Gifts to Share, Inc.

PROGRESS REPORT
January 2006 – December 2007

Our Purpose

Gifts to Share, Inc. is a 501(c) 3 charitable nonprofit organization supporting the City of Sacramento's park, recreation, cultural, educational, and neighborhood improvement programs and facilities and those of its partners.

Our Services

Incorporated in 1985, Gifts to Share, Inc. is a model partnership joining a charitable nonprofit organization with the City of Sacramento, donors, and the community. We enable the City of Sacramento, schools, community organizations, and volunteers to plan and raise support for a wide variety of park improvement projects, recreation, education, human service and cultural programs, and neighborhood revitalization efforts. We do this through:

Fiscal Sponsorship: We provide fiscal services or fiscally "sponsor" civic events, projects and programs on behalf of non-exempt organizations, community groups, and volunteers who need to raise funds to achieve their goals. As one of several charitable, nonprofit partners to the City of Sacramento, we accept contributions from the private and nonprofit sectors as needed in support of City-sponsored projects and programs.

Sponsored activities must fit the purposes of Gifts to Share, Inc. (See "Sponsored Activities" for examples.)

Fundraising and Project Planning: We provide planning services to project leaders to help them develop and implement action plans to secure volunteer support and/or funding. Project leaders we have worked with include community volunteers, neighborhood-based organizations, school staff, and/or City of Sacramento staff. The Volunteer Project Guide, a handy step-by-step reference for project leaders, covers project planning, management, outreach, fundraising, and implementation. It is available free on our website or in hardcover for just \$10.00.

Training: We provide for training in how to raise funds and secure and maintain sponsors and volunteer support.

Start-Up Grants: We award seed money grants of up to \$800 to individuals and groups who have a project or program idea that fits the purposes of Gifts to Share, Inc., and need seed money to get started. (See "Start Up Grants" for examples of projects and programs that were funded.)

On behalf of the Board of Directors of Gifts to Share, Inc., I am pleased to present an overview of our services and finances for 2006 and 2007. Gifts to Share, Inc. reached a milestone in 2005, celebrating 20 years of service. We pledge to continue our important work by enabling community organizations and volunteers, schools, and the City of Sacramento to expand recreation, cultural and human services, offer educational and historical programs, improve parks and public spaces, and create amenities for all to enjoy.

Please contact us if you have any questions or if we can be of help to you.

Sincerely,

Karolyn W. Simon, President
