Description/Analysis

Issue: This report requests approval of a \$950,000 loan to Transitional Housing and Community Support, Inc. (TLCS) for the rehabilitation of Palmer Apartments, an existing apartment complex built in 1977 and located at 3131 Palmer Street in the City of Sacramento. TLCS has operated the facility since 1985 and has owned the facility since 1999. A site map is included as Attachment 1.

There have been no significant improvements to Palmer Apartments in over forty years, and the facility is greatly in need of the planned rehabilitation. Proposed improvements include new roofs, decking, siding where necessary, windows, repainting the building exterior and interior, new flooring and remodeled bathrooms. Kitchen cabinets and counters will be resurfaced and new built-in appliances will be installed where required. The rehabilitation will also include a number of energy efficiency features.

Approval of Loan for Palmer Apartments

In addition, the rehabilitation will greatly improve privacy for the current 48 residents by converting fifteen two-bedroom rental units and one unit currently used as an office into fourteen three-bedroom rental units, one four-bedroom rental unit, and one two-bedroom rental unit.

When the rehabilitation of the facility is complete, Palmer Apartments will provide housing for up to 48 homeless single adults with serious psychiatric disabilities. Tenants have little or no income while residing at Palmer Apartments but pay 30 percent of their income towards rent.

A summary of the sources and uses of project funds is included as Attachment 3. A cash flow proforma is included as Attachment 4. A schedule of maximum rents and income levels is included as Attachment 5.

Policy Considerations: This project meets the goals of the Ten Year Plan to End Chronic Homelessness by providing safe, decent, and affordable transitional housing which is used as a springboard to permanent supportive housing for homeless individuals.

Environmental Considerations:

California Environmental Quality Act (CEQA): The proposed action is exempt from environmental review under the California Environmental Quality Act ("CEQA") Guidelines Section 15301(a) and (d), which exempts rehabilitation of existing buildings to upgrade the structures to meet health and safety standards.

Sustainability Considerations: The Palmer Apartments Project has been reviewed for consistency with the goals, policies and targets of the Sustainability Master Plan and the 2030 General Plan. If approved, the project will advance the following goals, policies and targets: (1) Goal number one – Energy Independence, specifically by reducing the use of fossil fuels, improving energy efficiency, and replacing or renovating obsolete energy or resource inefficient infrastructure, (2) Goal number four – Material Resources, specifically by encouraging the reuse and local recycling of materials during rehabilitation, (3) Goal number six – Urban Design, Land Use, Green Building, and Transportation specifically by introducing "green" building features into the rehabilitation of the Project.

Committee/Commission Action: *Sacramento Housing and Redevelopment Commission:* At its meeting on July 1, 2009, the Sacramento Housing and Redevelopment Commission voted to support Staff's recommendation. The votes were as follows:

AYE: Burruss, Chan, Fowler, Gore, Morton, Otto, Rosa, Shah, Stivers

NOES: None

ABSENT: Dean, Morgan

Approval of Loan for Palmer Apartments

Rationale for Recommendation: Palmer Apartments provides transitional housing for formerly homeless adults. It has been an excellent stepping stone for individuals who eventually graduate into permanent supportive housing. The project enhances the community's ability to meet the goals of the Ten Year Plan to end Chronic Homelessness. Staff supports the rehabilitation of the Palmer Apartments development and recommends approval of the \$950,000 deferred loan with the stipulation that, with the exception of a portion of the developer fee, Agency funds not be released prior to the California Department of Housing and Community Development (HCD) Emergency Housing and Assistance Program Capital Development (EHAPCD) funds being available to TLCS.

Financial Considerations: Staff recommends approval of a budget amendment of up to \$950,000 in City Tax Increment Low/Moderate Aggregated funds.

The deferred loan will have an interest rate of zero percent (0%) and a term of thirty (30) years. Funding will be released to the Developer only upon presentation of invoices or similar documentation.

M/WBE Considerations: Minority and Women's Business Enterprise requirements will be applied to all activities to the extent required by federal funding.

Palmer Apartments Background Information

Description of Development: The Homeless Transitional Housing Program (aka Palmer Apartments) provides transitional housing for 48 homeless single adults with serious and persistent psychiatric disabilities. Palmer currently includes fifteen two-bedroom rental units, a community room, offices and meeting spaces for use by supportive services staff assigned to the facility. Palmer is the only program in Sacramento County offering transitional housing exclusively for homeless mentally ill adults.

Palmer is a cooperative apartment setting which provides safe, affordable housing, independent living skills training and mental health recovery support. The staff assists adults with psychiatric disabilities who were formerly homeless. Clients are able to live in shared, low-cost housing for up to twelve months. During this time, clients are developing skills and supports which will assist them to live successfully upon leaving the program.

The planned renovation includes converting the fifteen current two-bedroom rental units and one unit currently used as an office, into fourteen three-bedroom rental units, one four-bedroom rental unit and one two-bedroom rental unit, which will greatly improve the privacy of the residents. Additional improvements include new roofs, decking, siding where necessary, windows, repainting the buildings exterior and interior along with flooring and remodeled bathrooms. Kitchen cabinets and counters will be resurfaced, and new built-in appliances will be installed where required.

The Agency requires installation of a security camera system and lighting adequate to properly illuminate the parking and all common spaces.

Improvements are also planned for the community room and adjacent staff offices which are utilized by residents and on-site supportive services staff. These changes will provide improved privacy for residents and renovations include making the restrooms in the offices handicapped accessible.

All planning entitlements have been approved. The construction contract for the project has been competitively bid and a general contractor has been selected. In addition to the funding requested of the Agency, TLCS has a \$1 million funding commitment from California Housing & Community Development (HCD) through HCD's Emergency Housing and Assistance Program Capital Development (EHAPCD) Program which accounts for just over one half of the total project funding commitments.

Developer: The developer is Transitional Living and Community Support, Incorporated (TLCS), a nonprofit 501(C) (3) corporation that provides nonprofit psychosocial rehabilitation services. TLCS is experienced in the ownership and operation of multifamily housing for special needs populations. In addition, TLCS provides case management services, transitional housing, and permanent supportive housing for homeless single adults with a psychiatric disability. TLCS provides case management services to residents of three downtown single room occupancy developments.

Approval of Loan for Palmer Apartments

TLCS, which began operation in 1981, has more than 100 employees offering an array of emergency, transitional and permanent housing to individuals with psychiatric disabilities. TLCS provides services to more than 2,100 individuals annually.

Property Management: TLCS manages a variety of housing types which are home to formerly homeless individuals with a psychiatric disability. Developments include Carol's Place, a 22-bed short-term residential facility for homeless adults with a psychiatric disability as well as five downtown cooperatives which provide permanent supportive housing for individuals to live cooperatively and reduce the stress and expense of independent living.

Services: All clients who come to Palmer Apartments come from TLCS Carol's Place program. The typical length of stay for a resident at Palmer Apartments is up to one year. While at Palmer Apartments the needs and mental health status of the individual are evaluated, as staff interacts with residents on a daily basis. Each resident has at least three formal meetings per week with staff. The team meetings are run by a Licensed Clinical Social Worker to ensure a sound integration of clinical assessment into the individual service plans.

Palmer is staffed 24 hours/7 days per week with six full-time equivalent (FTE) Program Advisors and one full-time Program Manager. That is a ratio of one staff person to eight residents. As Palmer Apartments is a 24 hour staffed facility, the staff person on duty is responsible for all residents and situations that may occur.

TLCS provides a comprehensive array of services which include individual goal planning to address mental health and physical health needs, financial planning and entitlements, advocacy, and referral. There are twelve educational and process groups per week which are offered on site. Each client is referred to the mental health clinic for mental health assessment and medication.

A community meal is offered once a week. The residents plan and prepare the meal. Other services offered are computer usage, free laundry facilities, free telephone, and Senior Gleaner food.

Project Financing: The source of funds for the \$950,000 loan recommended in this report is Sacramento City Tax Increment Low/Moderate Aggregated funds. The deferred loan will have an interest rate of zero percent for 30 years. Staff recommends a deferred loan because cash flow cannot support an additional mortgage payment. This situation is typical of supportive housing projects for the homeless that the Agency has underwritten. TLCS has an existing twenty-five year mortgage loan at 7.30% interest on the property.

In addition to the Agency loan, TLCS has a funding commitment of \$1 million from California Department of Housing and Community Development (HCD) through the Emergency Housing and Assistance Program Capital Development (EHAPCD) Program. The HCD loan is forgivable after seven years.

Low-Income Set-Aside Requirements: As a condition of Agency tax increment financing, California Redevelopment law requires the apartments be set-aside for targeted income groups. The following chart summarizes the proposed affordability restrictions for the project.

BACKGROUND

- A. Transitional Living and Community Support, Incorporated ("Developer") has applied for an allocation of Nine Hundred Fifty Thousand Dollars (\$950,000) in Aggregated Low/Moderate Tax Increment Funds to assist in funding the rehabilitation and permanent financing of the Palmer Apartments (Development), an existing apartment complex built in 1977 and located at 3131 Palmer Street in the City of Sacramento.
-
- B. Use of Aggregated Low/Moderate Tax Increment Funds for the rehabilitation of the property will benefit the community by improving a transitional housing facility that will provide transitional housing for low income persons and promote safe and sanitary transitional housing for a minimum of one month or more.
- C. The Redevelopment Agency of the City of Sacramento has aggregated its Low/Moderate Tax Increment Funds (Aggregate Housing Funds) from various city redevelopment project areas for the development of affordable housing which benefits such project areas.
- D. The proposed action is exempt from environmental review under the California Environmental Quality Act (CEQA) Guidelines Section 15301(a) and (d), which exempts rehabilitation of existing buildings to upgrade the structures to meet health and safety standards.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE REDEVELOPMENT AGENCY RESOLVES AS FOLLOWS:

- Section 1. All of the evidence having been duly considered, the findings, including the environmental findings, as stated above, are approved.

Approval of Loan for Palmer Apartments

Section 2. It is found and determined that the use of Aggregate Housing funds to finance the Development will benefit very low and low income individuals and assists in the elimination of blight in the City's redevelopment project areas.

Section 3. The Agency finds that the Aggregate Housing funds used to fund the Development are needed to make the housing units affordable. Therefore, the Development is not required to provide Art in Public Places.

Section 4. The Executive Director, or her designee, is authorized to amend the Agency budget and allocate \$950,000 in Aggregate Housing funds for the construction and permanent financing of the development.

Section 5. The Owner Participation Agreement (OPA), Loan Agreement and Regulatory Agreement (collectively referred to as "loan documents"), attached to and incorporated into this resolution by this reference, for the financing of the development are approved and the Executive Director is authorized to execute and transmit the loan documents to Transitional Living and Community Support or related entity substantially in the form attached to this resolution and to enter into other agreements, execute other documents, and perform other actions necessary in relation to the OPA to provide said funding assistance to the development, consistent with the OPA, this resolution and as may be necessary to ensure proper repayment of Agency funds in accordance with the OPA, all as approved by Agency Counsel.

Section 6. The Executive Director, or her designee, is authorized to make technical amendments to said loan documents with approval of Agency Counsel, such amendments must be in accordance with and consistent with Agency policy, this resolution, and good legal practices for making of such a loan.

If the Agency's approval of the Final Plans is reasonably based upon a material misrepresentation to Agency by Developer or by anyone on Developer's behalf, the Agency may, within a reasonable time after discovery of the misrepresentation, take any action permitted by law with regard to any such misrepresentation, notwithstanding Agency's prior approval, including without limitation, rescission of the approval or such other equitable remedies as may then be appropriate to such rescission.

4. DEVELOPMENT PROVISIONS. As stated in detail in this Section 4, Developer shall construct and manage the Project according to the requirements established in this OPA, which includes, without limitation, the Scope of Development, the Schedule of Performances and the Plans. Developer shall promptly begin, diligently prosecute and timely complete the construction of the Project. In interpreting the provisions of this OPA, the provisions that specifically enforce the Redevelopment Plan and the applicable provisions of the Community Redevelopment Law shall control.

4.1. CONSTRUCTION CONTRACTS. Developer shall submit to Agency the construction contract for the Project. Agency's review of the construction contract shall be only for determining its compliance with this OPA. If the cost of construction of the Project or any part of the Project exceeds the costs projected by Developer, Developer shall, nevertheless, bear the responsibility to complete, at Developer's cost, the construction of the Project in accordance with this OPA.

4.2. GOVERNMENTAL REVIEW PROCESS. Notwithstanding any other provision of this OPA, Developer is subject to all building, planning, design and other plan review requirements that are otherwise applicable to the project, including without limitation those of the City of Sacramento. To assure proper review by the City, Developer shall, within thirty (30) days of the date of this

OPA, make an initial deposit toward "plan check fees" with the City's Planning Department. In addition, Developer shall, as applicable, take designs before the Design Review/Preservation Board or its appropriate subcommittee for comment as soon as practicable. Conditions to the project imposed by the City shall be considered obligations of the Developer under this OPA. If a dispute with City staff arises regarding such City conditions, Developer shall accept the decision of the City's Planning Commission interpreting, imposing and enforcing such City conditions, subject to any applicable appeals process of the Planning Commission.

