Description/Analysis

Issue: Measure A legislation requires that the City enter into an annual agreement with the Sacramento Transportation Authority (STA) in order to receive both types of Measure A funds: Construction (Fund 2001) and Maintenance (Fund 2005). The agreement authorizes the City to receive and expend funds in accordance with the STA approved FY2008/09 Expenditure Plan. On June 6, 2008, the STA Board approved the agreement language and authorized the STA Executive Director, Brian Williams, to sign the agreement. Upon signature by the City Manager and completion of the agreement, the City can expend Measure A funds and receive reimbursement.

Policy Considerations: The action requested herein is consistent with the City's Strategic Plan goals to expand economic development throughout the City and achieve sustainability and livability.

Environmental Considerations:

California Environmental Quality Act (CEQA): The FY2008/09 Entity Allocation and Expenditure Agreement is not subject to the provisions of the California Environmental Quality Act (CEQA) under the general rule (Section 15061 (b) (34)) that CEQA applies only to projects that have the potential for causing a significant effect on the environment.

Sustainability Considerations: None.

Other: None.

Commission/Committee Action: None.

Rationale for Recommendation: Upon approval of the agreement the City will have authority to spend Measure A funds in the amount of \$19,385,228.
