

RESOLUTION NO. 2009-460

Adopted by the Sacramento City Council

July 14, 2009

ACCEPTANCE OF GRANT FUNDING FROM THE CALIFORNIA EMERGENCY MANAGEMENT SERVICES' PROJECT SAFE NEIGHBORHOOD/ANTI-GANG INITIATIVE PROGRAM

BACKGROUND

- A. The California Emergency Management Services' Project Safe Neighborhood/Anti-Gang Initiative Program provides funding to local law enforcement agencies for public safety purposes.
- B. The Police Department plans to utilize this funding to purchase ballistic analysis equipment.
- C. It is in the City's best interest to suspend competitive bidding and purchase the BRASSTRAX-3D ballistics analysis system from Forensic Technology WAI, Inc. because (1) Forensic Technology is the only supplier of the equipment that has been approved by the Bureau of Alcohol Tobacco and Firearms (ATF) and the crime lab; (2) the crime lab would be unable to examine and verify ballistics results without using the same technology and 3) The granting agency requires that this brand of equipment be used.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

- Section 1. The City Manager, or designee, is hereby authorized on behalf of the City of Sacramento to accept \$120,731 in grant funding from the California Emergency Management Services' Project Safe Neighborhood/Anti-Gang Initiative program.
- Section 2. The City Manager, or designee, is hereby authorized to establish a new grant project for the \$120,731 grant from the California Emergency Management Services' Project Safe Neighborhood/Anti-Gang Initiative program.
- Section 3. The City Manager, or designee, is hereby authorized to adjust the necessary grant revenue and expenditure budgets to implement the \$120,731 grant from the California Emergency Management Services' Project Safe Neighborhood/Anti-Gang Initiative program.
- Section 4. In the best interests of the City, competitive bidding is hereby suspended for the purchase of the BRASSTRAX-3D ballistics analysis system from Forensic Technology WAI, Inc.

Section 5. The contract for the purchase of the BRASSTRAX-3D ballistics analysis system is awarded to Forensic Technology WAI, Inc. for an amount not to exceed \$141,857.