4.3. SUBSTANTIAL CHANGES. Developer covenants and agrees that Developer shall not make or permit to be made any construction of the Project which incorporates a substantial change in the Final Plans, as described in Section 3.6, without Agency approval of such changes as provided in Section 3.6.

4.4. LOCAL, STATE AND FEDERAL LAWS. The Developer shall assure that the construction of the Project is carried out in conformity with all applicable laws and regulations, including all applicable federal and state labor standards. Developer acknowledges and agrees that all wage and hour laws and other labor laws as applicable, including without limitation prevailing wage requirements, are the sole responsibility of Developer and Developer's contractors and subcontractors. Developer and its contractors and subcontractors have undertaken to ascertain the applicability of such laws prior to preparation of the final Project budget and have included the costs arising from such laws in the final Project budget. Developer shall keep, or cause to be kept, all records and make all payments, of any kind, that may be required for compliance with said laws and regulations. Before commencement of construction or development of any buildings, structures or other work of improvement upon the Property, Developer shall at its own expense secure any and all certifications and permits which may be required by any governmental agency having jurisdiction over such construction, development or work. Developer shall permit only persons or entities which are duly licensed in the State of California, County of Sacramento and City of Sacramento, as applicable, to perform work on or for the Project.

4.5. PREVAILING WAGES. In accordance with Labor Code Section 1720(c)(6)(E)), so long as the public subsidy for the Project consists of below market rate loans, and the Project restricts occupancy on at least 40% of the units for at least 20 years to individuals or families earning no more than 80% of the area median income, the Project is not subject to prevailing wages. Developer represents to the Agency that Developer has obtained no public subsidy for the Project that does not meet such criteria. If Developer obtains another non-qualifying public subsidy, Developer shall pay prevailing wages for the Project. Therefore, Developer indemnifies, holds harmless and defends the Agency from all additional wages, benefits, fees, penalties, fines, legal fees, court costs, arbitration costs, and other costs arising from the improper application of California prevailing wage laws to the Project by Developer or Contractor or both of them. The State of California Department of Industrial Relations has undertaken the aggressive and expansive enforcement of prevailing wage laws for redevelopment projects. The Agency has advised, and the Developer acknowledges, that the Project is subject to the payment of prevailing wages under the laws of the State of California. Developer has had the opportunity to meet with Developer's legal counsel and to request a determination from the State of California Department of Industrial Relations regarding the

applicability of prevailing wage requirements to this Project. Developer has made its independent determination of the applicability of prevailing wage laws and has independently implemented such determination. Developer, therefore, indemnifies, holds harmless and defends the Agency from all additional wages, benefits, fees, penalties, fines, legal fees, court costs, arbitration costs, and other costs arising from Developer's determinations and actions related to prevailing wage obligations for the work of this OPA.

4.6. PUBLIC SAFETY PROTECTIONS. Developer shall assure that all necessary steps are taken (including the erection of fences, barricades and warning devices) to protect private contractors and their employees and the public from the risk of injury arising out of the condition of the Property or Developer's activities in connection with the Property, including without limitation, fire, or the failure, collapse or deterioration of any improvements or buildings.

4.7. NONDISCRIMINATION IN CONTRACTING AND EMPLOYMENT. Developer for itself, any project manager, the Contractor, and the property manager engaged in connection with the Project or Property, and their respective successors and assigns, agrees that the following provisions shall apply to, and be contained in all contracts and sub-contracts for the construction of the Project.

4.7.1. EMPLOYMENT. Developer shall not discriminate against any employee or applicant for employment because of race, color, religion, sex, marital status, creed or national origin. The Developer will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, creed, sex, marital status, national origin, ancestry, familial status, or disability. Such action shall include, but not limited to, the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Developer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Agency setting forth the provisions of this nondiscrimination clause.

4.7.2. ADVERTISING. Developer will, in all solicitations or advertisements for employees placed by or on behalf of the Developer, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, creed, sex, marital status, national origin, ancestry, familial status, or disability.

4.8. PUBLIC IMPROVEMENTS. Developer shall, at Developer's expense as a Project cost, undertake and complete any modification, construction, relocation or improvement of public facilities, improvements and utilities for the development of the Property.

4.9. AGENCY ACCESS TO THE PROPERTY. Developer shall permit Agency representatives access, without charge, to the entire Property at any time and for any purpose which Agency reasonably considers necessary to carry out its obligations and protect its interests under the OPA. Purposes for Agency entry may include, without limitation, inspection of all work being performed in connection with the construction of the Project.

4.10. **PROJECT SIGN.** If Developer places a sign on the Property during construction stating the names of the Project participants, it shall also name "Sacramento Housing and Redevelopment Agency" as a participant in the Project. The Agency name on the sign shall be in letters not less than size of letters used to name any of the other participants.

4.11. **CERTIFICATE OF COMPLETION.** After the Agency has determined that Developer has completed the construction of the Project in accordance with the Final Plans and Developer's obligations under this OPA, the Agency will furnish the Developer with a "Certificate of Completion" certifying such completion. Such certification shall be a conclusive determination of satisfaction and termination of the agreements and covenants in the OPA with respect to the obligations of the Developer to construct the Project as of the Completion Date, subject to any qualifications or limitations stated in such certification. Agency shall prepare and execute each Certificate of Completion in a form suitable for recording in the Official Records of Sacramento County.

4.11.1. Such certification and such determination shall not constitute evidence of compliance with any governmental requirements regarding the Project other than those of Agency or satisfaction of any obligation of the Developer to any holder of a mortgage, or any insurer of a mortgage, securing money loaned to finance all or any part of the Project. Such certification and such determination shall not constitute evidence of compliance with or satisfaction of any provision of this OPA that is not related to construction of the Project.

4.11.2. If the Agency fails to provide a Certificate of Completion within fifteen (15) days after written request by Developer, the Agency shall, within an additional fifteen (15) days after a second written request by the Developer, provide the Developer with a written statement, indicating in adequate detail in what respects the Developer has failed to complete the Project in accordance with the provisions of the OPA, or is otherwise in default, and what measure or acts it will be necessary, in the opinion of the Agency, for the Developer to take or perform in order to obtain such certification.

4.12. **CONSTRUCTION PERIOD EXTENSION FEE.** If Developer does not complete the construction of the Project on or before the Completion Date stated in the Schedule of Performances, Developer shall pay to Agency, monthly, in advance, on the first day of each month beginning the calendar month following the Completion Date, a construction period extension fee of Twenty-Five Dollars and No Cents Dollars (\$25.00) for each day by which the completion of construction is delayed beyond said completion date. Construction Extension Fees due for days of delay occurring prior to the first payment date shall be paid in arrears at the time of the first payment under this Section 1. The number of days used in computation of the Construction Extension Fee shall be reduced by the number of days of Unavoidable Delay. Failure to pay Construction Extension Fees when due is a material default of this OPA. Any unearned portion of an advance payment of any such extension fee shall be refunded by the Agency within thirty (30) days of completion of construction, or of termination of the OPA. Agency shall have the option to terminate, upon ten (10) days prior written notice, Developer's rights to unpaid Construction Extension Fees and to declare Developer in material default of this OPA. In any event, Construction Extension Fees shall not be accepted for a time period greater than six months, at which time Developer shall be deemed in material default of this OPA.

4.13. **REPORTS.** During the period of construction, the Developer shall submit to the Agency a written report of the progress of the work as and when reasonably requested by the Agency, but not more often than once each month.

4.14. **NOTIFICATION OF GENERAL CONTRACTORS, ARCHITECTS AND ENGINEERS.** Developer shall assure that the respective parties through the Project Documents have the responsibility of notifying the Project contractors, architects and engineers for the Project of the requirements of this OPA. Developer shall include, where applicable, the provisions of this OPA in construction contracts and subcontracts for the Project, and Developer shall undertake the enforcement of such provisions.

4.15. **PROPERTY CONDITION.** Except as provided in this OPA, if the condition of the Property is not in all respects entirely suitable for the use or uses to which the Property will be put, it is the sole responsibility and obligation of the Developer to take such reasonable actions as may be necessary to place the condition of the Property in a condition which is entirely suitable for its development in accordance with the construction plans and drawings approved by Agency.

4.16. **ZONING OF THE PROPERTY.** Agency exercises no authority with regard to zoning of the Property. Developer shall assure that zoning of the Property at the time of development shall be such as to permit the development and construction, use, operation and maintenance of the Project in accordance with the provisions of this OPA.

4.17. **NO WORK PRIOR TO CLOSE OF ESCROW.** Prior to Close of Escrow, Developer shall not commence any work or take any action that might be construed as commencement of the work of the Project for establishment of mechanic's lien rights.

4.18. **ADDITIONAL PROJECT PROVISIONS.** Agency funds are not to be released prior to the California Department of Housing and Community Development (HCD) Emergency Housing and Assistance Program Capital Development (EHAPCD) funds being available to TLCS.

5. **DEVELOPMENT FINANCING.** Developer shall be responsible for and shall pay all costs of developing the Project except as otherwise provided in this OPA. As a condition precedent to Agency's obligation to provide the Agency Funding, Developer shall provide the Agency with a complete and firm Project budget including all proposed sources and uses of funds, all "hard" and "soft" costs and contingencies and reflecting, as possible, firm bids or accepted contracts and with evidence of sufficient funds to meet all budget requirements. To the extent that funds specified in this OPA for the Project are insufficient to fully fund the Project, the Developer shall provide evidence, satisfactory to the Agency, of the additional required construction and permanent financing. Except as expressly provided in this OPA, no party shall have the right of reimbursement for any funds expended by them for the Project. Agency is not obligated by this OPA or otherwise to make any contribution beyond its obligations stated in this OPA.

5.1. EVIDENCE OF AVAILABLE FUNDS. Unless otherwise approved by the Agency, Developer's evidence of available funds must include only the following: (a) Developer equity (as provided in Section 5.3); (b) firm and binding loan commitments (as provided in Section 5.2) from each Lender, in form and content acceptable to Agency; and (c) Agency contribution, if any, as specified in this OPA. Within ten (10) days after Agency's request, Developer shall provide all additional information requested by the Agency for evaluation of the actual availability of funds included in such evidence, including without limitation, requests for clarification, further evidence or audited financial reports.

5.2. COMMITMENT AND LOAN REQUIREMENTS. As a material obligation under this OPA, Developer shall assure that the loan documents for the Project are consistent with the Lender's commitment approved by the Agency and comply, in all respects, with this OPA. The Agency may reject a loan commitment unless such commitment: (a) is subject only to Lender's reasonable conditions of title and Developer's execution of standard loan documents (copies of which have been previously provided to and approved by the Agency); (b) contains only usual, customary, and commercially reasonable loan terms; (c) continues in effect until a time when subject financing is reasonably expected to be required; and (d) for construction financing, provides for an Agency Funding term not less than that specified in the Schedule of Performances for completion of construction and any additional time necessary to fulfill all conditions precedent to funding of permanent financing. The Agency may also reject any commitment if it is based upon sources and uses of Project funds that are different from those approved by Agency for the Project. The Agency may also reject any commitment that requires changes to the Project which conflict with this OPA, that requires amendment of this OPA or that requires the Agency to enter into agreements with any Lender, guarantor, equity partner or any other third-party.

5.3. EVIDENCE OF DEVELOPER EQUITY. Unless otherwise agreed in writing by the Agency, Developer may provide evidence of equity by any one or more of the following actions: (a) a deposit of the required equity in a joint account with the Agency, which funds shall be released only upon the joint signatures of the Agency and the Developer; (b) delivery to Agency of an unconditional, irrevocable letter of credit in the amount of the required equity, in form and content as provided by the Agency, which letter of credit shall provide that the Agency may draw to fulfill any Developer obligation related to the development of the Project and necessary to assure its timely and proper completion; or (c) Developer's provision of financial statements prepared by a certified public accountant that show liquid assets available to the Project (and not subject to other existing or contingent claims) in the amount of One Hundred and Fifty Percent (150%) of the amount of the required equity. Developer shall not provide evidence of equity that includes funds not available at the commencement of construction or that claims as equity any funds to be generated by development of the Project, including without limitation, anticipated Developer profit or fees or Developer contribution of services to the Project. The Agency may reject any submitted evidence of equity if the Agency has any reason to believe that such funds may not be available to the Project.

