Description/Analysis

Issue: The City of Sacramento, Department of Transportation, Street Services Division has an ongoing requirement for NEMA Traffic Signal Controller Cabinets to replace damaged or end-of-life units.

Policy Considerations: Invitation for Bid 1181064 was competitively bid by Procurement Services Division in accordance with City Code Section 3.56 and API 1, Procurement of Supplies and Nonprofessional Services.

Environmental Considerations:

California Environmental Quality Act (CEQA):

This project has been determined to be exempt from the requirements of the California Environmental Quality Act (CEQA), under Section 15061(b)(3) of the CEQA guidelines, which states that CEQA applies only to projects, which have

the potential for causing a significant effect on the environment. The current proposal involves the purchase of traffic controller cabinets.

Sustainability Considerations: The traffic controller cabinets directly relate to the 5th Focus Area of the City of Sacramento's "Sustainability Master Plan." The 5th Focus Area is Public Health and Nutrition. One of its targets is: "Work to maximize the quantity of roads in the City that are "Complete Streets," efficient and safe for all modes of travel."

Commission/Committee Action: Not applicable.

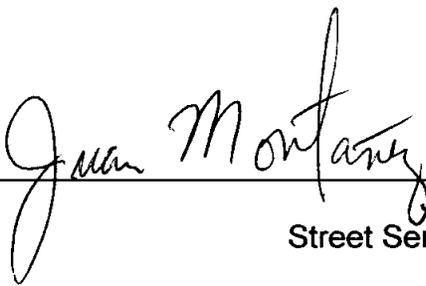

Rationale for Recommendation: The City of Sacramento, Department of Transportation, Street Services Division has an ongoing requirement for NEMA Traffic Signal Controller Cabinets to replace damaged or end of life units.

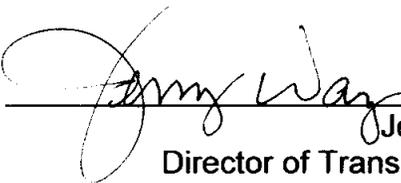

Procurement Services Division issued Invitation for Bid B081181064 in accordance with City Code 3.56 and API 1, Procurement of Supplies and Nonprofessional Services, on behalf of Streets Services Division. The City Clerk received 4 bids in response to the solicitation on May 7, 2008.

Based on the bids received and the analysis performed by Procurement Services Division, staff recommends that City Council authorize the City Manager to enter into contract with BRG Supply, LLC., for the purchase of NEMA Traffic Signal Controller Cabinets, Type "R."

Financial Considerations: There are sufficient funds available in the Street Services Division's Fiscal Year (FY) 2008/09 operating budget and pertinent Capital Improvement Projects (CIP's) for the purchase of the NEMA Traffic Signal Controller Cabinets.

Emerging Small Business Development (ESBD): Procurement Services Division issued Invitation for Bid B081181064 in accordance with City Code 3.56 and API 1, Procurement of Supplies and Nonprofessional Services. In response to solicitation B081181064 only four bids were received, none were small or emerging small businesses.
