Presenter: Howard Chan, Parking Services Manager
Department: Department of Transportation
Division: Parking Services Division
Organization No: 3482

Summary:

The attached resolution grants new Parking Enforcement Officers in the Parking Services Division citation authority to enforce specific City Code and State Law provisions, consistent with the Parking Enforcement Officer job classification including the issuance of misdemeanor citations for violations of California Vehicle Code 4461 when assigned to the disabled abuse parking enforcement program.

Committee/Commission Action:

None.

Background Information:

Throughout the City, various employee classifications have citation authority to enforce specific sections of the City Code. Within the Department of Transportation Parking Enforcement Officers and Traffic Investigators have citation authority. Chapter 2.12 of the Sacramento City Code gives authority to the City Council to grant citation authority to individual employees. After a job classification is designated by the City Manager as

needing citation authority, a resolution granting individual employees citation authority is routinely forwarded to the City Council for approval. It is necessary to update the list of names as personnel changes occur.

Financial Considerations:

None.

Environmental Considerations:

The Development Services Department, Environmental Services Division has reviewed the project and has determined that this project is exempt from the California Environmental Quality Act (CEQA) under Section 15061(b)(1) of the CEQA Guidelines.

Policy Considerations:

The resolution is consistent with the City's strategic plan and the goal of the City Council to retain, attract and develop a highly qualified and diverse City workforce and implement organizational improvements.

Emerging Small Business Development (ESBD):

None. No goods or services are being purchased.