6. USE COVENANTS. Developer shall own and manage the Property in accordance with the provisions of this OPA.

6.1. NONDISCRIMINATION. Developer covenants by and for itself, its heirs, executors, administrators and assigns, and all persons claiming under or through it, that there shall be no discrimination against or segregation of, any person or group of persons on the basis of race, color, religion, creed, sex, marital status, national origin, ancestry, familial status, or disability, in the sale, lease, sublease, transfer, use, occupancy, tenure, or enjoyment of the Property and the Project, nor shall the Developer or any person claiming under or through it, establish or permit any practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees, or vendees in Property and the Project. The foregoing covenants shall run with the land.

6.2. SOCIAL SERVICES. Developer shall provide and maintain, for the life of the Loan and the Regulatory Agreement, social services to tenants as follows: supportive services for transitional housing.

6.3. REGULATORY AGREEMENT: Developer covenants by and for itself, its heirs, executors, administrators, and all persons claiming under or through it, that the Property shall be used strictly in accordance with the provisions of the Regulatory Agreement.

7. INDEMNIFICATION. Developer shall indemnify, protect, defend and hold harmless Agency, its officers, directors, commission members, employees, advisory committee members, and agents from any and all liability from bodily injury, death and property damage caused by or resulting from the acts or omissions of Developer, its officers, employees, agents or independent contractors and for any and all costs incurred by Agency in defending against such liability claims, including attorney's fees, except for injury, death or property damage caused by the negligent act or willful misconduct of Agency.

Agency shall indemnify, protect, defend and hold Developer harmless from any and all liability from bodily injury, death and property damage caused by or resulting from the acts or omissions of Agency, its officers, commission members, employees, advisory committee members or agents and for any and all costs incurred by Developer in defending against such liability claims, including attorney's fees, except for injury, death or property damage caused by the negligent act or willful misconduct of Developer.

This indemnification provision shall survive the termination of this agreement.

8. INDEMNIFICATION FOR HAZARDOUS SUBSTANCES. Developer shall indemnify, protect and defend Agency, its respective officers, directors, commission members, employees, advisory committee members, and agents, and hold them harmless from any and all liability, costs, fees, penalties and claims related to: (a) the removal, discharge or release of Hazardous Substances on the Property after Developer has taken possession of the Property; or (b) the existence of Hazardous Substances on the Property, which were not on the Property prior to Developer's taking possession of the Property.

9. LIABILITY INSURANCE. With regard to this OPA, the Developer shall obtain and maintain, and require the contractor and subcontractors for the Project to obtain and maintain, such insurance as will protect them, respectively, from the following claims which may result from

the operations of the Developer, any contractor, subcontractor or anyone directly or indirectly employed by any of them, or by anyone for whose acts any of them may be liable: (a) claims under workers' compensation benefit acts; (b) claims for damages because of bodily injury, occupational sickness or disease, or death of its employees; (c) claims for damages because of bodily injury, sickness or disease, or death of any person other than its employees; (d) claims for damages insured by usual personal injury liability coverage which are sustained (1) by any person as a result of an offense directly or indirectly related to the employment of such person by the Developer, or (2) by any other person; claims for damages, other than to the construction itself, because of injury to or destruction of tangible property, including resulting loss of use; (e) claims for damages because of bodily injury or death of any person or property damage arising out of the ownership, maintenance or use of any motor vehicle; and (f) claims for contractual liability arising from the Developer's obligations under this OPA.

9.1. LIABILITY INSURANCE POLICY LIMITS. Developer shall assure that the insurance required by this Section shall be written with a deductible of not more than TWENTY-FIVE THOUSAND DOLLARS (\$25,000).

9.2. WORKER'S COMPENSATION. Worker's compensation coverage shall be written for the statutory limits as required by the California Labor Code (commencing with Section 3700, as it may, from time to time, be amended) and having an employer's liability of not less than \$1,000,000 or statutory limits, whichever are greater.

9.3. COMPREHENSIVE GENERAL LIABILITY. Commercial general liability coverage shall include premises-operations, independent contractor's protective, products and completed operation (for four years), broad form property damage, and contractual liability coverage (or such other substantially similar coverage as may be approved by Agency Counsel). Such insurance shall have limits of liability which are not less than \$1,000,000, each occurrence, for bodily injury coverage; \$3,000,000 aggregate, for products and completed operations coverage; \$1,000,000 each occurrence for property damage coverage, single limit and aggregate; and which is the same as the foregoing coverages.

9.4. COMPREHENSIVE AUTOMOBILE LIABILITY. Comprehensive automobile liability coverage for any vehicle used for, or in connection with, the Project (owned, nonowned, hired, leased) having limits of liability which are not less than \$1,000,000.

9.5. FIRE, HAZARD AND EXTENDED COVERAGE INSURANCE. For the duration of OPA, Developer shall obtain and maintain fire and hazard insurance to the full insurable value of the Property with endorsements of extended coverage, vandalism, and malicious mischief, and with such other endorsements and in such amounts as the Agency may reasonably require to protect the Project. In the event of damage to the Project and subject to the requirements of Lender, Developer shall use the proceeds of such insurance to reconstruct the Project and the public improvements.

9.6. INSURANCE PROVISIONS. Each policy of insurance required under this OPA shall be obtained from a provider licensed to do business in California and having a current Best's

Insurance Guide rating, or such other equivalent rating, as may reasonably be approved by Agency's legal counsel. Each policy shall contain the following provisions as applicable:

9.6.1. **ADDITIONAL INSURED.** During the term of construction, Agency shall be additional insured on all insurance policies, except the fire and hazard insurance and the worker's compensation policy, unless otherwise approved by Agency's legal counsel in writing.

9.6.2. **SINGLE PROJECT INSURANCE.** It is the intent of the parties that the Project have available all the specified insurance coverages. Developer shall not provide insurance coverages that are considered in aggregate with other Projects which Developer or its contractor might have concurrently under construction. The Agency may at its discretion permit an aggregate policy if and only if Developer or the respective contractor has fully disclosed to Agency other projects which will or may be considered in aggregate with the Project, and thereafter, Developer shall immediately inform Agency of the change in or addition to any such projects. Nevertheless, Agency may, at any time require that the insurance coverage be provided solely for the Project.

9.6.3. **CANCELLATION.** Each policy shall bear an endorsement precluding cancellation or termination of the policy or reduction in coverage unless the Agency has been given written notice of such intended action at least thirty (30) days prior to its effective date.

9.6.4. **FAILURE TO MAINTAIN.** If Developer fails to obtain or maintain, or cause to be obtained and maintained, any insurance required by this OPA, the Agency shall have the right to purchase the insurance on Developer's behalf, and Developer shall promptly reimburse the full cost of such insurance to the Agency. If Developer fails to reimburse the Agency for insurance, the amount of unpaid reimbursement shall bear interest, at the maximum rate permissible under the law, until paid.

9.6.5. **BLANKET COVERAGE.** Developer's obligation to carry insurance as required under this Section 10 may be satisfied by coverage under a "blanket" policy or policies of insurance (as the term is customarily used in the insurance industry); provided, however, that the Agency shall nevertheless be named as an additional insured under such blanket policy or policies to the extent required by this Section, the coverage afforded the Agency will not be reduced or diminished thereby, and all of the other requirements of this Section 10 with respect to such insurance shall otherwise be satisfied by such blanket policy.

10. DEFAULTS AND REMEDIES. Except as otherwise provided in the OPA, if either party defaults in its obligations under this OPA, the defaulting party shall immediately commence and diligently proceed to cure the default within thirty (30) days after written notice of default from the other party or, if reasonable, such longer time as is reasonably necessary to remedy such default if such default cannot reasonably be cured within thirty (30) days for reasons beyond the control of the defaulting party, provided that the defaulting party shall promptly begin and diligently pursue such cure to completion. If the defaulting party does not promptly begin and diligently cure the default within a reasonable time, the other party may institute proceedings to cure the default, including without limitation, proceedings to compel specific performance by the defaulting party. Subject to any extension of time permitted by this OPA, a failure or delay by a party to perform any term or provision of this OPA constitutes a default of this OPA. As a

condition precedent to termination of the OPA under this Section, each party shall first tender the return of all property or funds received from or on behalf of the other party. After such return of property and funds and termination of the OPA, neither Agency nor Developer shall have any further rights against or liability to the other under the OPA except as expressly set forth in this OPA to the contrary.

10.1. OTHER RIGHTS AND REMEDIES. Upon the occurrence of any default, and the expiration of any applicable notice and cure period without a cure having occurred within the specified cure period, the non-defaulting party shall have the right to institute such actions as it may deem desirable to remedy a default of this OPA as allowed under this OPA, at law or in equity

10.2. NONLIABILITY OF AGENCY OFFICIALS AND EMPLOYEES. No member, official or employee of Agency shall be personally liable to Developer, or any successor in interest, in the event of any default or breach by Agency or for any amount which may become due to Developer or its successors, or on any obligations under the terms of this OPA.

10.3. ATTORNEY'S FEES AND RELATED COSTS. If an action is commenced between the parties, the prevailing party in that action shall be entitled to recover from the non-prevailing party all reasonable attorney fees and costs, witness fees, arbitrator's fees, and court and arbitration costs. The term "prevailing party" shall include without limitation, the party who receives performance from the other party for an alleged breach of contract or a desired remedy where the performance is substantially equal to the relief sought in an action; the party who receives any award for relief through arbitration; or the party determined to be the prevailing party by a court of law. In any event, the prevailing party shall mean the party receiving a judgment, ruling or award that is more favorable than the last firm offer of settlement made by such party. Any award of damages following judicial remedy or arbitration as a result of the breach of this Agreement or any of its provisions shall include an award of prejudgment interest from the date of the breach at the maximum amount of interest allowed by law.

11. ENCUMBRANCE OF PROPERTY AND LENDER PROTECTIONS. Before issuance of a Certificate of Completion, the Developer may, upon written Agency approval, obtain a Loan and encumber the Property as security for the Loan, provided either that the proceeds of the Loan are used solely for construction of the Project improvements upon usual and customary and commercially reasonable terms or that the Loan is permanent project financing made upon usual and customary and commercially reasonable terms. After issuance of a Certificate of Completion, the Agency shall have no rights of approval regarding financing secured by the Property. As a condition to Agency's approval of a Loan, Developer shall provide the Agency with a conformed copy of all documents related to the Loan. Agency acknowledges that a Lender will rely upon this OPA in making the Loan and that Agency's obligations under this OPA are inducements to Lender's making of the Loan.

11.1. NOTICES. If the Agency gives any notice of default to Developer under this OPA, the Agency shall contemporaneously give a copy of such notice to each Lender who has requested such notice in the following form of request for notice at the address stated in the request for notice. Any such default notice that is not so delivered to Lender shall not be effective or

binding with regard to Lender or otherwise affect Lender, but failure to deliver such default notice to Lender shall not affect its validity with respect to Developer. Lender shall use the following form for requesting notice:

[Date]

The undersigned, whose address for notices is stated immediately below its signature, does hereby certify that it is the Lender as such term is defined in that certain Owner Participation Agreement dated _____ between the Redevelopment Agency of the City of Sacramento and Transitional Living and Community Support, Inc. ("OPA"). Lender requests, in accordance with Section 21.1 of the OPA, that if any default notice shall be given to Developer under the OPA, a copy of such default notice shall be given to Lender.

[Lender Name and Address for Notice]

11.2. ASSIGNMENTS AND TRANSFERS OF THE LOAN. Agency shall not be bound to recognize any assignment of the Loan or related encumbrance of the Property unless and until Lender has given Agency written notice of the name and address of the assignee (and if more than one person is an assignee, the designated name and address for notices) and such assignee qualifies as a Lender under this OPA. Thereafter, such assignee shall be considered a Lender with respect to the Loan and the related encumbrance on the Property.

11.3. LENDER NOT OBLIGATED TO CONSTRUCT. Notwithstanding any of the provisions of the OPA, Lender shall not be obligated by the provisions of the OPA to construct or complete the Project. Nothing in this Section or any other provision of the OPA shall be construed to permit or authorize Lender to devote the Property to any uses, or to construct any improvements on the Property, other than those uses or improvements provided or permitted in the OPA.

11.4. LENDER'S OPTION TO CURE DEFAULTS. After any default of Developer's obligations under the OPA, each Lender shall have the right, at its option, to cure or remedy such default, within the time for cure allowed to Developer, and to add the cost of such cure to the debt and the lien secured by the Property. The Agency shall accept such performance as if it had been performed by Developer; provided, however, that such Lender shall not be subrogated to the rights of the Agency by undertaking such performance. If the breach or default relates to construction of the Project, however, Lender shall not undertake or continue the construction of the Project (beyond the extent necessary to conserve or protect Project or construction already made) unless Lender assumes, in writing satisfactory to the Agency, Developer's obligations to complete the Project on the Property in the manner provided in the OPA. Any Lender who properly completes the Project as provided in the OPA shall be entitled, upon written request made to the Agency, to Certificate of Completion from the Agency in a manner provided in the OPA. Such certification shall mean that any remedies or rights with respect to the Property that the Agency may have because of Developer's failure to cure any default with respect to the construction of the Project on other parts of the Property, or because of any other default of the OPA by the Developer shall not apply to the part of the Property to which such Certification relates. Nothing in this Section shall be deemed to limit, modify or release any claim or remedy that the Agency may have against the Developer for such default.

