Description/Analysis

Issue: The collective bargaining agreement for AFSCME expired on December 19, 2008, and covers 98 Agency employees. The Agency began the collective bargaining process with AFSCME in August 2008 and reached a tentative agreement with the negotiating committee on May 4, 2009. Due to uncertain economic times AFSCME, as part of the new contract, has agreed to no Cost of Living (COLA) increase for 2009. In addition, AFSCME has also agreed to significant changes regarding hours of work, reduced work schedules, and voluntary furloughs. Therefore, this report recommends that the City Council, Housing Authority, and Redevelopment Agency of the City of Sacramento approve the attached agreement covering Agency employees in the Operations and Maintenance, and General Clerical and Service units (AFSCME) for the period of January 1, 2009, through December 31, 2012. operating statement, certified as to accuracy by its president and treasurer or corresponding principal officer, or by a certified public accountant. The Union, if required to file financial reports under the Labor-Management Disclosure Act of 1959 covering employees governed by this Agreement, or if required to file financial reports under Section 3546.5 of the Government Code, shall instead provide the Agency with a copy of such financial reports.

f. Hold Harmless

The Union shall promptly refund to the Agency any amounts paid to the Union in error under this Section.

The Union expressly agrees to indemnify and hold the Agency harmless from any and all claims, demands, costs (including any costs incurred by the Agency in defense of a lawsuit), expenses, damages or other monetary losses arising out of or in any way connected with any action or inaction of the Agency in the adoption or administration of this Section. The Union shall accord fair representation in all matters to all employees in the Unit without regard to whether the particular employee is a member of the Union. The duty of fair representation shall include, but not be limited to, all matters related to collective bargaining, discipline, contract administration, and grievance processing.

In addition, the representatives and the Union President, or his/her designated representative, may privately interview employees, one at a time, in possession of facts relevant to the grievance. The interviews shall be held at a place provided by the Agency and for a reasonable period of time.

g. During any such visits, representatives shall not in any way interfere with the orderly and efficient operation of the Agency.

h. Notwithstanding the provisions of this Article and Article 4, Grievance and Arbitration Procedure, on all matters relating to grievances and the interpretation of this Agreement, the Agency shall deal with only the accredited Union stewards who are career employees and those Union officers elected by the general membership of Local #146. Further, the provisions of Section 3.3(d) shall apply to only such persons (including a paid full-time Local or International Union staff representative).

i. Notwithstanding any provision of this Section, in the event the full agency shop becomes effective for either Unit during the term of this Agreement, the Union stewards for that Unit shall have no extensive designated responsibilities and shall not conduct any Union or representational activities, including grievance handling, on Agency time unless prior approval is expressly granted by Agency management.

b. The Agency shall provide the Union with a list of bulletin boards with adequate space for Union notices. These same bulletin boards shall be utilized for the posting of job examination announcements and seniority lists.

c. In the event a dispute arises concerning the appropriateness of material posted, the President of the Union will be advised by the Human Resources Director of the nature of the dispute and the notices will be removed until the dispute is resolved.

3.7 LIST OF EMPLOYEES

Upon request of the Union, the Agency will provide the Union with a list of employees, by organization number, covered by this Agreement. The Agency shall not be obligated to provide such list more than once per calendar month.

3.8 USE OF AGENCY MAIL SYSTEM

The Union will be permitted reasonable use, not to exceed once per calendar month, of the Agency's mail system for Union materials to employees covered by this Agreement. The mail code shall be clearly marked on the envelope for such mail. The Agency shall not be held responsible for untimely or lost mail.

3.9 USE OF FACILITIES

The Union can use Agency conference rooms and similar facilities for meetings with bargaining unit employees. The union agrees to provide advance notice to the Agency when requesting use of Agency facilities. Advance notice is, as soon as possible, however normally not less than five (5) business days in advance. The Union shall make such notice to the appropriate Agency official. 4.2 INTENT

It is the intent of the parties to this Agreement to anticipate and diminish causes of grievances and to settle any which arise, informally at the lowest practicable level of supervision, and as fairly and promptly as possible. Therefore, it is agreed that there should be time limits between the initiation of a grievance and its occurrence, between steps of the grievance procedure, and the time in which each answer must be given. Any grievance not initiated, or pursued by the Union, aggrieved employee, or the Agency, as the case may be, within these time limits, will be considered settled on the basis of the last timely demand or answer by the Agency, as the case may be, unless the time is extended by agreement of both parties. At each step of the grievance procedure, the Agency shall make available information necessary and pertinent to the processing of the grievance, except for any material which, in the Agency's discretion

must, in the public interest be kept confidential or which is intimate and private to the grieving employee.

