correct.

Section 2. All of the protests have been considered and have been rejected, revised, or confirmed. Objections or protests have not been made by the owners of a majority of the separate parcels of property described in the report attached as Exhibit A.

Section 3. The charges set forth in Exhibit A for the unpaid utility services charges to the real properties described in Exhibit A are owing and delinquent, and the report of these delinquent utility service charges set forth in Exhibit A is adopted.

Section 4. The delinquent utility services charges set forth in Exhibit A shall hereafter constitute special assessments against the real properties to which the utility services were rendered, as specified in Exhibit A.

Section 5. Special assessments for the delinquent charges set forth in Exhibit A, against the real properties described in Exhibit A, shall be collectible at the same time, by the same persons, and in the same manner, together with and not separately, as ordinary secured property taxes are collected, and shall be subject to the same penalties and same procedures of sale as provided for delinquent ordinary secured property taxes, as provided in applicable provisions of Chapter 13.12 of the Sacramento City Code.

Section 6. The City Clerk shall transmit a certified copy of this Resolution, including Exhibit A, to the Sacramento County Auditor/Controller on or before August 8, 2014.