11.5. DEFAULT BY DEVELOPER. In the event of a default by Developer, Agency shall not terminate this OPA unless and until the Agency has given notice to Lender of such default, as provided in this Section 12.5 and Lender has failed to cure such default as provided in Section 12.5 provided, however that if such default cannot practicably be cured by the Lender without taking possession of the Property, then the Schedule of Performances (and, therefore, the Agency's right to terminate this OPA) shall be tolled if and so long as:

11.5.1. Lender has delivered to the Agency, prior to the date on which Agency is entitled to give notice of termination of this OPA, a written instrument satisfactory to Agency in which Lender or its designee unconditionally agrees that it will commence the cure of such default immediately upon Lender or its designee taking possession of the Property and will thereafter diligently pursue such cure to completion; provided, however, that neither the Lender nor its designee shall be obligated to pay damages to the Agency on account of such default, except to the extent of any monies due and unpaid from Developer.

11.5.2. Lender or its designee has rights to obtain possession of the Property (including possession by receiver) through foreclosure, deed in lieu of foreclosure or otherwise, and Lender or its designee promptly commences and diligently proceeds to obtain possession of the Property, and if Lender is prevented by court action or by any statutory stay from prosecuting foreclosure proceedings, that Lender is diligently seeking relief from such action or stay; and

11.5.3. Upon receiving possession of the Property, Lender or its designee promptly commences and diligently proceeds to cure such default.

11.5.4. From and after the cure of such Developer default, Lender or its designee is not required to obtain possession or to continue in possession of the Property. Nothing in this Section shall preclude the Agency from exercising any of its rights or remedies with respect to Developer during any period of such forbearance.

11.6. FORECLOSURE. Foreclosure of any encumbrance securing the Loan, or any sale under such encumbrance, whether by judicial proceedings or by virtue of any power contained in such encumbrance, or any conveyance of the Property from the Owner to the Lender or its designee through, or in lieu of, foreclosure or other appropriate proceedings in the nature of foreclosure, shall not require the consent of the Agency. Upon such foreclosure, sale or conveyance, the Agency shall recognize the resulting purchaser or other transferee as the Developer under this OPA, provided that such purchaser or transferee expressly assumes each and every obligation of the Developer under this OPA (except for the obligation to pay damages except to the extent of any monies due and unpaid from Developer under this OPA) by assumption agreement satisfactory to the Agency. If any Lender or its designee acquires Developer's right, title and interest under this OPA as a result of a judicial or nonjudicial foreclosure under any power contained in such encumbrance, or any conveyance of the Property from the Owner to the Lender or its designee through, or in lieu of, foreclosure or other appropriate proceedings in the nature of foreclosure, such Lender or its designee shall have the right to assign or transfer Developer's right, title and interest under this OPA to an assignee; provided, however, that the assignee or transferee shall thereafter be subject to all of the terms and conditions of this OPA.

11.7. MODIFICATIONS. 3.25. "Unavoidable Delay" is a delay in the performance by a party of any obligation which delay is unforeseeable and beyond the control of such party and without its fault or negligence. Unavoidable Delay shall include acts of God, acts of the public enemy, acts of the Federal Government, acts of the other party, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, a general moratorium on financing for projects of the same type, and unusually severe weather (as for example, floods, tornadoes, or hurricanes) or delays of subcontractors due to such causes. In the event of the occurrence of any such enforced delay, the time or times for performance of such obligations of the parties shall be extended for the period of the enforced delay, as determined by the Lender, provided that the party seeking the benefit of the provisions of this Section shall, within thirty (30) days after it has or should have knowledge of any such enforced delay, have first notified the other party, in writing, of the delay and its cause, and requested an extension for the period of the enforced delay.

4. BORROWER'S REPRESENTATIONS AND WARRANTIES. As a material inducement to Lender to enter into this Loan Agreement and to make the Loan to Borrower, Borrower unconditionally, and each signatory who signs on its behalf, to the extent of their actual knowledge, represents and warrants to Lender, as of the Close of Escrow, as follows:

4.1. LEGAL ORGANIZATION. Borrower is duly formed and validly exists in the form stated in Article I, is qualified to do business in California, and has full power to consummate the transactions contemplated.

4.2. BORROWER'S POWERS. Borrower has full authority to execute this Loan Agreement, the Note, the Trust Deed, and all of the other Loan Documents, to undertake and consummate the contemplated transactions, and to pay, perform, and observe all of the conditions, covenants, agreements, and obligations.

4.3. BINDING OBLIGATION. This Loan Agreement, the Note, the Trust Deed, and each of the other Loan Documents constitutes a legal and binding obligation of, and is valid and enforceable against, each party other than Lender, in accordance with the terms of each.

4.4. **LITIGATION.** There are no actions, suits, or proceedings pending or, to the best knowledge of Borrower, threatened against or affecting Borrower, the Property, or any part of it, or involving the validity or enforceability of the Trust Deed, the priority of the lien, or the validity or enforceability of any of the other Loan Documents, at law or in equity, or before or by any Governmental Authority. Borrower is not in default with respect to any order, writ, injunction, decree, or demand of any court or other Governmental Authority.

4.5. **NO OTHER BREACH.** The consummation of the transactions covered by this Loan Agreement and the payment and performance of all of the obligations in the Loan Documents will not result in any breach of, or constitute a default under, any mortgage, deed of trust, lease, contract, loan or credit agreement, corporate charter, bylaws, partnership agreement, trust agreement, or other instrument to which the Borrower or any of its general partners is a party or by which it or they or the Property may be bound or affected.

4.6. **NO DEFAULT.** There is no Event of Default or Potential Default on the part of Borrower.

4.7. **TITLE TO PROPERTY.** Borrower is the sole legal and beneficial owner of the Property, which is free of all claims, liens, and encumbrances other than those shown in the Title Policy.

4.8. **NO UNAPPROVED LOANS.** Borrower has not received financing for either the acquisition of the Property, the construction of the Project or the permanent financing of the Project except as has been specifically disclosed to and approved by Lender in writing.

4.9. **TITLE OF PERSONALTY.** All Personalty is vested solely in Borrower, free of all claims, liens, and encumbrances, and the security interest of Lender in the Personalty is a first lien.

4.10. **USE OF PROCEEDS.** All Loan Proceeds will be disbursed as provided in this Loan Agreement and used only for payment of the costs of construction of the Project in accordance with the Plans and Specifications and for other purposes specified in the Loan.

4.11. **TAXES PAID.** Borrower has filed all required Federal, State, County, and City tax returns and has paid all taxes due and owing. Borrower knows of no basis for additional assessments with respect to any taxes, other than the lien of taxes not yet due.

4.12. **PLANS AND SPECIFICATIONS.** The Plans and Specifications are satisfactory to Borrower and the General Contractor and have been approved by the Lender and all other construction lenders. There are no structural defects in the Project as shown in the Plans and Specifications that are known to or reasonably should have been known to Borrower or its agents and employees, and to the best of Borrower's knowledge, no violation of any Governmental Requirement exists.

4.13. **ACCURACY.** All applications, financial statements, reports, documents, instruments, information, and forms of evidence delivered to Lender concerning the Loan or required by this Loan Agreement or any of the other Loan Documents are accurate, correct, and sufficiently complete to give Lender true and accurate knowledge of their subject matter, and do not contain any untrue statement of a material fact or omit any material fact necessary to make them not misleading.

5. **LOAN.** Lender agrees to lend to Borrower, and Borrower agrees to borrow from Lender, an amount not to exceed the Loan Amount, to finance the development of the Project and for other purposes as specified in the Scope of Development, subject to the terms, conditions, representations, warranties, and covenants in this Loan Agreement.

5.1. **PRINCIPAL AMOUNT.** The principal amount of the Loan shall be the actual disbursements of the Lender on account of the Project, not to exceed the amounts stated in the Budget (as the Budget may be adjusted by written approval of Lender). In any event, the principal amount of the Loan shall not exceed the Loan Amount.

5.2. **USE OF LOAN FUNDS.** Loan funds shall be used solely for actual costs of the Project as stated in the Budget. No Loan funds shall be used for any costs, except as provided in the Budget. Unless otherwise noted in the Budget, allowed predevelopment costs, if any, are not subject to the withholding as Retention.

5.3. **LOAN TERMS.** The Loan is made pursuant to the Loan Program and is subject to the laws, rules and regulations of the Loan Program. Lender agrees to disburse the Loan Proceeds in the manner and subject to the limitations stated in this Loan Agreement. Interest, at the Interest Rate, shall accrue on each disbursement of Loan Proceeds commencing on

the date on which each such disbursement is made. Repayment of the loan shall be made, in payments of principal and interest, in lawful tender of the United States, in accordance with the Payment Schedule.

5.4. CLOSING IN ADVANCE OF SENIOR LOAN. Lender will subordinate this Loan to the senior loan, provided that the senior loan does not require modification of this Loan Agreement or Lender's entry into any agreements containing new or modified Loan terms.

5.5. NOTE AND SECURITY DOCUMENTS. The Loan is to be evidenced by the Note executed by Borrower in favor of Lender and delivered to Lender upon Close of Escrow. Repayment of the Note is to be secured by the Trust Deed covering the Property and the Project. Borrower shall execute the Trust Deed in favor of the Title Company as Trustor in trust for the benefit of Lender and deliver it to Escrow for recordation. The Loan is also secured by the Additional Collateral, if any, as evidenced by the applicable Security Documents.

5.6. REGULATORY AGREEMENT. The Regulatory Agreement imposing covenants, conditions and restrictions running with the land is a material consideration for the making of the Loan. Borrower shall execute the Regulatory Agreement prior to Close of Escrow and deliver it to Escrow for recordation.

5.7. ESCROW. The parties shall open the Escrow promptly after the Effective Date. Escrow shall close as provided in the Escrow Instructions on or before the Closing Date.

5.8. COMMISSIONS. Lender is not responsible, by this Loan Agreement or otherwise, to pay commissions in relation to this transaction.

6. PERFORMANCE CONDITIONS. The following are conditions precedent to performance under this Loan Agreement:

6.1. CONDITION OF TITLE. Lender shall cause Escrow Agent to issue to Borrower (with a copy to Lender) the Preliminary Report, together with copies of all documents relating to title exceptions referred to in the Preliminary Report. At Close of Escrow, Lender's Trust Deed shall be a valid lien against the Property securing the Loan and subject to no exceptions to title (of record or off record) other than the exceptions listed in the "Conditions of Title" in the Escrow Instructions.

6.2. CONDITIONS TO LENDER'S PERFORMANCE. Lender's obligation to perform under this Loan Agreement is subject to all of the following conditions: (a) Borrower has performed all of its obligations then to be performed pursuant to this Loan Agreement; (b) the closing conditions as defined in the Escrow Instructions have been fulfilled as of Close of Escrow; (c) Borrower's representations and warranties in this Loan Agreement are true and correct as of the Close of Escrow; (d) the Agreement continues to be in full force and effect, no default on the part of Borrower has occurred under the Loan Agreement, and no event has occurred that, with the giving of notice or the passage of time, will constitute a default by Borrower under the Loan Agreement; and (e) Lender has approved the Approval Documents.

6.3. CONDITIONS TO BORROWER'S PERFORMANCE. Borrower's obligation to perform under this Loan Agreement is subject to satisfaction of all of the following conditions: (a) Lender has performed all of its obligations then to be performed pursuant to this Loan Agreement; (b) the closing conditions as defined in the Escrow Instructions have been fulfilled as of Close of Escrow; (c) Borrower has met the Conditions to Close of Escrow; (d) Lender's representations and warranties in this Loan Agreement are correct as of the date of this Loan Agreement and as of the Close of Escrow; and (e) the Loan Agreement continues to be in full force and effect, no default on the part of Lender has occurred under the Loan Agreement, and no event has occurred that, with the giving of notice or the passage of time, will constitute a default by Lender under the Loan Agreement.

7. RELOCATION. Lender is required by law to provide relocation services and make relocation payments to eligible tenants that are displaced as a result of the Project. Borrower shall comply fully with all relocation laws that are the obligation of Lender or are otherwise applicable to the Project. Borrower's compliance with the relocation requirements as stated in this Section 7 is a material element of this Loan. Borrower's failure to comply with the relocation requirements as stated in this Section 7 is an Event of Default, subject to Borrower's opportunity to cure in accordance with applicable law.

7.1. RELOCATION COSTS. Unless otherwise stated in this Agreement, any amounts paid by Lender for relocation costs and services shall be considered advances under the Loan.

