

RESOLUTION NO. 2008-689

Adopted by the Sacramento City Council

October 21, 2008

RESOLUTION AUTHORIZING THE RESTRICTION OF TRAFFIC THROUGH THE ALLEY BOUNDED BETWEEN RIO LINDA BOULEVARD, ROANOKE AVENUE, CYPRESS STREET AND GRAND AVENUE; RESTRICTED TRAFFIC PROCEEDING NO. RT08-01

BACKGROUND

- A. The City received a request from the Sacramento Housing and Redevelopment Agency (SHRA) for the restriction of the adjacent alleyway bounded by Rio Linda Boulevard, Roanoke Avenue, Cypress and Grand Streets.
- B. SHRA has agreed to pay 50 percent of the total costs to construct the alley gate and placement of the necessary signage. The other 50 percent will be paid for by the City's Problem Alley Abatement Program.
- C. In accordance with Section 21102.1 of the Vehicle Code of the State of California and with Chapter 12.40 of the Sacramento City Code, the City Council hereby considers approval of the restriction of traffic on the following subject alley to help prevent future criminal acts.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

- Section 1. Restriction of vehicular and pedestrian traffic through the alley bounded by Rio Linda Boulevard, Roanoke Avenue, Cypress Street and Grand Avenue, Sacramento is necessary for the protection or preservation of the public peace, Safety, health or welfare.
- Section 2. City Council grants the restriction of the subject alley with the following conditions:
 - a) A gate security device approved by the Sacramento Fire Department will be installed on the gates.
 - b) City departments and utility companies will have twenty-four (24) hour access to their facilities within the alley.
 - c) Signs giving notice of such restrictions shall be installed at the entrances to the subject alley prior to the installation of the gate security device.
 - d) The gate security device shall not be operated in a selective manner that restricts the access of some vehicles and/or pedestrians to the subject

alley, while permitting other vehicles and pedestrians unrestricted access to the alley.

- e) In the event that the gate security device requires construction by a private entity for improvements in the public right-of-way, a revocable encroachment permit and an excavation permit must be obtained from the Department of Transportation. The revocable encroachment permit is to be issued simultaneously with this Resolution. The excavation permit, if required, may be issued subsequent to this Resolution, but must be obtained prior to the construction of improvements in the public right-of-way. Staff recommends that the City Manager waive the fee for the revocable encroachment permit.
