# RESOLUTION NO. 2006-732

Adopted by the Sacramento City Council

October 10, 2006

## PURCHASE OF SELF-CONTAINED BREATHING APPARATUS (SCBA)

## BACKGROUND

A. The City Council has previously approved the acceptance and use of FY 2004 Homeland Security Urban Area Security Initiative (UASI) funding to purchase the Self-Contained Breathing Apparatus (SCBA) equipment, per Resolution 2005-301, through the use of a cooperative purchase agreement pursuant to City Code 3.56.240.

B. Expenditure of up to $1.5 million in grant funding is necessary to ensure all the Regional UASI Fire Departments have the latest SCBA equipment per federal guidelines. The original funding fell short of meeting all of the Regional partners' SCBA equipment needs primarily because several additional cities were added to the UASI program.

C. A cooperative purchase agreement has been awarded to Fisher Scientific Company from the U.S. Defense Logistics Agency, Defense Supply Center Philadelphia ("DLA/DSCP"). The DLA/DSCP awarded Fisher a prime vendor contract (Contract #SP0500-04-DBP-20) for the purchase of fire related, first responder, Haz-Mat, and other domestic preparedness equipment for military installations and federally funded states, including California. The DLA/DSCP awarded Fisher a prime vendor contract after a review of competing technical and business proposals. The evaluation was done using best value selection procedures in accordance with federal statutory and regulatory requirements and was not limited to cost or price alone. Advantages of prime vendor contracts include shorter procurement lead-time, online ordering, as well as guaranteed product warranties and delivery timelines.

D. Homeland Security funding will pay for 100% percent of the costs for purchasing the SCBA equipment. This funding also pays for all the SCBA equipment fit testing and user training.

## BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

Section 1. It is advantageous for the City of Sacramento to purchase SCBA equipment from Fisher Scientific Company, LLC, through the United States Department of Homeland Security's Equipment Purchase Assistance Program.

Section 2. Pursuant to Sacramento City Code section 3.56.240, the City Manager is hereby authorized to execute the necessary purchase of SCBA equipment from Fisher Scientific Company, LLC, through the United States Department of Homeland Security's Equipment Purchase Assistance Program, in a total amount not to exceed $1,500,000.

Section 3. Funding sources may include FY 2006 (G637) UASI program, or reprogrammed funds from FY's 2004 (G532) or 2005 (G567) UASI grants, and/or, if awarded, State of California, Office of Homeland Security unencumbered funds from FY's 2003 (G457), 2004 (G532) or 2005 (G567).

Adopted by the City of Sacramento City Council on October 10, 2006 by the following vote:

Ayes: Councilmembers, Cohn, Fong, Hammond, McCarty, Sheedy, Tretheway, Waters, and Mayor Fargo.

Noes: None.

Abstain: None.

Absent: Councilmember Pannell.

Heather Fargo
Mayor, Heather Fargo