7.2. **COOPERATION AND ACCESS.** Borrower shall cooperate fully with Lender in complying with such relocation laws, including without limitation, providing Lender access to all tenants of the Property, to all books and records related to the tenants of the Property and to all properties offered for temporary or permanent relocation. Prior to taking any action with respect to relocation of tenants, Borrower shall meet with Lender to establish reasonable protections for tenants and related reporting requirements for Borrower.

7.3. **BORROWER AS RELOCATION AGENT.** With the approval of Lender, Borrower may act as Lender's agent in accomplishing such relocation. Lender and Borrower by memorandum in writing shall establish their respective duties related to such relocation. If Lender and Borrower agree that Borrower will act as Lender's agent for purposes of this Loan, Borrower may enter into agreements for the provision of relocation services, or Borrower may perform such services directly. Borrower shall, by provisions in its agreements or by direction to its staff, assure that the entity performing the relocation services: (a) shall comply with all applicable law; (b) shall fully inform Lender of all relocation activities; (c) shall make all requests for direction or clarification to Lender; and (d) shall respond to and follow the Lender's instruction and direction.

8. **CONSTRUCTION.** As a condition of the Loan, Borrower will diligently proceed with construction in accordance with the Scope of Development as approved by Lender. Borrower shall complete such work on or before the Completion Date, subject to Unavoidable Delay.

8.1. **CHANGES.** In order to assure sufficient funding for the Project, Borrower shall not authorize any Change without the prior written consent of Lender. If in the judgment of Lender, a Change, together with all other Changes contemplated or previously approved by Lender, will cause an increase in the cost of the Project in excess of the contingency reserve identified in the Budget, then Borrower will, as a condition precedent to Lender's consent, provide Lender with proof that the contingency reserve has been increased as necessary to pay for all such Changes. Borrower will submit any such Change to Lender for approval on a form acceptable to Lender, together with approvals by the Project Architect, if any, and the General Contractor. Borrower shall maintain funds available in the contingency reserve that are in substantially the same percentage of the original contingency reserve as the percentage of the Project then remaining to be completed.

8.2. **CONTRACTORS AND CONTRACTS.** Upon Lender's request, Borrower will furnish to Lender correct lists of all contractors, subcontractors and material suppliers employed in connection with the Project, specifying their addresses, their respective portion of the Project and their respective Project cost. Lender may contact directly each contractor, subcontractor, and material supplier to verify the facts disclosed by the list or for any other purpose related to the Loan. All contracts let by Borrower or its contractors relating to the Project will require them to disclose to Lender information sufficient to make such verification.

8.3. **INSPECTION.** Lender may, at any time and without notice to Borrower, enter on the Property and inspect the Project; and, during regular business hours, examine the books, records, accounting data, plans, shop drawings, specifications, and other documents of Borrower pertaining to the Project and to make extracts or copies. Borrower shall make all such documents available to Lender promptly on demand. Borrower agrees to cooperate fully (and to cause the General Contractor to cooperate fully) with the Lender and its Lender's designated agent and to permit all appropriate access to the Property and to all relevant books and records. Borrower shall bear the cost of reasonable inspections, except that Lender shall bear its costs of inspection. If however, Lender's inspection discovers issues of a nature that require further third-party review or investigation, Borrower shall bear the costs of such third party review.

8.4. **PROTECTION AGAINST LIEN CLAIMS.** Borrower shall promptly and fully discharge all claims for labor, materials and services in connection with the Project. Borrower shall promptly file a valid Notice of Completion on completion of the Project. Borrower shall promptly file a Notice of Cessation in the event of a cessation of labor on the Project for a continuous Period of (30) days or more. Borrower shall take all other reasonable steps to protect against the assertion of lien claims against the Property. Within ten (10) days after the filing of any claim of lien against the Property, Borrower shall record a surety bond in the office of the Recorder of the County where the Property is located in an amount sufficient to release the claim of lien or deliver to Lender any other assurance as may be acceptable to Lender as evidenced by Lender's written acceptance of such assurance.

8.4.1. Lender, at any time, may require Borrower to obtain a lien waiver with respect to each payment to the General Contractor and each payment by the General Contractor or Borrower to each of the various subcontractors and material suppliers. Lender, at any time, may require Borrower to make any payments for the Project by joint check made payable to the General Contractor and subcontractor for whose account the payment is to be made, as joint payees.

8.4.2. In any event, Borrower is not required to pay, prior to adjudication, any claims for labor, materials, or services that Borrower, in good faith, reasonably disputes, and that Borrower, at its own expense, is currently and diligently contesting in the proper forum, provided that Borrower has filed the surety bond or given Lender such other assurance as Lender accepts in writing.

8.5. **SECURITY INSTRUMENTS.** Upon request by Lender and subject to the security interests of lender whose loan is secured by the Property and senior to Lender's security interest in the Property, Borrower shall execute and deliver to Lender a security instrument in favor of Lender naming as secured property all contracts related to the Project and all other property of any kind owned by Borrower and used primarily in connection with the Property. Lender may require such instrument at any time, and from time to time may require additions of new contracts and other property. Borrower irrevocably assigns to Lender, effective upon Lender's written demand, as security for the due performance of this Loan Agreement all of its right, title, and interest in the Assigned Documents.

8.6. **OTHER LENDER DRAW.** Borrower shall provide Lender with true, accurate and correct copies of each Other Lender Draw, if any, including without limitation all supporting information, documents, and other required submittals. Lender shall have the right to reject an Other Lender Draw, for failing to comply with the Loan, for changing the Project in any material way, or for impairing the ability of Lender to enjoy the practical realization of its rights under the Loan and its related instruments. If Lender rejects an Other Lender Draw, Borrower shall withdraw the Other Lender Draw and shall not accept and shall return any disbursement on account of such Other Lender Draw.

8.6.1. **ACKNOWLEDGMENT OF RELIANCE.** Borrower acknowledges that Lender is making Loan disbursements in advance of disbursements of other lenders in reliance upon Borrowers compliance with this provision.

8.6.2. **LIQUIDATED DAMAGES.** IF BORROWER FAILS TO PROVIDE TO LENDER ANY OTHER LENDER DRAW, AS AND WHEN REQUIRED UNDER THIS LOAN AGREEMENT, LENDER SHALL BE IRREPARABLY HARMED IN THAT BORROWER'S ABILITY TO REPAY THE LOAN AND LENDER'S SECURITY FOR THE LOAN SHALL BE IMPAIRED TO AN UNKNOWN EXTENT. BORROWER AND LENDER AGREE THAT IT WOULD BE IMPRACTICAL OR EXTREMELY DIFFICULT TO FIX ACTUAL RESULTING DAMAGES IN SUCH EVENT. BORROWER AND LENDER, THEREFORE, AGREE THAT AN AMOUNT EQUAL TO TWO PERCENT (2%) OF THE LOAN AMOUNT SHALL CONSTITUTE LIQUIDATED DAMAGES PAYABLE TO LENDER ON ACCOUNT OF SUCH EVENT, RECEIPT OF WHICH SHALL CONSTITUTE THE EXCLUSIVE REMEDY OF LENDER FOR SUCH EVENT, AND ONLY FOR SUCH EVENT. PAYMENT OF SAID AMOUNT TO LENDER AS LIQUIDATED DAMAGES IS NOT INTENDED AS A FORFEITURE OR PENALTY WITHIN THE MEANING OF CALIFORNIA CIVIL CODE SECTIONS 3275 OR 3369, BUT INSTEAD, IS INTENDED TO CONSTITUTE LIQUIDATED DAMAGES TO LENDER PURSUANT TO SECTIONS 1671, 1676 AND 1677 OF THE CALIFORNIA CIVIL CODE. SAID AMOUNT SHALL BE IMMEDIATELY DUE AND PAYABLE AS OF THE DATE ON WHICH BORROWER DELIVERED SUCH OTHER LENDER DRAW TO THE OTHER LENDER. LENDER SHALL HAVE THIRTY (30) DAYS AFTER RECEIVING ACTUAL NOTICE OF SUCH EVENT TO NOTIFY BORROWER IN WRITING THAT LIQUIDATED DAMAGES UNDER THIS SECTION ARE DUE. BORROWER SHALL HAVE FIFTEEN (15) DAYS AFTER SUCH WRITTEN NOTIFICATION TO CURE THE DEFAULT BY WITHDRAWING THE OTHER LENDER DRAW AND RETURNING ANY DISBURSEMENT ON ACCOUNT OF SUCH OTHER LENDER DRAW. IF BORROWER FAILS TO PAY LIQUIDATED DAMAGES WHEN DUE UNDER THIS SECTION, THE LOAN SHALL BE ALL DUE AND PAYABLE AT THE ELECTION OF LENDER.

8.7. **NO PRIOR LIENS.** Borrower shall not allow the Project construction to begin or materials to be delivered to the Project until after Close of Escrow.

9. **PREVAILING WAGES.** In accordance with Labor Code Section 1720(c)(6)(E)), so long as the public subsidy for the Project consists of below market rate loans, and the Project restricts occupancy on at least 40% of the units for at least 20 years to individuals or families earning no more than 80% of the area median income, the Project is not subject to prevailing wages. Borrower represents to the Lender that Borrower has obtained no public subsidy for the Project that does not meet such criteria. If Borrower obtains other non-qualifying public subsidy, Borrower shall pay prevailing wages for the Project. Therefore, Borrower indemnifies, holds harmless and defends the Lender from all additional wages, benefits, fees, penalties, fines, legal fees, court costs, arbitration costs, and other costs arising from the improper application of California prevailing wage laws to the Project by Borrower or General Contractor or both of them. If more than eleven (11) units are assisted with HOME funds as the Funding Source (as indicated in the Regulatory Agreement), Borrower shall comply with Davis-Bacon prevailing wage requirements as described in the Federal Requirements.

10. LOAN DISBURSEMENT PROCEDURES.

10.1. **CONDITIONS PRECEDENT TO EACH LOAN DISBURSEMENT.** The obligation of Lender to make any disbursements under this Loan Agreement shall be subject to the following conditions precedent:

10.1.1. No Event of Default or Potential Default of Borrower has occurred and is continuing.

10.1.2. If requested by Lender, Borrower has furnished to Lender, as a Project cost, an endorsement to the Title Policy showing no intervening liens or encumbrances on the Property and insuring the full disbursement, together with a satisfactory report under the California Uniform Commercial Code showing no liens or interests other than those of Lender.

10.1.3. Lender is satisfied that all completed work has been done using sound, new materials and fixtures, in a good and proper manner, and all materials, fixtures, and furnishings installed on or acquired for the Property will be owned by Borrower free of any liens, encumbrance, or other interests of any kind other than Lender's lien or security interest.

10.1.4. The representations and warranties in the Loan Documents are correct as of the date of the requested disbursement.

10.1.5. Borrower has paid Lender all commitment, loan, and other fees then due, and Borrower has submitted to Lender all documents, records, statements, certificates, reports, and other materials and information then required to be submitted to Lender for approval under this Loan Agreement.

10.1.6. Borrower has delivered to Lender all funds, documents, instruments, policies, evidence of satisfaction of conditions, and other materials then due or otherwise requested by Lender under the Loan Documents.

10.2. **CONDITIONS PRECEDENT TO FIRST DISBURSEMENT.** Borrower's request for the first Loan disbursement is a representation and warranty by Borrower that there has been no material adverse change in Borrower's financial capacity or in any representation made to Lender in Borrower's application for the Loan or Borrower's supporting documentation. Lender shall make the first loan disbursement under this Loan Agreement when the following conditions precedent and the conditions precedent stated in Section 10.1 have been met:

10.2.1. There is no legal action threatened or pending against Borrower or affecting the Property or any Additional Collateral.

10.2.2. All conditions to Close of Escrow have been satisfied in accordance with the Loan Agreement.

10.2.3. Borrower has obtained and Lender has approved a loan approval from a financial institution or other lender approved by Lender in its sole discretion, to make the permanent financing obtained by Borrower, or has obtained commitments to issue bonds, which repays after completion of the Project all construction and other loans secured by the Project and which is secured by a senior lien against the Property. Such permanent financing approval must provide: (a) that it is subject only to those conditions that are usual and customary in the industry and that can be satisfied by the proposed closing date of the permanent financing; (b) that it is in full force with no default by any party; and (c) that Lender will have notice of, and a reasonable opportunity to cure, any Borrower defaults.

10.2.4. Borrower has provided proof of all insurance required by the Loan Documents.

10.2.5. The construction lender's commitment to make a construction loan is in full force, has not been modified and no event has occurred that with notice or the passage of time or both could result in the termination of it. Nothing in the permanent loan commitment, or submissions and approvals made under it, conflicts with this Loan Agreement. Borrower has done all things necessary to keep unimpaired its rights under the loan commitment for the construction lender's construction loan.

10.2.6. Borrower has filed all tax returns required to be filed and paid all taxes due, which, if unfiled or unpaid, might adversely affect Lender's security under the Security Documents.

