SUBJECT: OFFER TO PURCHASE – APN: 052-0111-022 (portion of)
ADDRESS OR LOCATION: 1671 Ferran Avenue
PROJECT NAME: Meadowview Road Fence Improvements Project

Dear Mr. & Mrs. Ruiz:

The City of Sacramento (City) is seeking to acquire a Temporary Construction Easement over a small portion of your property for the Meadowview Road Fence Improvements Project. The proposed property right being acquired is a Temporary Construction Easement, hereinafter referred to as “Property Rights” for the purpose of constructing a masonry wall spanning Meadowveiw Road from Amherst Street to 24th Street. The City will be acquiring a temporary construction area of approximately 550 square feet on the northerly portion of your property. For more information on the Temporary Construction Easement, please refer to the Agreement for Acquisition of Temporary Construction Easement, as well as the Legal Description and Plat Map of the proposed Temporary Construction Easement area.

The Opinion of Value of the above referenced Property Rights has been completed, and staff is proposing to recommend to the City Manager of the City of Sacramento the acquisition of these rights. The Legal Description and Plat Map of the Property Rights under consideration for acquisition are enclosed. Also enclosed, please find a “Real Estate Acquisition Pamphlet” that describes the public acquisition process and your rights as a property owner.

The just compensation of real property rights to be acquired is **Two Hundred Fifty Dollars, (\$250.00)** and the City is prepared to offer you this amount. Refer to the enclosed Opinion of Value for details on the just compensation determination. Should you choose to have your own appraisal done, a property owner is eligible to receive reimbursement from the City of up to \$5,000 for reasonable

costs of an independent appraisal (pursuant to Civil Code of Procedure Section 1263.025(a)), subject to certain conditions including the review and acceptance by the City of the value.

No decision to acquire can be made until the City Manager formally acts to approve this acquisition. Nothing in this letter is meant to pre-commit the City Manager or otherwise limit the options available to the City Manager. Consequently this offer, if accepted, and the acquisition of the Property Rights is conditional upon and requires the approval of the City Manager.

Enclosed please find one original Agreement for Acquisition of Temporary Construction Easement, and one original Temporary Construction Easement. If you find this offer acceptable, please sign the original Agreement and the Temporary Construction Easement. The copy of the Agreement is being provided for your records. **The Temporary Construction Easement must be signed before a Notary Public.** Please be advised that there typically is a fee for notarization. The City will reimburse you for this fee upon receipt of the charge. For your convenience, the City can provide the Notary Public service to you at no charge. At a time that is convenient for you, we can set up a time to meet for you to sign the Agreement and Temporary Construction Easement.

If you prefer to have the Temporary Construction Easement notarized yourself, when done, please return the signed Agreement and the notarized Temporary Construction Easement, to my attention, in the enclosed self-addressed envelope. The Temporary Construction Easement will be recorded with the Sacramento County Records Office and a copy of the recorded Temporary Construction Easement will be mailed to you once recorded, along with a certified copy of the fully executed agreement.

If the signed Agreement and signed Temporary Construction Easement are not received by me at the address noted above within fifteen (15) days of your receipt of this offer, it will be deemed that this offer is rejected and the City will then explore alternative options of acquiring the right to enter upon your property.

Should you have any questions regarding this offer or the project, please contact me at 916-808-5752.

Sincerely,

Ken Hancock

claims to any money that may have been deposited in the Superior Court or with the State Treasurer in any such action and waives any and all claims for damages or costs, including attorney's fees, arising by virtue of the abandonment of the action pursuant to Section 1268.510 of the California Code of Civil Procedure.

5. Amendment. This agreement may be modified, changed, or rescinded only by an instrument in writing executed by the parties hereto.

6. Just Compensation. B. To the best of Grantor's knowledge there is no suit, action, arbitration, legal, administrative or other proceeding or inquiry pending or threatened against the Property, or any portion thereof, or pending or threatened against Grantor which could (1) affect Grantor's title to the Property, or any portion thereof, (2) affect the value of the TCE, or any portion thereof, or (3) subject an owner of the TCE, or any portion thereof, to liability.

C. To the best of Grantor's knowledge there are no uncured notices which have been served upon Grantor from any governmental agency notifying Grantor of any violations of law, ordinance, rule or regulation which would affect the TCE or any portion thereof.

D. Grantor has no knowledge of the production, storage, disposal, presence, observance or release of any Hazardous Substances (as defined below) in, upon, about or below the Property.

