Gold Coin of Liberty 1909

1909's -83- 2005

I found a coin a coin of gold
The year 1909 and full of hope
This coin I found and it's mystery
This lady stood for our history and the birth right of
our democracy
This coin I found I will always claim
It is for the people to see of its natural remains
The gold coin of Liberty and Justice for All
May it remain and teach us all
And may the spirit of God join us all
So we as the people never fall