10.2.7. California Housing and Community Development has released the EHAPCD funds to Borrower.

10.3. CONDITIONS PRECEDENT TO FINAL DISBURSEMENT. Lender shall make the final loan disbursement under this Loan Agreement when the following conditions precedent and the conditions precedent stated in Section 10.1 have been met:

10.3.1. As applicable, the Project Architect and the Lender's designated agent will have certified to Lender, on AIA Form G704 and in a manner satisfactory to Lender:

- a. That the Project has been duly completed in a good and proper manner using sound, new materials;
- b. That the Project complies with the Plans and Specifications, the requirements of all Governmental Authorities, and any other party having enforceable rights regarding the construction of the Project; and
- c. That the Project is structurally sound.

10.3.2. Borrower has provided to Lender a true, accurate and complete copy of the final draw request to all other lenders for the Project.

10.3.3. Borrower has filed all tax returns required to be filed and paid all taxes due, which, if unfiled or unpaid, might adversely affect Lender's security under the Security Documents.

10.3.4. Title policy endorsements in form and amount satisfactory to Lender (including an endorsement insuring lien-free completion of the Project) have been furnished to Lender.

10.3.5. Borrower has furnished evidence, in form and substance satisfactory to Lender, that:

a. The General Contractor and subcontractors and material suppliers and their subcontractors and material suppliers have been paid in full;

b. Borrower has obtained final certificates of occupancy for all of the Project;

c. All other permits and approvals necessary for the construction, equipping, management, operation, use, or ownership of the Project have been obtained, subject only to those conditions approved by Lender, and

d. The completed Project complies with all applicable zoning regulations, subdivision map acts, building code provisions, and similar governmental laws and regulations, and has all utilities and adequate ingress and egress from public streets, that evidence to be in the form of a certificate executed by Borrower in favor of Lender.

10.3.6. That Borrower has provided to Lender an inventory showing make, model, value, cost, and location of all furniture, fixtures, and equipment and other personal property of a value in excess of \$1,000 and used in the management, maintenance, and operation of the Project, that are included in the collateral for the Loan.

10.3.7. Borrower has filed a notice of completion of the Project necessary to establish the commencement of the shortest statutory period for filing of mechanics' and materialmen's liens.

10.3.8. Lender has received written approval from the surety on any bond required by Lender.

10.3.9. Borrower has submitted to Lender a final cost certification prepared by a CPA.

10.4. MAKING DISBURSEMENT. Lender shall pay each disbursement request within twenty (20) business days after the disbursement request is submitted to Lender, subject to fulfillment of the conditions precedent as stated in Section 10.1. Lender shall disburse the actual cost of the work represented in the disbursement request by Borrower, reduced by the cost of work included in the request and not satisfactorily completed and by the amount of the Retention to be withheld.

10.5. COMPLIANCE. To the best of Borrower's knowledge, the construction, use, and occupancy of the Property and Project comply in full with, or if built according to the Plans and Specifications, will comply in full with, all Governmental requirements. No right to construct or use the Project is to any extent dependent on any real property other than the Property. All approvals, licenses, permits, certifications, filings, and other actions normally accepted as proof of compliance with all Governmental requirements by prudent lending institutions that make investments secured by real

property in the general area of the Property, to the extent available as of the date of this Loan Agreement, have been given or taken, or Borrower is entitled to have them given or taken as the ministerial act of the applicable Governmental Authority.

11. RESIDENTIAL OPERATIONS.

11.1. PROPERTY MANAGEMENT COMPANY. For the life of the Loan, Borrower shall obtain and maintain a property management agreement with a top quality and duly accredited real estate property management company for the management of the Property, and shall assure the compliance of the property management with such agreement. Lender shall not disburse any funds under this Loan Agreement unless and until it has reviewed and approved the agreement as adequate and the property management company as top quality and duly accredited. Lender shall have the right to review and approve any proposed changes to scope of said agreement and to changes in the real estate property management company, prior to Borrower's making such changes. Any such changes made without Lender approval shall be a default of the loan. The Lender has approved the Property Manager as a qualified property management company for the Project.

11.2. REPLACEMENT RESERVES. Borrower shall maintain reserves for replacement and repairs required to be made to the Property, fixtures on the Property or personal property used on the Property, or otherwise as approved by Lender, in an amount, at all times, not less than Two Hundred Fifty Dollars (\$250) for each residential unit in the Project

11.3. VERIFICATION OF NET INCOME. When requested by Lender, Borrower shall provide certified financial statements and such other evidence as the Lender may deem necessary to verify the Project net income, including without limitation copies of certified rent rolls, bank statements, billing statements and invoices.

12. DEFAULT.

12.1. EVENTS OF DEFAULT. At the option of Lender, each of the following events will constitute an Event of Default, subject to applicable cure rights, if any:

12.1.1. The occurrence of an Event of Default under the Trust Deed.

12.1.2. Subject to Borrower's legal rights to contest a governmental requirement, Borrower's failure to comply with any governmental requirements, unless within ten (10) days after notice of such failure by Lender or the respective governmental entity or after any action has been commenced to enforce such requirement, Borrower has cured such failure.

12.1.3. Borrower's failure to keep in full force any permit, license, consent, or approval with respect to the construction, occupancy, or use of the Project, unless within ten (10) days after notice by the issuing entity or Lender of such failure, Borrower has promptly cured such failure.

12.1.4. Any material deviation from the Plans and Specifications in the construction of the Project, or the appearance or use of defective workmanship or materials in the construction of the Project, if Borrower fails to remedy them or to diligently proceed to remedy them to Lender's satisfaction within ten (10) days after Lender's written demand to do so.

12.1.5. Borrower's failure to complete the construction of the Project by the Completion Date.

12.1.6. The filing of any lien against the Property or Project or the service on Lender of any bonded stop notice related to the Loan, if the claim of lien or bonded stop notice continues for thirty (30) days without discharge, satisfaction, or the making of provision for payment (including bonding) to the satisfaction of Lender.

12.1.7. The attachment, levy, execution, or other judicial seizure of any portion of the Property or Project, or any substantial portion of the other assets of Borrower, that is not released, expunged, bonded, discharged, or dismissed within thirty (30) days after the attachment, levy, execution, or seizure.

12.1.8. Making of any unauthorized payment from Loan Proceeds or other funds of Lender.

13. REMEDIES.

13.1. **OPTION TO ACT.** On the occurrence of any Event of Default, in addition to its other rights in this Loan Agreement or in any of the other Loan Documents, at law, or in equity, Lender may, without prior demand, exercise any one or more of the following rights and remedies:

13.1.1. Terminate its obligation to make disbursements.

13.1.2. Declare the Note and all other sums owing to Lender with respect to the other Loan Documents immediately due.

13.1.3. Make any disbursements after the happening of any one or more of the Events of Default, without waiving its right to demand payment of the Note and all other sums owing to Lender with respect to the other Loan Documents or any other rights or remedies and without liability to make any other or further disbursements, regardless of Lender's previous exercise of any rights and remedies.

13.1.4. Proceed as authorized at law or in equity with respect to the Event of Default, and in connection with that, remain entitled to exercise all other rights and remedies described in this Loan Agreement or the Trust Deed.

13.1.5. Recover its funds expended in exercising or enforcing any of its rights or remedies under any of the Loan Documents, together with interest at the maximum amount allowed by law from the date the funds were spent until repaid which amounts will be deemed secured by the Trust Deed.

13.2. **RIGHTS CUMULATIVE, NO WAIVER.** All of Lender's rights and remedies provided in this Loan Agreement or in any of the other Loan Documents are cumulative and may be exercised by Lender at any time. Lender's exercise of any right or remedy will not constitute a cure of any Event of Default unless all sums then due to Lender under the Loan Documents are repaid and Borrower has cured all other Events of Default. No waiver will be implied from Lender's failure to take, or delay in taking, any action concerning any Event of Default or from any previous waiver of any similar or unrelated Event of Default. Any waiver under any of the Loan Documents must be in writing and will be limited to its specific terms.

13.3. **DISCLAIMER.** Whether Lender elects to employ any of the remedies available to it in connection with an Event of Default, Lender will not be liable to construct, complete, or protect the Project; to pay any expense in connection with the exercise of any remedy; or to perform any other obligation of Borrower.

13.4. **GRANT OF POWER.** Subject to the prior rights of lenders whose loans are secured by the Property and senior to the rights of Lender, Borrower irrevocably appoints Lender as its attorney-in-fact, with full power and authority, including the power of substitution, exercisable on the occurrence of an Event of Default, to act for Borrower in its name, place, and stead as provided in this Loan Agreement, to take possession of the Property and Project, remove all employees, contractors, and agents of Borrower, to complete or attempt to complete the work of construction, and to market, sell, or lease the Property and Project; to make any additions, changes, and corrections in the Plans as may be necessary or desirable, in Lender's sole discretion, or as it deems proper to complete the Project; to employ any contractors, subcontractors, suppliers, architects, inspectors, consultants, property managers, and other agents that Lender, in its sole discretion, deems proper for the completion of the Project, for the protection or clearance of title to the Property or Personalty, or for the protection of Lender's interests, to employ security guards to protect the Property and Project from injury or damage; to pay, settle, or compromise all bills and claims then existing or later arising against Borrower that Lender, in its sole discretion, deems proper for the completion of the Project, for the protection or clearance of title to the Property, or for the protection of Lender's interests; to prosecute and defend all actions and proceedings in connection with the Property or Project; and to execute, acknowledge, and deliver all other instruments and documents in the name of Borrower that are necessary or desirable, to exercise Borrower's rights under all contracts concerning the Property or Project, and to do all other acts with respect to the Property or Project that Borrower might do on its own behalf, in each case as Lender in its reasonable discretion deems proper.

14. **LIABILITY INSURANCE.** With regard to this Loan Agreement, the Borrower shall obtain and maintain for the life of the Regulatory Agreements, and require the General Contractor and subcontractors for the Project to obtain and maintain for the term of the development of the Project, such insurance as will protect them, respectively, from the following claims which may result from the operations of the Borrower, General Contractor, subcontractor or anyone directly or indirectly employed by any of them, or by anyone for whose acts any of them may be liable: (a) claims under workers' compensation

benefit acts; (b) claims for damages because of bodily injury, occupational sickness or disease, or death of his employees; (c) claims for damages because of bodily injury, sickness or disease, or death of any person other than his employees; (d) claims for damages insured by usual personal injury liability coverage which are sustained (1) by any person as a result of an offense directly or indirectly related to the employment of such person by the Borrower, or (2) by any other person; claims for damages, other than to the construction itself, because of injury to or destruction of tangible property, including resulting loss of use; (e) claims for damages because of bodily injury or death of any person or property damage arising out of the ownership, maintenance or use of any motor vehicle; and (f) claims for contractual liability arising from the Borrower's obligations under this Loan Agreement.

14.1. LIABILITY INSURANCE POLICY LIMITS. Borrower shall obtain all insurance under this Section 13 written with a deductible of not more than ONE HUNDRED THOUSAND DOLLARS (\$100,000) or an amount approved by Lender, and for limits of liability which shall not be less than the following:

In the event of damage to the Project and subject to the requirements of Lender, Borrower shall use the proceeds of such insurance to reconstruct the Project and the public improvements.

14.6. INSURANCE PROVISIONS. Each policy of insurance required under this Loan Agreement shall be obtained from a provider licensed to do business in California and having a current Best's Insurance Guide rating of B++ VII, which rating has been substantially the same or increasing for the last five (5) years, or such other equivalent rating, as may reasonably be approved by Lender's legal counsel. Each policy shall contain the following provisions as applicable, unless otherwise approved by Lender's legal counsel in writing in advance:

14.6.1. ADDITIONAL INSURED. Borrower shall obtain a policy in ISO form CG 20 33 or better, naming Lender as additional insured under the Commercial General Liability Policy.

14.6.2. SINGLE PROJECT INSURANCE. It is the intent of the parties that the Project have available all the specified insurance coverages. Borrower shall not provide insurance coverages that are considered in aggregate with other Projects which Borrower or its General Contractor might have concurrently under construction. The Lender may at its discretion permit an aggregate policy if and only if Borrower or the respective General Contractor or subcontractor has fully disclosed to Lender other projects which will or may be considered in aggregate with the Project, and thereafter, Borrower shall immediately inform Lender of the change in or addition to any such projects. Nevertheless, Lender may, at any time require that the insurance coverage be provided solely for the Project.

14.6.3. CERTIFIED POLICY COPY. Borrower shall provide Lender with a certified copy of each required policy of insurance. Pending delivery of the certified policy, Borrower shall provide Lender with a Certificate of Insurance of Insurance for each policy on the applicable ACORD form. The ACORD form shall not substitute for the policy. 14.6.4. **CANCELLATION.** Each policy shall bear an endorsement precluding cancellation or termination of the policy or reduction in coverage unless the Lender has been given written notice of such intended action at least thirty (30) days prior to its effective date.

14.7. **FAILURE TO MAINTAIN.** If Borrower fails to obtain or maintain, or cause to be obtained and maintained, any insurance required by this Loan Agreement, the Lender shall have the right, upon five (5) days written notice and opportunity to cure, to purchase the insurance on Borrower's behalf, and Borrower shall promptly reimburse the full cost of such insurance to the Lender. If Borrower fails to reimburse the Lender for insurance, the amount of unpaid reimbursement shall bear interest, at the maximum rate permissible under the law, until paid.

14.8. **BLANKET COVERAGE.** Borrower's obligation to carry insurance as required under this Section 16 may be satisfied by coverage under a "blanket" policy or policies of insurance (as the term is customarily used in the insurance industry); provided, however, that the Lender shall nevertheless be named as an additional insured under such blanket policy or policies to the extent required by this Section, the coverage afforded the Lender will not be reduced or diminished thereby, and all of the other requirements of this Section 14 with respect to such insurance shall otherwise be satisfied by such blanket policy.

15. MISCELLANEOUS.

15.1. **NONRECOURSE.** Notwithstanding any provision of this Loan Agreement or any document evidencing or securing this Loan, Borrower, and Borrower's principals, partners, members, agents, officers, and successors in interest shall not be personally liable for the payment of the Loan or any obligation of the Loan.

15.2. **CURE BY PARTY OTHER THAN BORROWER.** Any lender whose loan is secured by the property and any principal of Borrower may cure a default of the Loan, provided that such cure rights shall be the same as Borrower's cure rights. Such other curing party must cure by the date on which Borrower was obligated to cure, except if Lender is obligated by this Loan Agreement to give separate notice to such other curing party, in which instance, the cure period shall begin when Lender makes such notice to such other curing party.

15.3. **CONDEMNATION.** The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of all or any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender. In the event of a taking of all of the Property, the proceeds shall be applied to the sums provided by this Loan, subject to any claims of prior lienholder, with the excess, if any, paid to junior lienholders and Borrower, as they may determine. In the event of the partial taking of the Property, unless Borrower and Lender otherwise agree in writing, and subject to any claims of prior lienholders, there shall be applied to the sums secured by this Deed of Trust such proportion of the proceeds as is equal to that proportion which the amount of the sums secured by this Deed of Trust immediately prior to the date of taking bears to the fair market value of the Property immediately prior to the date of taking, with the balance of the proceeds paid to junior lienholders and Borrower, as they may determine.

If the condemnor offers to make an award or settle a claim for damages to the Property and: (1) the Property is abandoned by Borrower; or (2) after notice by Lender to Borrower of the condemnor's offer, Borrower fails to respond to Lender within 30 days after the date such notice is mailed; Lender is authorized to collect and apply the proceeds, at Lender's option, either to restoration or repair of the Property or to the sums secured by this Deed of Trust.

Unless Lender and Borrower otherwise agree in writing, any such application of proceeds to principal shall not extend or postpone the due date of any payment or change the amount of such payment.

15.4. **SUBORDINATION.** Lender will subordinate this Loan to the senior loan, provided that the senior loan for the Project indicated in the Budget meets all requirements of this Loan Agreement, and that the senior loan does not require modification of this Loan Agreement, Lender's execution of any agreements containing new or modified Loan terms or Lender's execution of any agreement creating a contractual relationship between Lender and the senior lender including obligations or liabilities between Lender and the senior lender. Sample Subordination Agreement is attached hereto as **Exhibit 8: Subordination Agreement.**

15.5. FEDERAL REQUIREMENTS. If any Loan Program is federally funded, Borrower shall comply with all laws, rules, regulations and funding requirements that govern the use of such funds. Lender shall fully cooperate with, and assist, Borrower in fulfillment of such obligations.

15.6. NATURE OF REPRESENTATIONS AND WARRANTIES. Borrower certifies to Lender that all representations and warranties made in this Loan Agreement and all other Loan Documents are true and correct in all material respects and do not contain any untrue statement of a material fact or omit any material fact necessary to make the representations and warranties not misleading. All representations and warranties will remain true and correct in all material respects and will survive so long as any of Borrower's obligations have not been satisfied or the Loan or any part of it remains outstanding, and for any applicable statute of limitations period. Each request by Borrower for a disbursement will constitute an affirmation that all representations and warranties remain true and correct as of the date of that request. Each representation and warranty made in this Loan Agreement, in any other Loan Documents, and in any other document delivered to Lender by Borrower will be deemed to have been relied on by Lender, regardless of any investigation, inspection, or inquiry made by Lender or any related disbursement made by Lender. The representations and warranties that are made to the best knowledge of Borrower have been made after diligent inquiry calculated to ascertain the truth and accuracy of the subject matter of each representation and warranty.

15.7. FINANCIAL STATEMENTS. Borrower shall provide Financial Statements when requested by Lender, but in any event not more often than quarterly during construction of the Project or annually, thereafter. Borrower shall assure that Financial Statements are prepared in accordance with generally accepted accounting principles. If requested by Lender as reasonably necessary to assure the security of its Loan, Borrower shall provide Financial Statements prepared or reviewed by a licensed Certified Public Accountant or Public Accountant and fully reflecting the assets and liabilities of the party concerning whom they were prepared.

15.8. NO WAIVER. No failure or delay on the part of Lender in exercising any right or remedy under the Loan Documents will operate as a waiver nor will Lender be estopped to exercise any right or remedy at any future time because of any such failure or delay. No express waiver will affect any matter other than the matter expressly waived and that waiver will be operative only for the time and to the extent stated. Waivers of any covenant, term, or condition in this Loan Agreement will not be construed to waive any subsequent breach of the same covenant, term, or condition.

15.9. NO THIRD PARTIES BENEFITED. This Loan Agreement is made and entered into for the sole protection and benefit of the parties and their permitted successors and assigns, and no other Person will have any right of action or any rights to funds at any time on deposit in the Construction Account or the Impound Account, if established.

15.10. NO JOINT VENTURE, PARTNERSHIP, OR OTHER RELATIONSHIP. No Joint Venture, Partnership, or Other Relationship. Nothing contained in this Agreement or in any other document executed in connection with this Agreement shall be construed as creating a joint venture or partnership between Agency and Developer. Each Party is acting as an independent entity and not as an agent of the other in any respect. No relationship exists as between Agency and Developer other than that of a governmental entity regulating the development of private property, and the owner of such private property.

15.11. NOTICES. Borrower irrevocably appoints Lender as its agent (the agency being coupled with an interest) to file for record any notices of completion, cessation of labor, or any other notice that Lender deems necessary or desirable to protect its interests under this Loan Agreement or under the Loan Documents.

15.11.1. METHOD. All notices to be given under this Loan Agreement shall be in writing and sent to the addresses stated above for the respective recipient by one or more of the following methods.

- a. Certified mail, return receipt requested, in which case notice shall be deemed delivered three (3) business days after deposit, postage prepaid in the United States Mail;
- b. A nationally recognized overnight courier, by priority overnight service, in which case notice shall be deemed delivered one (1) business day after deposit with that courier;
- c. Hand delivery with signed receipt for delivery from a person at the place of business of the receiving party and authorized to accept delivery for the receiving party, in which case notice shall be deemed delivered upon receipt, or

d. Telecopy, if a copy of the notice is also sent the same day by United States Certified Mail, in which case notice shall be deemed delivered one (1) business day after transmittal by telecopier, provided that a transmission report is automatically generated by the telecopier reflecting the accurate transmission of the notices to receiving party at the "Fax Number" given in the Escrow Attachment or to such other address as Borrower or Lender may respectively designate by written notice to the other.

15.11.2. **SHORT TERM NOTICES.** Notices, including requests for approval, requiring action in less than thirty (30) days may only be given by the foregoing overnight courier or hand delivery method, and shall include the following language on its face: "URGENT – TIME SENSITIVE – IMMEDIATE ACTION REQUIRED" and marked for delivery to Portfolio Management. Such notice shall include the time allowed under this Loan Agreement for action.

15.12. **ACTIONS.** Lender will have the right to commence, appear in, or defend any action or proceeding purporting to affect the rights, duties, or liabilities of the parties, or the disbursement of any funds under this Loan Agreement. In connection with that, Lender may incur and pay costs and expenses, including, without limitation, reasonable attorney fees. Borrower agrees to pay to Lender on demand all these expenses, and Lender is authorized to disburse funds from the Construction Account for that purpose. This Section does not apply to actions or proceedings between the parties.

15.13. **SIGNS.** Borrower agrees that on the request of Lender, Borrower will erect and place on or in the immediate vicinity of the Property a sign indicating that Lender has provided construction financing for the Project, which sign shall remain for the duration of construction. If Borrower places a sign on the Property during construction stating the names of the Project participants, it shall also name "Sacramento Housing and Redevelopment Agency" as a participant in the Project. Lender's name on the sign shall be in letters not less than size of letters used to name any of the other participants.

15.14. **ASSIGNMENT.** The terms of this Loan Agreement will be binding on and inure to the benefit of successors and assigns of the parties. However, Borrower shall not assign this Loan Agreement or any interest it may have in the monies due or, except as otherwise provided, convey or encumber the Property without the prior written consent of Lender to a party other than a general partner or managing member of Borrower or a single asset entity wholly owned and controlled by Borrower or a general partner or managing member of Borrower. However, if there is an assignment, conveyance, or encumbrance, Lender may, nevertheless, at its option, continue to make disbursements under this Loan Agreement to Borrower or to those who succeed to Borrower's title, and all sums so disbursed will be deemed to be disbursements under this Loan Agreement and not modifications, and will be secured by the Trust Deed. Lender may at any time assign the Loan Documents to any affiliate of Lender or to a national bank or other lender having experience with construction lending, and the assignee will assume the obligations of Lender, and Lender will have no further obligation of any nature. In that case, the provisions of this Loan Agreement will continue to apply to the Loan, and the assignee will be substituted in the place and stead of Lender, with all rights, obligations, and remedies of Lender, including, without limitation, the right to further assign the Loan Documents. In addition, Lender may at any time assign a participation in the Loan to any other party, provided that Lender continues to be primarily obligated under this Loan Agreement.

15.15. **PREPAYMENT.** Borrower may prepay the Loan only on and subject to the terms and conditions in the Note. Borrower shall have no rights to receive, and under no circumstances will Borrower receive repayment of any fees previously paid to Lender.

15.16. **BORROWER'S RESPONSIBILITIES.** To prevent and avoid construction defects, Borrower shall inspect, review, supervise, and assure the high quality, adequacy, and suitability of: (i) the Plans and Specifications and all changes and amendments; and (ii) architects, contractors, subcontractors, and material suppliers employed or used in the Project, and the workmanship of and the materials used by all of them; and (iii) the progress and course of construction and its conformance with the Plans and Specifications and any amendments, alterations, and changes that may be approved by Lender. Borrower will, at Borrower's expense, defend, indemnify, save, and hold Lender harmless against all claims, demands, losses, expenses, damages (general, punitive, or otherwise), and causes of action (whether legal or equitable) asserted by any Person arising out of the use of the proceeds of the Loan. Borrower will pay Lender on demand all claims, judgments, damages, losses, or expenses (including attorney fees and expenses) incurred by Lender as a result of any legal action arising out of the use of the proceeds of the Loan. The provisions of this Section will survive the termination of this Loan Agreement and the repayment of the Loan.

15.17. **NONLIABILITY FOR NEGLIGENCE, LOSS, OR DAMAGE.** Borrower acknowledges, understands, and agrees as follows:

15.17.1. The relationship between Borrower and Lender is, and will at all times remain, solely that of borrower and lender, and Lender neither undertakes nor assumes any responsibility for or duty to Borrower to select, review, inspect, supervise, pass judgment on, or inform Borrower of the quality, adequacy, or suitability of the Project work, except as to matters which are within the intent and purpose for which Lender has made the Loan.

15.17.2. Lender owes no duty of care to protect Borrower against negligent, faulty, inadequate, or defective building or construction.

15.17.3. Lender will not be responsible or liable to Borrower for any loss or damage of any kind to person or property whether suffered by Borrower or any other Person or group of Persons or for negligent, faulty, inadequate, or defective building or construction, and Borrower will hold Lender harmless from any liability, loss, or damage for these things.

15.18. **CONTROLLING LAW; VENUE.** The Loan Documents will be governed by and construed in accordance with California law. The venue for any legal action or proceeding will be in the County of Sacramento, California.

15.19. **CONSENTS AND APPROVALS.** All consents and approvals by Lender required or permitted by any provision of this Loan Agreement will be in writing. Lender's consent to or approval of any act by Borrower requiring further consent or approval will not be deemed to waive or render unnecessary the consent or approval to or of any subsequent similar act.