E. To the best of Grantor's knowledge, there are no notices or other information giving Grantor reason to believe that any conditions existing on the Property or in the vicinity thereof subject or could subject an owner of the TCE to potential liabilities under any federal, state or local law, statute, ordinance, regulation, rule, order, decree, or other governmental requirement that pertains to the regulation of Hazardous Substances and/or the protection of public health and safety or the environment, including, but not limited to, the ambient air, soil, soil vapor, groundwater, surface water or land use.

affecting the Property and relating to environmental compliance.

G. To the best of Grantor's knowledge there is no license, permit, option, right of first refusal or other agreement, written or oral, which affects the Property or any portion thereof.

H. To the best of Grantor's knowledge conveyance of the property rights described herein will not constitute a breach or default under any agreement to which Grantor is bound and/or to which the Property is subject.

Each of the above warranties and representations is material and is relied upon by City. Each of the above representations shall be deemed to have been made as of the date that the TCE is recorded, and shall survive for a period of two years following the date that the TCE is recorded. Any liability associated with the presence of any Hazardous Substances on or adjacent to any portion of the Property shall be governed by the provisions of section 12 below, regardless of whether any inspection, examination, sampling, testing, assessment or other investigation is conducted by City.

8. Indemnification. Each party (hereafter the "Indemnifying Party") agrees and covenants to indemnify, defend (with counsel acceptable to the other party, which consent shall not be unreasonably withheld), and hold the other party, and its officers, employees and agents, harmless from and against any and all liabilities, penalties, losses, damages, costs, expenses (including reasonable attorneys' fees, whether for outside or staff counsel), causes of action, claims, or judgments that arise by reason of any death, bodily injury, personal injury, property damage, or violation of any law or regulation resulting from any acts or omissions related to the performance of this Agreement or the occupancy or use of the Property (including, but not limited to, the use, storage, treatment, transportation, release, or disposal of Hazardous Substances on or about any portion of the Property), by the Indemnifying Party, its officers, employees, agents or any other person or entity employed by or acting on their behalf.

The parties further agree and understand as follows: a party does not, and shall not be deemed to, waive any rights against the other party which it may have by reason of the aforesaid indemnity and hold harmless agreement because of any insurance coverage available; the scope of the aforesaid indemnity and hold harmless agreement is to be construed broadly and liberally to provide the maximum coverage in accordance with their terms; no specific term or word contained in this Section 12 shall be construed as a limitation on the scope of the indemnification and defense rights and obligations of the parties unless specifically so provided. The provisions of this Section 12 shall survive the recording of any deeds hereunder.

9. Attorney Fees. Either party may bring a suit or proceeding to enforce or require performance of the terms of this Agreement, and the prevailing party in such suit or proceeding shall be entitled to recover from the other party reasonable costs and expenses, including attorney's fees.

Total Property Area: 550 square feet

Property to be Acquired: Full _____ Partial Fee _____ Temporary Easement

Basis of the Appraisal: The opinion of value for the property right proposed to be acquired by the City of Sacramento is based upon appraisal methods in accordance with accepted appraisal principles and procedures. The sales comparison approach was employed as the primary basis for the analysis and estimates of value necessary to the appraisal.

In developing the opinion of value for the proposed property right acquisition, an investigation was conducted that included: 1) a research of public records; 2) a review of pertinent maps, project environmental documents, zoning regulations, and preliminary title report; and 3) discussions with representatives of the City of Sacramento's General Services Department.

To estimate the value of the proposed property right acquisition, all relevant characteristics of the larger parcel were taken into account and compared to the most relevant market data available. The comparison took into account, but was not limited to the following items: 1) legal restrictions; 2) existing or potential highest and best use; 3) changes in market conditions since the sales dates; 4) location, and; 5) physical characteristics such as size, shape, access, identity, street improvements, availability of utilities, topography, and other relevant factors.

Effective Date of Value: The findings, conclusions, and the estimates of value are made valid as of 12/16/2008.

Interests Valued: Temporary Construction Easement

Current Property Use: Residential, Subdivision

Land Use Zoning (as indicated by public records): Res, Single Family in Subdivision

Highest and Best Use: City R1 – Single Family Residential

Value of Required TCE

A total consideration of \$250.00 is considered to be reasonable for the rights being acquired by the City in light of the marginal impact on the grantor's use of the indicated property within the TCE area.
