

## **RESOLUTION NO. 2008-011**

Adopted by the Sacramento City Council

January 8, 2008

### **APPROVING CHANGE SCOPE OF SEYMOUR PARK SECTION D CIP (LU07)**

#### **BACKGROUND**

- A. "Seymour Park" is an existing 57.45-acre community park in South Sacramento. Section D of Seymour Park is an existing 7.76-acres of park land located at 845 Florin Road, south of Florin Road and west of Interstate 5.
- B. The Development Services Department, Environmental Planning Services Division has reviewed this project and determined that it is exempt from the provisions of the California Environmental Quality Act (CEQA), pursuant to CEQA Guidelines section 15301(f) which consists of the minor alteration to existing facilities or structures involving negligible or no expansion of capacity.
- C. Based upon significant community input, staff determined that completion of the pathway lighting was a much higher priority to the community than the proposed playground and the sheltered picnic area. Changing the scope of a CIP project based on community input is within the guidelines set as part of the Park Planning process as referenced in the approved *Parks and Recreation Master Plan Update 2005-2010*.

#### **BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:**

- Section 1. The scope of CIP LU07 is changed from providing a children's playground and group picnic area to providing pathway lighting for Seymour Park (Section D).
