Presenters: Not Applicable

Department: Finance Department

Division: Public Improvement Financing

Organization No: 06001321

Description/Analysis

Issue: The existing district is required by the Property and Business Improvement District Area Law of 1994 to present an annual budget for City Council approval. Approval of the district's annual budget will authorize the City to collect assessments in the amount sufficient to provide funding for economic development, marketing, safety programs and maintenance services within the Downtown Sacramento PBID area for FY2009/10.

Policy Considerations: The annual proceedings for this district are being processed as set forth in section 36600 to 36671 of the California Streets and Highways Code, entitled "Property and Business Improvement District Law of 1994." This process is consistent with the City's Strategic Plan 3 Year Goals to "achieve sustainability and enhance livability" and to "expand economic development throughout the City."

Environmental Considerations: Under the California Environmental Quality Act (CEQA) guidelines, annual proceedings of a Special District do not constitute a project, and are therefore exempt from review.

Sustainability Considerations: There are no sustainability considerations applicable to the formation process or administration of a special district.

Committee/Commission Action: None

Rationale for Recommendation: The actions in the recommended Resolution are required by the California Streets and Highways Code, which is codified as part 7 (beginning with section 36600) of division 18.

Financial Considerations: Financing will be provided by levy of assessments upon real property that benefits from improvements and activities. The PBID does not plan to issue bonds. The City of Sacramento participates as a property owner in the district. City owned properties will have a total annual assessment of approximately \$411,000. Proceeds to pay for City Assessments are derived from special designated funds.

The PBID assessment budget for FY2009/10 is \$2,303,071 and represents a 5.4% increase over the current year (Details on Exhibit "B", page 11). The Downtown Sacramento PBID will receive an approximate total of \$2,298,224. The remaining \$4,847 will be retained by the City to cover City administration cost.

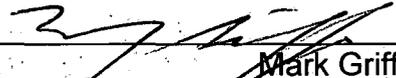

Program	Budget	% of Total
Public Safety	\$951,795	41.3
Maintenance Program	\$638,829	27.8
Economic Development & Marketing	\$682,078	29.6
Old Sacramento Additional Activities	\$30,368	1.3
Total	\$2,303,071	100

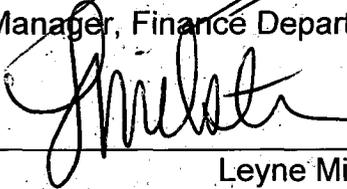

The properties within the district are categorized in four benefit zones. The assessment rates for each zone is based on the levels of service and benefit received. Annual Assessments are based upon calculation of lot square footages plus building square footage within each benefit zone.

Zone	Sub-District Name	FY2009/10 Max Authorize Tax Cost/Sq.Ft./Parcel	FY2009/10 Max Authorize Tax Cost/Sq.Ft./Bldg.

C	3. Old Sacramento	\$0.1680	\$0.0840
D	4. Capitol Mall / Plaza	\$0.0506	\$0.0253

Formal amendment to the City's FY budget 2009/10 will be brought under separate action after adoption of the Citywide budget.

Emerging Small Business Development (ESBD): City Council approval of these proceedings is not affected by City policy related to the ESBD Program.
