Background

Extension of time to complete conditions for Vacation (Abandonment) of a 15-Foot Wide Public Utility Easement Within Parcels 1, 2, 3 and 4 of Parcel Map Entitled "Valley Plaza"

On March 28, 2006 the City Council adopted Resolution No. 2006-222 vacating a 15-foot wide public utility easement (PUE) within the Parcel Map entitled "Valley Plaza." The vacation was requested by Mr. Nolasco to have the area encumbered by the PUE to be cleared for development of five one-story storage buildings and one two-story management offices (approved P04-146).

Resolution No. 2006-222 contains several conditions of vacation that Mr. Nolasco must satisfy within two years of adoption of the resolution (See Attachment 3). Non-compliance or non-completion of conditions of vacation within the two years specified in the resolution will void said resolution of vacation. On January 15, 2008, Mr. Nolasco notified the City's Development Services Department that all the said conditions of Resolution No. 2006-222 would not be complete by the deadline of March 28, 2008, and thus is requesting additional time to complete the conditions of the vacation. To avert voiding Resolution No. 2006-222, Mr. Nolasco has requested a two year extension to complete the conditions required by Resolution No. 2006-222. This proposed extension will expire on March 28, 2010.

Staff reviewed the request and recommends granting the two-year extension to complete the conditions required in Resolution No. 2006-222.
