

RESOLUTION NO. 2008-202

PURCHASE OF TACTICAL FLASHLIGHTS

BACKGROUND

- A. The Sacramento Police Department (SPD) issues flashlights to all sworn officers and other civilian staff who are assigned duties in the field as part of their safety equipment. The currently issued flashlight is obsolete and does not perform adequately. The department can replace all the existing lights with a one-time bulk purchase of the new technology LED flashlight.
- B. SPD has field tested the Pelican 7060 flashlight, manufactured by Pelican Products, Inc., and has decided to make it SPD's standard.
- C. Roguetactical was the lowest responsible bidder for the Pelican 7060 flashlights.
- D. The SPD has funds available through the COPS grant funds (FY07/08 Citizen's Option for Public Safety (COPS) Externally Funded Program – approved by Council on February 12, 2008) for purchase of the flashlights.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:
