May 19, 2009

Honorable Mayor and
Members of the City Council

Title: Contract: 2009 City Street Overlay Project (R15072014)

Location/Council District: Various Streets. Location map – Exhibit A and B of Resolution. (District 3,5,7)

Recommendation: Adopt a **Resolution:** 1) approving plans and specifications; 2) awarding the construction contract to Granite Construction Company for an amount not to exceed \$1,443,438; and 3) authorizing the City Manager to execute the contract.

Contact: Zuhair Amawi, Associate Civil Engineer, (916) 808-7620; Tim Mar, Supervising Engineer, (916) 808-7531

Presenters: None

Department: Transportation

Division: Engineering Services

Organization No: 15001131

Description/Analysis

Issue: Bids have been received for the 2009 City Street Overlay Project. Granite Construction Company is the lowest responsive and responsible bidder. City Council approval is necessary to move forward with awarding the construction contract.

Policy Considerations: This action requested herein is consistent with the Sacramento City Code, Title 3 and with the City of Sacramento Strategic Plan goals of sustainability and improving and expanding public safety. Approximately 23,000 recycled tires are to be used as part of this project.

Environmental Considerations: The Development Services Department, Environmental Planning Services Division has reviewed the proposed action and determined that the project is exempt from the provisions of the California Environmental Quality Act (CEQA) under Class 1, Section 15301(c) of the CEQA Guidelines. Class 1, Section 15301(c) consists of the maintenance, repair or minor alteration of existing highways, streets, sidewalks, curbs, gutters and similar facilities including road grading for the purpose of public safety.

Rationale for Recommendation: Granite Construction Company is the lowest responsive and responsible bidder. Project funding is sufficient to award the contract.

Financial Considerations: The 2009 City Street Overlay Project (R15072014) has a current budget of \$203,481 consisting of local transportation funds. There are no general funds planned or allocated for this project. The approval of the fund transfer in the amount of \$1,741,450 from the FY09 Street Overlay and Seals Program (R15072000) will increase the total project budget to \$1,944,931 with an unobligated balance of \$1,675,381. This balance will be sufficient to execute the contract for an amount not to exceed \$1,443,438 with Granite Construction Company and cover staff costs for the remaining construction management costs.

The approval of this project will support 41 jobs in the City of Sacramento based upon the model provided by the Federal Highway Administration (FHWA) of one new job for every \$35,000 of transportation project investment.

Emerging Small Business Development (ESBD): The ESBD goal is 20%. To encourage small and emerging business participation, plans and specifications were sent to 19 plan rooms and construction service organizations for publication. All are directly involved with Emerging and Small Business Enterprise (ESBE) construction firms. The project was also announced on the City's Project Internet site at www.cityofsacramento.org/bids. Granite Construction Company has achieved 22.3% ESBE participation.

Respectfully Submitted by: 
Nicholas Theocharides
Engineering Services Manager

Approved by: 
Jerry Way
Director of Transportation

Recommendation Approved:

for 
Ray Kerridge
City Manager

Attachment 1**Background Information:**

The 2009 City Street Overlay Project (R15072014) is an annual preventative maintenance program that extends the life of City streets and reduces the need for costly road reconstruction projects. Rubberized Asphalt Concrete overlay is being used to reduce noise and to extend pavement life. Approximately 23,000 tires are to be recycled as part of this project.

The project was advertised and bids were received on April 15, 2009. The bids are summarized below:

Contractor	Bid Amount	ESBE Participation Goal 20%
Granite Construction Company	\$1,443,438.00	22.3%
Teichert Construction Company	\$1,449,778.00	21.3%
DeSilva Gates Construction	\$1,505,835.00	17.6%
Martin General Engineering	\$1,771,614.00	92.5%
George Reed, Inc.	\$1,822,384.50	20.5%
JA Gonsalves & Son Construction, Inc	\$2,193,422.50	93.4%

The engineer's estimate is \$1,923,493.

It is recommended that the contract be awarded to Granite Construction Company for its lowest responsive and responsible bid.

Construction is expected to begin in June 2009 and be completed by October 2009.

Attachment 2**RESOLUTION NO.**

Adopted by the Sacramento City Council

**AWARDING CONTRACT FOR THE 2009 CITY STREET OVERLAY
PROJECT (R15072014)****BACKGROUND**

- A. The 2009 City Street Overlay Project (R15072014) is an annual preventative maintenance program that extends the life of City streets and reduces the need for costly road reconstruction projects. Rubberized Asphalt Concrete overlay is being used to reduce noise and to extend pavement life. Approximately 23,000 recycled tires are to be used as part of this project.
- B. The project was advertised and bids were received on April 15, 2009. The bids are summarized below:

Contractor	Bid Amount	ESBE Participation Goal 20%
Granite Construction Company	\$1,443,438.00	22.3%
Teichert Construction Company	\$1,449,778.00	21.3%
DeSilva Gates Construction	\$1,505,835.00	17.6%
Martin General Engineering	\$1,771,614.00	92.5%
George Reed, Inc.	\$1,822,384.50	20.5%
JA Gonsalves & Son Construction, Inc	\$2,193,422.50	93.4%

The engineer's estimate is \$1,923,493.

- C. Construction is expected to begin in June 2009 and be completed by October 2009.

**BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL
RESOLVES AS FOLLOWS:**

- Section 1. The plans and specifications for the 2009 City Street Overlay Project (R15072014) are approved.

Section 2. The contract is awarded to Granite Construction Company for an amount not to exceed \$1,443,438.

Section 3. The City Manager is authorized to execute a contract with Granite Construction Company in the amount of \$1,443,438 for the 2009 City Street Overlay Project (R15072014).