4.3 PROCEDURE

Grievances will be processed in the following manner and within the stated time limits.

4.4 GRIEVANCE TIMELINES AND LIMITATIONS

No matter shall be considered as a grievance unless it is presented in writing within thirty (30) calendar days after the occurrence of the events on which the grievance was based. It is the intent of this provision that a grievance shall be filed as soon as practicable. Grievance resolutions involving back pay are limited to thirty (30) calendar days prior to the date the grievance was filed. The only two exceptions are if there is mutual agreement by the parties to waive this provision, or for pay discrepancies that are supported by appropriate documentation.

If the Agency does not meet the time limits, the Union may process the grievance to the next step. Time limits at each step may be waived or extended by mutual agreement of the parties.

4.5 INFORMAL GRIEVANCE

The aggrieved employee or group of employees or a representative of the Union shall orally present the grievance to the employee's appropriate supervisor or his/her designated representative within thirty (30) calendar days following the occurrence of events on which the grievance is based. The supervisor shall respond to the grievant(s) or union representative within ten (10) working days of the date of presentation of the grievance.

4.6 FORMAL GRIEVANCE - STEP 1

a. If the grievance is not resolved under Section 4.5, it shall be reduced to writing, setting forth the alleged facts or circumstances giving rise to the grievance, the applicable Section of the Agreement asserted to have been violated and the remedy or correction requested of the Agency. The written grievance must be dated and signed by the aggrieved employee.

b. The written grievance must be presented to the aggrieved employee's Department Head or the Department Head's designated representative, within ten (10) working days after the supervisor's response under Section 4.5.

c. The Department Head or designated representative shall establish a time for a grievance meeting with the aggrieved employee and/or the Union representative to occur within ten (10) working days after receipt of the written grievance in an attempt to resolve the matter. At the grievance meeting, the Department Head or designated representative shall receive such evidence relevant to the grievance as the aggrieved employee and/or Union representative may wish to introduce.

d. The Department Head or designated representative shall then consider the evidence received and render a written decision within ten (10) working days after the grievance meeting.

4.7 FORMAL GRIEVANCE - STEP 2

a. If the grievance is not satisfactorily resolved at Step 1, the written grievance may be presented to the Executive Director or the Executive Director's designated representative within ten (10) working days after receipt of the Department Head's written answer. The Executive Director or designated representative shall investigate and receive such evidence in the matter as seems just and proper and may meet with the aggrieved employee and/or the Union representative in an attempt to resolve the grievance.

b. The Executive Director or designated representative shall then consider the evidence received and render a written decision on the grievance within twenty (20) working days after receipt of the written grievance by the Executive Director.

c. If the grievance is not resolved at Step 2, by mutual agreement of the parties, the matter may be referred to mediation by the California State Mediation and Conciliation Service.

4.8 FORMAL GRIEVANCE - ARBITRATION

a. Grievances not settled in Step 2 of the Grievance Procedure may be referred to arbitration by either party. Request for arbitration shall be made in writing within ten (10) working days after the Executive Director's response is given.

b. An impartial arbitrator shall be selected jointly by the Agency and the Union within thirty (30) working days of receipt of the request. The parties shall attempt to mutually agree on an arbitrator. If the parties cannot agree on an arbitrator, they shall immediately make a joint request of the State Mediation and Conciliation Service for a list of five (5) qualified arbitrators. The parties shall each strike two (2) names from the list and the remaining person shall be accepted as the arbitrator. The arbitrator shall have access to all written statements and documents relevant to the grievance.

c. The arbitrator shall render his/her decision no later than sixty (60) days after the conclusion of the final hearing. Such decision shall be made in writing and shall be final and binding on both parties and made in accordance with, and in conformance to, the terms of this Agreement. Copies of the decision will be furnished to both parties.

d. The arbitrator shall have no authority to add to, delete, or alter any provision of this Agreement, but shall limit his/her decision to the scope, application and interpretation of the provisions of this Agreement and shall make no decisions in violation of existing law.

e. The fees and necessary expenses of any arbitration proceedings shall be shared equally by both parties, except that each party shall pay the fees of its own

counsel and/or representative. The Agency agrees that employees shall not suffer loss of compensation for time spent as a witness at an arbitration hearing held pursuant hereto. The Union agrees that the number of witnesses requested to attend and their scheduling shall be kept to a reasonable minimum.

f. The Union and the Agency shall provide, in writing, the names of such witnesses and Union representative (SHRA Employee) attending the arbitration proceedings at least one (1) week in advance of the proceedings. No pay shall be provided to the witnesses or Union representative (SHRA Employee) if the Union or grievant fails to provide the one (1) week advance notice.

If an employee fails to meet this criterion the Agency shall deduct from the employee's paycheck the amount equal to the Agency contribution, in addition to any other employee deductions for health and dental insurance. If this deduction from the employee's paycheck cannot be made in its entirety, it is the responsibility of the individual employee to pay for the remaining amount. 6.3 HEALTH INSURANCE PREMIUM ADVANCE

A regular employee who is on worker's compensation and who has exhausted all leave balances and is on leave without pay, may request that the Agency continue elected coverage limited to the Agency's medical plan by advancing payments during such leave. 6.9 STATE DISABILITY INSURANCE

a. The Agency shall maintain State Disability Insurance (SDI) at the employee's cost for employees in classifications represented by the Union.

b. The intent of this program is to enable eligible employees who file for their SDI benefits in accordance with applicable rules and procedures to integrate such SDI benefits with their own available leave balances. Integration is where the SDI benefit and the monetary value of the employee's leave balance combine to provide a bi-weekly adjusted net income which is equivalent to 100% of the employee's regular net income so long as available leave balances and SDI eligibility permits. The regular net income is the employee's gross income, less any required deductions such as taxes, retirement and SDI insurance premiums, as well as any other mandatory deductions. Other employee authorized deductions shall be deducted from the resultant net pay.

c. Eligible employees will use State Disability Insurance on an integrated basis with Agency leave benefits providing for holiday time, sick leave, vacation, compensating time off and holiday in lieu time in that order. This provision is an exception to the current policy which otherwise requires exhaustion of all accrued leave balances before a request for a leave of absence without pay can be considered.

d. Integration of SDI with accrued leave balances will require detailed procedures which the Agency shall, in its sole discretion, implement to insure the equitable application of the program consistent with this Agreement provision.

e. Integration of SDI with accrued leave balances shall take place subject to the following conditions:

- (1) Integration with Agency leave benefits will begin when either of the following actions occur:
 - (a) The employee contacts the Human Resources Department to establish a date for integration to begin. In the event that an employee is unable to so notify the Agency, contact from

the employee's spouse, parent, or another close family member will be sufficient.

Upon contacting the Human Resources Department, the employee must immediately file for SDI with the State of California. If the Agency does not receive the appropriate notification from the State of California prior to the end of the integration, the Agency will reverse the integration process and will treat the period of time as though no integration occurred.

- (b) Receipt of the notice of eligibility from the State of California. If the employee chooses not to contact the Human Resources Department as outlined in subsection (i) above, it is recommended that he/she file for SDI as soon as possible. No integration under this option can occur until the Agency receives the notification from the State.
- (2) When the employee's eligibility is established, the Agency shall make leave payments to the employee in the usual manner except that the net pay, including SDI benefits and net Agency pay, shall not exceed 100% of the regular net pay. If SDI benefits equal or exceed 100% of the regular net pay, no Agency payment shall be made.
- (3) Special pay allowances not of a permanent nature, such as overtime compensation or higher duty assignment pay, shall not be counted in determining the employee's gross or net pay.
- (4) Sick leave and vacation shall not accrue during the period of integrated SDI in which the employee receives SDI payments unless there are hours of work. The employee shall receive a prorated accrual based on the number of hours actually worked. Service credits toward seniority and step increase eligibility shall be accrued during any pay period during which an employee is on the integrated leave and SDI program.
- (5) Any period of absence during which an employee is receiving SDI benefits but is not receiving leave integration payments shall be deemed a leave of absence without pay.
- (6) If the employee exhausts all available leave balances but continues on SDI, the Agency compensation shall cease.
- (7) The Agency shall continue its contributions toward the employee's health, dental, life and retirement contributions in accordance with established laws and practices during the pay periods which include Agency payment for integrated leave balances. The employee shall be responsible for payment of premiums required to

maintain medical insurance coverages when Agency contributions cease.

