

REPORT TO COUNCIL

City of Sacramento

915 I Street, Sacramento, CA 95814-2604
[www. CityofSacramento.org](http://www.CityofSacramento.org)

Consent
April 29, 2008

**Honorable Mayor and
 Members of the City Council**

Title: Sewer Credit Approval: Jackson Labs

Location/Council District: 4910 Raley Boulevard / District 2

Recommendation: Adopt a Resolution awarding a total of 66.86 Sacramento Regional County Sanitation District (SRCSD) connection fee credits to the described project known as Jackson Lab.

Contact: Noreen James, Project Manager: 808-5470

Presenters: N/A

Department: Economic Development

Division: Citywide

Organization No: 4453

Description/Analysis

Issue: The City of Sacramento's Economic Development Department recommends approval of the attached resolutions awarding 66.86 SRCSD sewer credits to the project known as Jackson Lab. Jackson Lab is located at 4910 Raley Boulevard in District 2 (APN: 215-0273-027)

Policy Considerations: The City of Sacramento views projects that promote urban infill development as an important cornerstone of the City's economic development goals. The City of Sacramento also supports such projects to make Sacramento the most Livable City in America. The Jackson Lab project will create 200 high paying jobs that will promote the City's objective of growing high paying jobs and furthering the economic growth of the City of Sacramento.

Environmental Considerations: This project is subject to the environmental review process as part of the approval of its development application.

Rationale for Recommendation: This candidate for sewer credits meets Council-approved criteria for the granting of sewer credits pursuant to Resolution

2006-457, adopted on June 20, 2006. Jackson Lab is a commercial use, urban infill project. To promote the goal of making Sacramento the most Livable City in America, it is recommended that the City Council issue sewer connection fee credits to the Jackson Lab project. The building is currently a warehouse and will be upgraded to house the growth of lab mice and research. The Jackson Lab project will create approximately 200 full time jobs, and it will act as a catalyst to promote future development.

Financial Considerations: Approval of the resolution imposes no additional expense upon the City beyond the minimal administrative costs associated with processing the approved credits.

Emerging Small Business Development (ESBD): Not Applicable

Respectfully Submitted by: 
James R. Rinehart
Citywide Development Manager

Approved by: 
David L. Spaur, CEcD, EDFP
Economic Development Director

Recommendation Approved:

Ray Kerridge
City Manager

Attachment 1**BACKGROUND:**

The Sacramento Regional County Sanitation District (SRCSD) established an Economic Development Treatment Capacity Bank (Bank) in June 2000 and the City of Sacramento received the June 2000 initial allocation of 7,971 Equivalent Single Family Dwellings (ESDs) Credits from the Bank. At the time, SRCSD limited local jurisdictions to using a maximum of 15 percent of its total allocation for residential purposes. The City of Sacramento subsequently received another allocation of 756 ESDs in March 2005, bringing the total ESDs to 8,727.

Following the allocation, the City requested greater latitude to use the Credits to assist in housing development. In response to the City's request, SRCSD reconvened the Stakeholders' Working Group to discuss the proposed additional flexibility for residential purposes, to recommend a methodology for allocation of additional excess capacity that the District has purchased, to recommend disbursement guidelines for the District's own allocation from the Bank, and to address other administrative actions.

Amendments adopted on June 20, 2006, in Resolution 2006-457 expanded the additional 15 percent annual allocation to also include infill and transit-oriented housing. This permitted each local jurisdiction to have more flexibility in using the Bank. As of July 2006, the City of Sacramento has issued 1445.56 Credits in sewer credits since the program's inception. Since Resolution 2006-457, the City has issued 109.98 Credits: 90.98 Credits for commercial and 19.00 Credits for residential projects.

Resolution 2006-457 approved the amended MOU between the Sacramento Regional County Sanitation District (SRCSD) and the City and authorized the City Manager to execute the amended MOU. The Resolution also approved the Guidelines for the allocation and awarding of Treatment Capacity Bank Credits for commercial development, Downtown, low-income, and infill / transit-oriented development (TOD) projects.

RE: SEWER IMPACT FEES
4910 Raley Blvd.

APN: 215-0273-027
Case No. SICC2008-00027

The revised Sewer Impact Fees/ESDs for **Jackson Labs** in the City of Sacramento include calculations for Phases 1 and 2 and are as follows:

<u>Impact</u>	<u>Area (sq.ft.)</u>	<u>Factor</u>	<u>ESDs</u>
Ground floor:			
Barrier PEEL entrances ("office-like")	5,250	0.2/1000 sq.ft.	1.05
Office area	2,760	0.2/1000 sq.ft.	0.55
Warehouse	45,873	0.1/1000 sq.ft.	4.59
Future:			
Barrier PEEL entrances	10,500	0.2/1,000 sq.ft.	2.10
Office area	7,000	0.2/1,000 sq.ft.	1.40
Warehouse	45,800	0.1/1,000 sq.ft.	1.50
Second floor:			
Office area	8,208	0.2/1000 sq.ft.	1.64
Lab space ("office-like")	15,000	0.2/1000 sq.ft.	3.00
Future:			
Office area	4,000	0.2/1000 sq.ft.	0.80
Lab space ("office-like")	32,000	0.2/1000 sq.ft.	6.40
<u>Water discharge</u>			
Process Water discharge:			
Process (Phase 1)	144,508 gal/mo	9,300 gal/mo	15.54
Process (Phase 2)	234,416 gal/mo	9,300 gal/mo	<u>25.21</u>
<u>Total ESDs Due:</u>			66.86

Application may be made for ESDs from the Economic Development Treatment Capacity Bank. Your contact at the City of Sacramento Economic Development Department is Jennifer Witz (916-808-2796). If I may be of further assistance, please do not hesitate to call me at 916-876-6100.

Fees are subject to adjustment if the data supplied is changed.

RESOLUTION NO.

Adopted by the Sacramento City Council

AWARD SACRAMENTO REGIONAL COUNTY SANITATION DISTRICT (SRCSD) CONNECTION FEE CREDITS FOR JACKSON LAB AT 4910 RALEY BOULEVARD (APN# 215-0273-027).

BACKGROUND

- A. On March 20, 2001, City Council authorized the City Manager to sign a Memorandum Of Understanding (MOU) to initiate City participation in the Sacramento Regional County Sanitation District Economic Development Treatment Capacity Bank (CC2001-177);
- B. On June 20, 2006, City Council approved Resolution 2006-457, approving criteria for the granting of Treatment Capacity Bank Credits (Credits) for commercial development, Downtown, low-income, and infill / transit-oriented development projects, and amending the Memorandum of Understanding (MOU) between the Sacramento Regional County Sanitation District (SRCSD) and the City.
- C. The City of Sacramento has been awarded a total of 8,727 sewer credits. As of July 2006, the City of Sacramento has issued 1445.56 sewer credits to eligible projects.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

- Section 1. City Council finds that award of credits by this resolution meets the approved criteria for granting of credits pursuant to Resolution 2006-457 , and hereby awards a maximum of 66.86 new SRCSD sewer credits to the project known as Jackson Lab, located at 4910 Raley Boulevard (APN #:215-0273-027).
- Section 2. Any and all credits awarded herein to each individual recipient shall expire if said individual recipient has not paid its requisite sewer impact fee to SRCSD within one year from the date of approval of this resolution.
- Section 3. Any and all credits awarded herein to each individual recipient will expire if said individual recipient has not been issued a building permit for its respective above referenced development project within one year after the City Council has awarded use of the aforementioned sewer credits.
