RESOLUTION NO. 2008-635

Adopted by the Sacramento City Council

September 16, 2008

APPROVING PLANS AND SPECIFICATIONS AND AWARD CONTRACT FOR THE BEN ALI PHASE-2 STREET LIGHTING PROJECT (T15083501)

BACKGROUND

A. Currently there are only SMUD safety lights at the intersections, and the neighborhood is not adequately lit per current City standards. This project will install City standard post top streetlights in the unlit portion of the Ben Ali neighborhood.

B. The project was advertised and bids were received on July 30, 2008. The results are summarized below:

Contractor	Bid Amount	SBE Participation Goal 20%
M & M Electric, Co.	$175,569	20.6%
Sierra National Construction	$178,750	42.0%
Richard A. Heaps Electrical	$190,425	22.2%
Pacific Excavation, Inc.	$195,700	20.4%
Arrow Construction	$196,158	94.4%
Hudson Excavation, Inc.	$213,626	72.8%
Moreno Trenching Ltd.	$219,440	23.7%
Golden State Utility Company	$283,755	20.3%
Steiny & Company	$586,614	0%

C. The engineer's estimate is $250,000.

D. M & M Electric failed the Minimum Qualifications Questionnaire and did not acknowledge Addendum #3, therefore their bid was unresponsive to the City bid proposal requirements for this project.

E. It is recommended that the contract be awarded to Sierra National Construction.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

Section 1. Plans and specifications for the Ben Ali Phase 2 Street Lighting Project (T15083501) are approved.

Section 2. The construction contract is awarded to Sierra National Construction for an amount not to exceed $178,750.
