**Honorable Mayor and  
Members of the City Council**

**Title:** Maintenance of Street Lighting (Re-Lamping)

**Location/Council District:** Citywide

**Recommendation:** Adopt a **Resolution:** 1) authorizing the City Manager, or his designee, to execute the Supplemental Agreement for the final extension of the Non-Professional Services Agreement (CM 2005-0723) with Jackson Electric in the not-to-exceed amount of \$78,570.

**Contact:** Juan Montanez, Division Manager, Street Services, Department of Transportation, 808-2254.

**Presenters:** Not Applicable

**Department:** Transportation

**Division:** Street Services

**Organization No:** 15001671

### **Description/Analysis**

**Issue:** The Department of Transportation entered into a contract with Jackson Electric for the Maintenance of Street Lighting (Re-Lamping) on June 20, 2006. The current supplemental agreement expires June 30, 2008, with one (1) final option period remaining. The City has a continuing need for relamping services Citywide. Jackson Electric has consistently performed in accordance with the terms and conditions of the contract.

**Policy Considerations:** The recommendations in this report are consistent with Sacramento City Code Section, 3.56, Purchasing of Supplies and Services, as well as API 1, Procurement of Supplies and Nonprofessional Services.

**Environmental Considerations:**

**California Environmental Quality Act (CEQA):** Under the California Environmental Quality Act (CEQA) guidelines, continuing administrative activities do not constitute a project and are therefore exempt from review.

**Sustainability Considerations:** The re-lamping of the street light services purchased under this contract meets the City of Sacramento's Sustainability Master Plan by improving and optimizing the transportation infrastructure.

**Other:** Not Applicable.

**Commission/Committee Action:** None

**Rationale for Recommendation:** The Department of Transportation, Street Services Division, Signals and Lighting Section, has a Non-Professional Services Agreement with Jackson Electric for the "Maintenance of Street Lighting (Re-Lamping)". The City has an on-going need for this service and the Contractor has performed in a satisfactory manner in accordance with the terms and conditions of the contract. Staff recommends that the final extension for the period of July 1, 2008 through June 30, 2009, be approved as well as the not-to-exceed expenditure of \$78,560 to pay for the services.

**Financial Considerations:** The Streets Services Division, Signals and Lighting Section, has sufficient funding available in their CIP and operating budgets for this service.

**Emerging Small Business Development (ESBD):** Jackson Electric is certified with the City as an emerging and small business enterprise.
