

RESOLUTION NO. 2008-405

Adopted by the Sacramento City Council

June 17, 2008

AUTHORIZING THE USE OF COOPERATIVE PURCHASING AGREEMENT

BACKGROUND

- A. Department of General Services, Procurement Services Division, has a customer requirement to purchase equipment for the Department of Utilities. This equipment will be used for water quality testing. Current laboratory instrumentation must be replaced due to age and reliability. Based on Metropolitan Water District (MWD) of Southern California's competitive bidding for the same laboratory instrumentation, it is advantageous for the City of Sacramento to purchase the Inductively Coupled Plasma Mass Spectrometer System (ICP/MS) through the contract established between MWD and PerkinElmer LAS, Inc.
- B. In accordance with City Code 3.56.240, the City Manager may, by cooperative purchasing agreements approved by City Council, purchase supplies through contracts of other governmental jurisdictions without separate competitive bidding, where it is advantageous to the City.
- C. This report recommends approving the use of MWD's purchase agreement with PerkinElmer LAS, Inc. for the purchase of an ICP/MS System in an amount not to exceed \$152,125.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

- Section 1. The contract between Metropolitan Water District of Southern California and PerkinElmer LAS, Inc. is approved for the use of purchasing an Inductively Coupled Plasma Mass Spectrometer System in a total amount not to exceed \$152,125 for the Drinking Water Quality Project (ZH41, Z14001500).
- Section 2. The City Manager or the City Manager's designee is hereby authorized to execute the necessary purchase in the amount specified above.

Adopted by the City of Sacramento City Council on June 17, 2008 by the following vote:

Ayes: Councilmembers Cohn, Fong, Hammond, McCarty, Pannell, Sheedy, Tretheway, Waters, and Mayor Fargo.

Noes: None.

Abstain: None.

Absent: None.

Attest:

Mayor Heather Fargo

Shirley Concolino, City Clerk
