Description/Analysis

Issue: On March 27, 2009, two (2) members of CA TF-7 were activated by the Department of Homeland Security/Federal Emergency Management Agency (DHS/FEMA) for response to the North Dakota Floods. As the sponsoring agency for CA TF-7, US&R program, the City of Sacramento must sign the DHS/FEMA Assistant Award/Amendment contract (EMW-2008-CA-1498, Amendment M004) in the amount of \$56,000, to receive reimbursement for costs associated with this deployment.

Policy Considerations: Acceptance of the federal US&R funding is consistent with City Council action relative to state and federal grant awards.

July 14, 2009

Environmental Considerations:

California Environmental Quality Act (CEQA): Ongoing administrative maintenance activities, such as purchases of supplies, equipment or materials which are not made for purposes of a public construction project, do not constitute a "project" and are exempt from the California Environmental Quality Act (CEQA). CEQA Guidelines, Section 15061(b)(1), 15378(b)(3).

Sustainability Considerations: There are no sustainability considerations applicable to the acceptance of federal funding reimbursing DHS/FEMA directed activities.

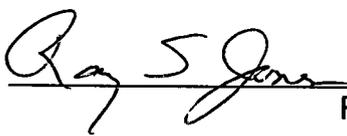

Commission/Committee Action: None.

Rationale for Recommendation: DHS/FEMA Assistant Award/Amendment contract (EMW-2008-CA-1498, Amendment M004) in the amount of \$56,000, must be signed and submitted to DHS/FEMA to receive reimbursement for costs associated with the North Dakota Flood deployment. (The contract EMW-2008-CA-1498, Amendment M004 is on file and available for review online at the City's website and in the Office of the City Clerk.)

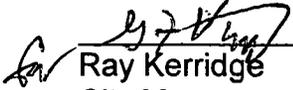

Financial Considerations: As the sponsoring agency, the City Of Sacramento incurs costs related to the activation of the CA TF-7 US&R team. DHS/FEMA reimburses expenses directly related to the activation of the team, for each event they are deployed. This is an amendment to the new agreement for deployments beginning in 2008. This amendment allows DHS/FEMA to obligate \$56,000 of federal funds (Fund 2702) to cover expenses incurred by the City in its response to North Dakota Floods.

Emerging Small Business Development (ESBD): Only labor expenses have been incurred under this report, through agencies on current MOA agreements.
