Description/Analysis

Issue: The City has an ongoing requirement for advertising services. The City's official newspaper is responsible for printing and publishing all ordinances, resolutions, notices, regulations and advertisements of any nature that may be required by any agent of the City. The current contract (No. 2008-1049) expires on June 30, 2009. Procurement Services has competitively bid and advertised for a replacement contract and recommends that a contract be awarded based on the results of Invitation for Bid (IFB) No. B093246041.

Policy Considerations: The recommendations in this report are in accordance with provisions of City Code section 3.56.260.

Commission/Committee Action: None

Environmental Considerations:

California Environmental Quality Act (CEQA): This project has been determined to be exempt from the requirements of CEQA, under Section 15061(b) (3), which states that CEQA applies only to projects which have the potential for causing a significant effect on the environment and Section 15378(b) (2), which states that CEQA review is not required for continuing administrative or maintenance activities.

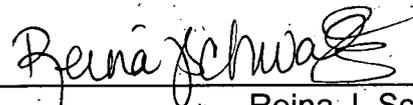

Sustainability Considerations: Not applicable

Rationale for Recommendation: On March 25, 2009, the Procurement Services Division, in accordance with City Code section 3.56, issued IFB No. B093246041 for advertising services. Nineteen prospective bidders downloaded the bid from the City's Contracting Opportunities website. Two bids were received in response to the solicitation. One bid was deemed non-responsive. The other bidder, The Daily Recorder, was determined to be the lowest responsive and responsible bidder. The Daily Recorder is the incumbent contractor and has performed in a satisfactory manner on past contracts.

Financial Considerations: Funding for this service will be provided by the various department operating budgets or capital improvement project (CIP) budgets that utilize the service. The contract term will begin on July 1, 2009 and expire on June 30, 2010. During FY2008/09, \$29,566 was spent on advertising services. Staff has anticipated costs for FY2009/10 to be \$35,000 but has included a contingency to allow for unanticipated projects to be advertised. Sufficient funding is available in the FY2009/10 operating and CIP budgets for advertising services through June 30, 2010.

Emerging Small Business Development (ESBD): The Daily Recorder is not certified with the City of Sacramento as an emerging/small business enterprise.
