

RESOLUTION NO. 2008-371

Adopted by the Sacramento City Council

June 10, 2008

SUSPENDING COMPETITIVE BIDDING AND AUTHORIZING THE PURCHASE OF GOLF COURSE MAINTENANCE EQUIPMENT FROM ROCKY MOUNTAIN TURF IN AN AMOUNT NOT TO EXCEED \$370,000

BACKGROUND

- A. The Convention, Culture and Leisure Department, Golf Division, has a need to purchase replacement golf course maintenance equipment. The City's golf course maintenance equipment is maintained and repaired by the Golf Division. The Division has standardized on Jacobsen, Smithco and Turfco turf equipment to increase operational efficiencies by minimizing staff training and reducing the inventory of parts needed to maintain the equipment.
- B. On March 18, 2008, City Council approved the suspension of competitive bidding and awarded a contract to H.V. Carter Company, Inc. for golf course maintenance equipment in an amount not to exceed \$280,000. After delivery of three of the nine equipment items, H.V. Carter Company, Inc. suspended operations and filed for bankruptcy. The six remaining equipment items totaling \$180,000 were never delivered. Rocky Mountain Turf has replaced H.V. Carter Company, Inc. as the only authorized sales dealer for Jacobsen, Smithco and Turfco turf products in Northern California.
- C. City Council approved \$300,000 of FY2006/07 year end results, as part of the FY2007/08 Midyear Report Resolution No. 2008-040, to purchase equipment necessary to maintain the City's golf courses. This will fund the remaining equipment from the original contract with H.V. Carter. The Golf Division has the budgeted resources available to fund the additional \$190,000 in equipment purchases due to green fee revenues tracking 5 percent above budget.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

- Section 1. Competitive bidding is hereby suspended for the purchase of Jacobsen, Smithco and Turfco golf course maintenance equipment as in the best interests of the City.
- Section 2. A contract for the purchase of the golf course maintenance equipment identified in Exhibit A is awarded to Rocky Mountain Turf, 4350 S 50 West, Salt Lake City, UT 84017.
- Section 3. The City Manager is authorized to execute an agreement with Rocky Mountain Turf for the purchase of the golf course equipment identified in Exhibit A hereto, at a cost not to exceed \$370,000.
