

RESOLUTION NO. 2009-168

Adopted by the Sacramento City Council

March 24, 2009

AWARDING CONTRACT FOR ACTIONS RELATED TO THE NORTH AREA CORPORATION YARD REMEDIATION

BACKGROUND

- A. In June 2003, the City of Sacramento purchased the property at 918 Del Paso Road for use as a north area corporation yard (NACY) for City operations (Resolution 2003-362). The property was formerly owned by Consolidated Freightways, a trucking company. Six underground storage tanks used to store fuel, oil, waste oil, and antifreeze existed on the site. There was known underground contamination at the fuel site from a documented diesel fuel release in 1987. The City of Sacramento did not fill or use any of the underground storage tanks from the date of purchase. The City assumed responsibility for cleaning up the site under the regulatory authority of the California Central Valley Regional Water Quality Control Board (Water Board).
- B. On January 18, 2009, the Department of General Services issued Bid No. B0913001551002 for implementation of hazardous waste clean up tasks for NACY. Pacific States Environmental Contractors, Inc. was determined to be the lowest responsive and responsible bidder.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

- Section 1. The construction plans and specifications for the excavation, treatment and disposal of diesel contaminated soils at NACY are approved and a one-year construction contract with a one-year renewal option is awarded to Pacific States Environmental Contractors, Inc., in an amount not to exceed \$850,516 for the two year period.
- Section 2. The City Manager or the City Manager's designee is authorized to execute the construction contract and renewal option specified above.