- (8) Eligible part-time or temporary employees shall be included in this program on a pro rata basis.

f. In the event the Agency determines that legislative, administrative or judicial determinations cause changes which in any way restrict, reduce or prohibit this program operation, it shall immediately and automatically terminate.

a. The workweek for the Agency employees shall begin at 12:01 a.m., Saturday and end at 12:00 midnight the following Friday. Regular full-time employees' workweek shall consist of forty (40) working hours during the seven (7) day period, unless otherwise allowed by other contract language.

b. The appointing authority may adjust hours of work, the workweek and lunch periods. Prior to a change in lunch periods, hours or workweek, the Agency shall give the employee and the Union fifteen (15) workdays notice. If the Agency fails to provide the fifteen (15) days notice, the employee shall be compensated at a rate of one and one-half (1-1/2) times the employee's normal rate of pay for a period of fifteen (15) workdays.

- (1) Prior to a change in hours of work, the workweek and lunch periods, the Agency shall first ask for volunteers by work location;

- d. For the purposes of computing overtime, sick leave shall not be considered as time worked.
- e. Within each job classification, qualified regular employees on a job site shall be offered overtime work prior to the offering of overtime work to qualified other employees. Completion of a started assignment shall be the prime factor in the assignment of overtime work.

7.3 COMPENSATORY TIME OFF (CTO)

- a. CTO instead of cash compensation for overtime may be granted, at the request of the employee and approval of the appointing authority, at the rate of one and one-half (1-1/2) hours paid leave for each overtime hour worked.
- b. All CTO balances over eighty (80) but less than three hundred twenty (320) hours as of the pay period that includes December 31 will be paid annually on the third payday in the following year. Balances in excess of three hundred twenty (320) hours will be paid bi-weekly.

- d. A part-time employee may request to change to full-time employment by giving written notice to the Human Resources Department. Employees submitting such written request will be changed to full-time employment as vacancies in regular positions occur within their current classification. The part-time employee who has the

earliest dated request to change to full-time employment will be given the first available vacancy.

e. The salary of part-time employees shall be prorated based on the number of hours worked. Vacation, sick leave, holiday and insurance benefits will be as stated in those sections of this Agreement.

7.5 VOLUNTARY WORK FURLOUGH/REDUCED WORK WEEK

The Agency may establish a Voluntary Furlough/Reduced Work Week Policy for regular full-time employees. The voluntary work furlough/reduced work week may consist of a full day of unpaid leave on a variable schedule or a work schedule which is modified on a regular fixed basis to less than forty (40) hours per week. Employees shall apply for participation in the program pursuant to the conditions set forth in the rules and procedures governing the Agency program.

7.6 REST PERIODS

Employees will be allowed paid rest periods not to exceed fifteen (15) minutes during each four (4) consecutive hours of work. Rest periods may not be accumulated. Such rest periods will not be scheduled within one hour of the beginning or the end of the workday or lunch period.

Any request for a leave of absence longer than the actual period of illness, disability, or pregnancy-related disability, up to the one year maximum from the date the initial leave began under Section 8.5(a)(1), must be approved by the Executive Director or designee, and will be considered a leave under Section 8.5(a)(5).

d. A regular employee on an unpaid leave of absence for one (1) year or less is eligible to return to his/her current or similar classification upon request by the

employee. In all other cases the employee on leave shall not be returned to the position he/she vacated unless that position is open at the time he/she is released to return to work. He/she shall, however, be granted preferential hiring rights for a period of one (1) year to a similar job classification.

Safety Standards for Head, Eye and Respiratory Protection, and the prescription shall not be more than twenty-four (24) months old.

d. The cost of any eye examination and special or cosmetic frames shall be paid by the employee.

The Mail/Photocopy Services Clerk shall be provided five (5) pant and five (5) shirt changes per week.

ARTICLE 14 – MISCELLANEOUS

14.1 DISCRIMINATION CLAUSE

The Agency and the Union agree not to unlawfully discriminate against any employee and/or member on the basis of age, sex, marital status, religion, race, color, creed, national origin, political affiliation, Union membership or activity, handicap or sexual orientation.

14.2 SAVING CLAUSE

If any parts of the Agreement are found to be illegal, such illegality shall not in any way invalidate any other parts of this Agreement.

14.3 STRIKES AND LOCKOUTS

For the duration of this Agreement the Union and its members agree that it shall not call, sanction or engage in any strike, slowdown, suspension or stoppage of work activity, and the Agency agrees that it shall not cause or engage in any lockout.

14.4 CLASSIFICATION STRUCTURE CHANGES

The Agency agrees to advise the Union in writing at least thirty (30) days prior to the implementation of any change in the employer's existing classification structure affecting classifications represented by the Union.

14.5 CONTRACTING-OUT
