Project Summary

Briefly summarize your proposal here. Describe the programs or project for which this grant is being requested. (Maximum 250 words)

Cultural Ambassador of India

The proposed festival will be held over two days on a Saturday and Sunday from 1:00 p.m. to 6:30 p.m. each day. On the first day there will be music competition in vocal music performance and instrumental category. In the evening of the opening day a concert of North Indian music will be presented by a reputable artist. For the two day competitions, there will be a Junior Cultural Ambassador of India category and a Senior Cultural Ambassador of India category. This will allow children from the age of 6-18 years of age to participate in the various competitions. The participants in this competition will be charged a small registration fee so that awards and certificates can be purchased.

If the grant is approved, a reputable artist will be engaged on the first evening to present a North Indian classical music concert for the young and the old alike. This artist may be a musician who is visiting from India on a concert tour. On the same day there will be workshops offered to members of the community on topics related to Hindustani music (North Indian classical music), Carnatic music (South Indian classical music) both vocal and instrumental and classical dances of India. These workshops will be led by teachers of the respective Indian arts.

On the second day there will be an Indian story-telling festival which will include storytelling, story writing and illustrating and activities related to storytelling. Since all children are not able to participate in the music competition, an art competition for youth ages 6-18 entitled "Images of India" is being proposed for the second day. There will be a junior and a senior category in this competition also. For the art competition, a small fee will be charged from the participants so that art materials and awards can be purchased.

At this point there is no other funding available. The group will try to approach private individuals and businesses to donate some funds towards the festival. It is hoped that an admission charge for the festival will generate some funding. The participants in various competitions will also be charged a flat fee to cover the purchase of medals and trophies and other costs.
