Description/Analysis

Issue Detail: The Community Development Department prepared a list of parcels of land within the city that have not been maintained free of weeds, rubbish, refuse, and dirt in accordance with Government Code §39561. On February 16, 2016, the City Council passed Resolution No. 2016-0050, declaring that certain specified parcels of property in the City of Sacramento have weeds, rubbish, refuse, and/or dirt which constitute public nuisances, and setting a public hearing to consider any objections to the proposed abatement of weeds, rubbish, refuse, and dirt. Property owners of parcels to be abated have been notified by mail of this public hearing. The comprehensive list of parcels was included in Exhibit A of Resolution No. 2016-0050. In accordance with Government Code §39567 and §39567.1, all property owners of affected parcels were mailed a notice on February 23, 2016, to inform them of the public hearing scheduled for March 8, 2016. Staff recommends that the City Council adopt the attached resolution authorizing the removal of weeds, rubbish, refuse, and/or dirt upon parcels identified in Resolution No. 2016-0050 in order to eliminate hazards to the health, safety, and well-being of the citizens of the City of Sacramento.

Policy Considerations: Government Codes §39568 through §39571 authorize the City Council to consider all objections to the proposed removal of weeds, rubbish, refuse, and/or dirt, allow or overrule any objections, and order the abatement of the nuisance by having the weeds, rubbish, refuse, and/or dirt removed.

Economic Impacts: Not applicable.

Environmental Considerations: The accompanying resolution does not constitute a project under the California Environmental Quality Act guidelines.

Sustainability: Not applicable.

Commission/Committee Action: Not applicable.

Rationale for Recommendation: The Community Development Department requested a public hearing be held to consider objections to the proposed abatement of weeds, rubbish, refuse, and/or dirt from various parcels of land within the city pursuant to Government Code §39568, §39569, and §39570. Affected property owners can object to the proposed abatement on their properties via phone, email, and mail as well as during the scheduled public hearing.

Financial Considerations: The City anticipates the need to abate weeds, rubbish, refuse, and/or dirt on approximately 800-1,200 parcels of property due to lack of abatement by owners of said parcels. Property owners will be responsible for abatement costs including an administrative fee of $110. This program recovers costs through billing, penalties, and liens on real property.

Local Business Enterprise (LBE): Not applicable.

BACKGROUND
Weed and Rubbish Abatement

On February 16, 2016, the City Council passed Resolution No. 2016-0050, declaring that certain specified parcels of property in the City of Sacramento have weeds, rubbish, refuse, and/or dirt which constitute a public nuisance, and setting a public hearing to hear and consider any objections to the proposed abatement of weeds, rubbish, refuse, and/or dirt. Property owners of parcels to be abated have been notified by mail of this public hearing scheduled for March 8, 2016.

The Weed Abatement Program was initiated on July 10, 1969, and has been in effect since the City of Sacramento first adopted the standards for weed and rubbish abatement. A database comprised of real property within the City of Sacramento that was covered by weeds, rubbish, refuse and/or dirt was created. These properties were described in Exhibit A to Resolution No. 2016-0050, whereby City Council declared such weeds, rubbish, refuse and/or dirt to be public nuisances. Routine inspections made by the Community Development Department ensure that the described real property has been added to the database and/or is eliminated from the database when the property no longer constitutes a hazard.

Presently 6,885 weed and rubbish abatement notifications were mailed to parcel owners. Of those, approximately 800-1,200 will require abatement by the City of Sacramento due to lack of abatement by parcel owner.

An invoice will be issued by the City of Sacramento for abatement at the completion of the weed abatement season. Non-payment may result in the cost of the abatement being made as a special assessment against the property.

RESOLUTION NO. 2015-

Adopted by the Sacramento City Council

WEED AND RUBBISH ABATEMENT IN THE CITY OF SACRAMENTO

BACKGROUND

A. The Community Development Department has prepared a list of City parcels that have not been maintained free of weeds and rubbish in accordance with Government Code §39561.

B. On February 16, 2016, the City Council adopted Resolution No. 2016-0050 setting a public hearing in the City Council Chambers to consider all objections to the proposed abatement of weeds and rubbish from parcels of property situated within the City of Sacramento. These parcels were identified in Exhibit A to Resolution No. 2016-0050, and in Exhibit A to this resolution.

C. All property owners of the parcels in Exhibit A to Resolution No. 2016-0050, and in Exhibit A to this resolution were mailed a notice on February 23, 2016, of said public hearing in accordance with Government Code §39567 and §39567.1.

D. Property owners were given the opportunity to object to the abatement of weeds and rubbish via phone, email, and mail as well as during the scheduled public hearing.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

Section 1. Owners of parcels declared to constitute public nuisances have been notified of the public hearing on March 8, 2016, in accordance with Government Code §39567 and §39567.1. These parcels are identified in Exhibit A of this Resolution.

Section 2. All objections to the abatement by the City of Sacramento of weeds, rubbish, refuse, and/or dirt upon the parcels identified in Exhibit A have been considered.

Section 3. The Community Development Director is hereby ordered to abate the public nuisances by having the weeds, rubbish, refuse, and/or dirt removed from the parcels of property set forth in Exhibit A.

Section 4. If property owners, at their sole expense, remove the weeds, rubbish, and/or dirt from their parcel(s) of property as described in Exhibit A before the City of Sacramento's contractor arrives to perform the abatement, then property owners shall not incur the cost of the abatement services. Property owners may still be liable for investigative and administrative costs related to their parcel or parcels of property.
