

RESOLUTION NO. 2008-270

Adopted by the Sacramento City Council

May 13, 2008

AGREEMENT FOR CONTINUITY OF OPERATIONS (COOP) AND CONTINUITY OF GOVERNMENT (COG) PLANNING

BACKGROUND

- A. On April 18, 2006, Governor Schwarzenegger issued Executive Order S-04-06 directing the State Office of Emergency Services (OES) to develop Continuity of Operations (COOP) and Continuity of Government (COG) guidelines and plans to assist state and local agencies in their efforts to plan for a wide range of emergencies and disasters; and
- B. Today's changing threat environment and recent natural and man-made emergencies demonstrate the need for COOP/COG capabilities and plans at the local, state and federal levels; and
- C. The Sacramento City Council appropriated funding in FY 2006/07 to fund preparation of the recovery and continuity and continuity plan; and
- D. A Request for Qualifications was posted on the City's website and widely distributed on February 1, 2008 seeking Statements of Qualification (SOQs) from firms experienced with COOP and COG planning; and
- E. Staff has determined the approach submitted by James Lee Witt Associates, a part of GlobalOptions, Inc. (JLWA), best met the needs of the City when contrasted with the other submittals and against the RFQ evaluation criteria; and
- F. The proposed agreement will facilitate the development of a COOP and COG plan for the City of Sacramento and improve the City's state of disaster preparedness.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

- Section 1. The City Manager is authorized to execute an agreement with James Lee Witt Associates, a part of GlobalOptions, Inc. (JLWA) for COOP and COG planning for an amount not to exceed \$125,000.
