Description/Analysis

Issue: This report recommends the City Council authorize the City Manager, or his designee, to enter into MOAs with participating agencies and affiliated individuals for the purposes of member participation in task force activities. These MOAs establish legal relationships between the City, as the sponsoring agency for CA TF-7 US&R Task Force, and other agencies and individuals for reimbursement of task force related expenditures with federal funds.

CA TF-7 member positions are comprised of members of the City of Sacramento Fire Department, as well as other participating agencies and affiliated individuals. These positions operate under the management of the CA TF-7 program office and are responsible for attending training with the intention of being prepared for deployment scenarios as instructed by DHS/FEMA.

Policy Considerations: Authorizing the acceptance of these MOAs for participating agencies, and affiliated individuals, is consistent with prior council decisions supporting participating in local, statewide and national disaster assistance programs.

Environmental Considerations:

California Environmental Quality Act (CEQA): Ongoing administrative maintenance activities, such as purchases of supplies, equipment or materials which are not made for purposes of a public construction project, do not constitute a "project" and are exempt from the California Environmental Quality Act (CEQA). CEQA Guidelines, Section 15061(b)(1), 15378(b)(3).

Sustainability Considerations: There are no sustainability considerations applicable to the approval of these MOAs for the participation of agencies, and affiliated individuals, for the purposes of member participation in DHS/FEMA US&R task force activities.

Commission/Committee Action: None.

Rationale for Recommendation: The City of Sacramento Fire Department, represents the City as the sponsoring agency of CA TF-7 US&R Team, and is responsible for managing annual cooperative agreements for the purpose of organizing, equipping, maintaining the specialized equipment cache, training task force personnel, and mobilizing the team upon DHS/FEMA activation.

This report requests the authorization of the City Manager, or his designee, to execute the recommended Memorandum of Agreement with Kaiser Permanente (participating agency). See Exhibit A: "Listing of documents available for review on the City of Sacramento's web site (<http://www.cityofsacramento.org/clerk/council-agendas>) and on file with the City Clerk's Office".

Financial Considerations: This report does not require any new funding from FEMA or the City's General Fund. As the sponsoring agency, the City of Sacramento incurs operational and deployment costs related to the CA TF-7 US&R team. Costs associated with these MOAs are reimbursable by DHS/FEMA through an annual operational grant (Fund 2702). Additionally, DHS/FEMA reimburses expenses directly related to the activation of the team, for each event they are deployed, through Assistance Award/Amendments (Fund 2702).

Emerging Small Business Development (ESBD): These agreements do not include the procurement of goods or services.