15.20. **SURVIVAL OF WARRANTIES AND COVENANTS.** The warranties, representations, conditions, covenants, and agreements in this Loan Agreement and in the other Loan Documents will survive the making of the Loan and the execution and delivery of the Note and will continue in full force until the Indebtedness has been paid in full. Nothing in this Section is intended to limit any other provision of the Loan Documents that by their stated terms survive the repayment of the Indebtedness or the termination of any Loan Document.

15.21. **RECORDING AND FILING.** Borrower, at its expense, will cause the Security Documents and all supplements to be recorded and filed, and re-recorded and re-filed, in any manner and in any places as Lender will reasonably request, and will pay all recording, filing, re-recording, and re-filing taxes, fees, and other charges.

15.22. **LOAN EXPENSES.** In making the first disbursement, Lender may, at its option, deduct from the proceeds of that disbursement a sum equal to the aggregate of the following, to the extent Lender has knowledge of it and demand has been made on Lender at the time of the deposit: all expenses specifically incurred in connection with the Loan or the preparation, execution, and delivery of the Loan Documents, including, but not limited to, recording costs and expenses, transfer and other taxes (if any), surveys, appraisal fees, title and hazard insurance premiums, recording, notary, and escrow charges, and all other similar, usual, or customary loan closing charges and expenses; and any other budgeted expenses that have been approved by Lender in writing; and Lender will, for the benefit of Borrower, pay those amounts over to the respective parties on whose behalf the demands will have been received by Lender. Borrower will pay directly any expenses in connection with the Loan not so paid by Lender, including, without limitation, any of the expenses specified above, and will hold Lender free from any cost, liability, or obligation of any nature in connection with it, including reasonable attorney fees incurred by Lender. Borrower further agrees to pay on demand all out-of-pocket costs and expenses reasonably incurred by Lender including, without limitation, the fees and disbursements of Lender's outside counsel, in connection with: (i) the administration of the Loan, including, without limitation, all approvals or consents given or contemplated to be given under the Loan Documents, all amendments to the Loan Documents entered into by Lender or requested by any Loan Party, and all title insurance policies and endorsements required by Lender, and (ii) the enforcement of any rights or remedies under the Loan Documents, whether any action or proceeding is commenced, or the protection of the security, or interests of Lender under the Loan Documents. All costs and expenses, together with interest at Loan rate, will form a part of the indebtedness and will be secured by the Security Documents.

15.23. **NO REPRESENTATIONS BY LENDER.** By accepting or approving anything required to be observed, performed, or fulfilled, or to be given to Lender pursuant to this Loan Agreement or pursuant to the Loan Documents, including, but not limited to, any officer's certificate, balance sheet, statement of income and expense, or other Financial Statement, survey, appraisal, or insurance policy, Lender will not be deemed to have warranted or represented the sufficiency, legality, effectiveness, or legal effect of it or of any particular term, provision, or condition of it, and any acceptance or approval will not be or constitute any warranty or representation by Lender.

15.24. **AMENDMENT.** The Loan Documents and the terms of each of them may not be modified, waived, discharged, or terminated except by a written instrument signed by the party against whom enforcement of the modification, waiver, discharge, or termination is asserted.

15.25. **TERMINATION.** Except as otherwise provided in the Loan Documents, all rights and obligations under this Loan Agreement will terminate except as to any accrued obligations effective on the payment of all Indebtedness owing by Borrower to Lender.

15.26. **COUNTERPARTS.** The Loan Documents may be executed in any number of counterparts and by different parties in separate counterparts, each of which when executed and delivered will be deemed an original and all of which counterparts taken together will constitute one and the same instrument.

15.27. **SEVERABILITY.** If any term, provision, covenant, or condition or any application is held by a court of competent jurisdiction to be invalid, void, or unenforceable, all terms, provisions, covenants, and conditions and all applications not held invalid, void, or unenforceable will continue in full force and will in no way be affected, impaired, or invalidated.

15.28. **CAPTIONS.** All Article and Section headings in the Loan Documents are inserted for convenience of reference only and do not constitute a part of the Loan Documents for any other purpose.

15.29. **INDEMNITY.** Borrower agrees to defend, indemnify, and hold Lender harmless from all losses, damages, liabilities, claims, actions, judgments, costs, and reasonable attorney fees that Lender may reasonably incur as a direct or indirect consequence of the making of the Loan, Borrower's failure to perform any obligations as and when required by this Loan Agreement or any of the other Loan Documents, the failure at any time of any of Borrower's representations or warranties to be true and correct, or any act or omission by Borrower, any contractor, subcontractor, engineer, architect, or other Person with respect to the Property, the Project, or any portion of them. Borrower will pay immediately on Lender's demand any amounts owing under this indemnity, together with interest at the maximum rate permitted by law from the date Lender makes a payment or incurs a loss. Borrower's duty to indemnify Lender will survive the release and cancellation of the Note and the reconveyance or partial reconveyance of the Trust Deed.

15.30. **FURTHER ASSURANCES.** At Lender's request and at Borrower's expense, Borrower will execute, acknowledge, and deliver all other instruments and perform all other acts necessary, desirable, or proper to carry out the purposes of the Loan Documents or to perfect and preserve any liens created by the Loan Documents.

15.31. **DISCLOSURE OF INFORMATION.** If Lender elects to sell the Loan, Lender may forward to the buyer of the Loan all documents and information related to the Loan in Lender's possession, including without limitation all Financial Statements, whether furnished by Borrower or otherwise.

15.32. **LENDER'S AGENTS.** Lender may designate agents or independent contractors to exercise any of Lender's rights under the Loan Documents. Any reference to Lender in any of the Loan Documents will include Lender's employees, agents, and independent contractors.

15.33. **INTEGRATION AND INTERPRETATION.** The Loan Documents contain or expressly incorporate by reference the entire agreement between Lender and Borrower with respect to the covered matters and supersede all prior negotiations. Any reference to the Property or Project in any of the Loan Documents will include all or any portion of them. Any reference to the Loan Documents themselves in any of the Loan Documents will include all amendments, renewals, or extensions approved by Lender.

15.34. **NUMBER, IDENTITY AND GENDER.** When the context and construction so require, all words used in the singular will be deemed to have been used in the plural and vice versa. Person means any natural person, corporation, firm, partnership, association, trust, government, governmental agency, or any other entity, whether acting in an individual, fiduciary, or other capacity. When the context and construction so require, all words which indicate a gender will be deemed to have been used to indicate the gender as indicated by the context.

2. If any installment under this Note is not received by Lender within fifteen (15) calendar days after the installment is due, Borrower shall pay to Lender a late charge of five percent (5%) of such installment. Such late charge shall be immediately due and payable without demand by Lender.

3. This Note is secured by a Deed of Trust with Assignment of Rents against the real property described in the Loan Agreement ("Property"), recorded in the office of the County Recorder of Sacramento County ("Trust Deed"). The Trust Deed securing this Note provides that Lender may at its option, declare all funds secured by the Trust Deed immediately due and payable, if any interest in the real property is sold, transferred or conveyed to any person, whether voluntarily or involuntarily. The Trust Deed further provides that if Borrower does not comply with the requirements of the Regulatory Agreement and fails to come into compliance with the Regulatory Agreement within thirty (30) days after Lender's written notice to Borrower of such failure, Lender may at its option, declare all funds secured by the Trust Deed immediately due and payable.

4. Lender and Borrower shall comply with and fulfill the Special Terms.

5. Upon occurrence of any one or more of the following, Lender may, at its sole discretion, declare all unpaid principal immediately due and payable, together with all unpaid interest at the stated rate from the date of the advancement of the Loan's proceeds, subject to applicable cure periods, if any:

a. Borrower defaults in the payment of any principal or interest when due.

b. Lender discovers that Borrower, in any application to Lender in connection with the Loan, had failed to disclose or misrepresented any fact that would have prevented Borrower from being eligible for the Loan.

c. Lender discovers that Borrower has made any misrepresentations or has intentionally withheld any fact in the making of this Loan, the knowledge of which could have affected the decision of Lender to make the Loan.

Borrower defaults or breaches any of the terms of Loan Agreement, the Trust Deed, the Regulatory Agreement or this Note.

Borrower fails to perform any covenant, term or condition in any instrument creating a lien upon the Property which is the security under the Trust Deed, or any part thereof, which lien shall have priority over the lien of the Trust Deed securing this Note.

d. The sale, transfer of title, conveyance or further encumbrance of the Property, whether by sale, exchange, gift, inheritance or other means, without prior written consent of Lender.

e. The occurrence of any of the following:

2) Proceedings for the appointment of a receiver, trustee or liquidator of the assets of Borrower or a substantial part of such assets, being authorized or instituted by or against the Borrower.

3) Proceedings under any bankruptcy, reorganization, readjustment of debt, insolvency, dissolution, liquidation or other similar law of any jurisdiction being authorized or instituted against Borrower.

6. No waiver of any default or breach by Borrower under this Note shall be implied from any omission by Lender to take action on account of such default, and no express waiver shall affect any default, other than the default specified in the waiver. Such waiver shall be in writing and shall be operative only for the time and to the extent therein stated.

7. Borrower may prepay this Note in full or in part at any time, without any prepayment penalty being charged by Lender.

During the existence of default or delinquency under the terms of this Note or the Trust Deed, the Lender is expressly authorized to apply all payments made on this Note to the payment of all or part of the delinquency, as it may elect.

8. This Loan is a nonrecourse loan, and notwithstanding any provision of this Note or any document evidencing or securing this Loan, Borrower, and Borrower's principals, members, partners, agents, officers, and successors in interest shall not be personally liable for the payment of the Loan or any obligation of the Loan.

Borrower shall pay to Lender all costs of enforcement of all or any portion of this Note and the Trust Deed, including attorney's fees, witness fees, investigator fees and court costs, incurred by Lender, whether or not litigation is commenced.

Borrower, in consideration of the indebtedness described below and the trust created by this Deed of Trust, irrevocably grants and conveys the Property to Trustee, in trust with power of sale.

Together with all the improvements now or subsequently erected on the property, and all easements, rights, appurtenances, rents (subject, however, to the rights and authorities given to Lender to collect and apply such rents), royalties, mineral, oil and gas rights and profits, water, water rights, and water stock, and all fixtures, including but not limited to all gas and electric fixtures, engines and machinery, radiators, heaters, furnaces, heating equipment, steam and hot water boilers, stoves, ranges, elevators and motors, bathtubs, sinks, water closets, basins, pipes, faucets and other plumbing and heating equipment, cabinets, mantels, refrigerating plant and refrigerators, whether mechanical or otherwise, cooking apparatus and appurtenances, furniture, shades, awnings, screens, venetian blinds and other furnishings, now or hereafter attached to the property, all of which, including replacements and additions thereto, shall be deemed to be and remain a part of the property covered by this Deed of Trust; and all of the foregoing, together with said property (or the leasehold estate if this Deed of Trust is on a leasehold) are referred to as the "Property";

To secure to Lender: (a) the repayment of the Loan; and (b) the performance of the covenants and agreements of Borrower contained in this Deed of Trust, the Note, or the Loan Agreement.

Borrower covenants that Borrower is lawfully seized of the estate conveyed by this Deed of Trust and has the right to grant and convey the Property, and that Borrower will warrant and defend generally the title of the Property against all claims and demands, subject to any declarations, easements or restrictions listed in a schedule of exceptions to coverage in any title insurance policy insuring Lender's interest in the Property.

Borrower and Lender covenant and agree as follows:

1. **Payment of Principal and Interest.** Borrower shall promptly pay when due the principal and interest, if any, on the indebtedness evidenced by the Note. All payments received by Lender under the Note shall be applied by Lender first to interest payable on the Note and thereafter to the unpaid principal of the Note.
2. **Charges; Liens.** Borrower shall pay all taxes, assessments and other charges, fines and impositions attributable to the Property and leasehold payments or ground rents, if any by Borrower making payment, when due, directly to the appropriate payee. Borrower shall promptly furnish to Lender all notices of amounts due under this paragraph, and in the event that Borrower makes payment directly, Borrower shall promptly furnish to Lender receipts evidencing such payments. Borrower shall pay when due any encumbrance, charge and lien, with interest in accordance with its terms, on the Property or any portion which is inferior or superior to this Deed of Trust.
3. **Hazard Insurance.** Borrower shall keep the improvements now existing or later erected on the Property insured against loss of fire or hazards under a policy approved by Lender consistent with the insurance requirements of the Loan Agreement. In addition, Borrower shall insure against loss of all furniture, equipment and other personal property owned by Borrower related to Borrower's operation of the Property. Lender shall have the right to hold the policies and policy renewals, and Borrower shall promptly furnish to Lender all renewal notices and all receipts of paid premiums. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, as and to the extent provided in the Loan Agreement.

Unless Lender and Borrower otherwise agree in writing, any such application of insurance proceeds to principal shall not extend or postpone the due date of any Loan payment or change the amount of such payment. If the Property is acquired by Lender pursuant to this Deed of Trust, all right, title and interest of Borrower in and to any insurance policies and proceeds of such policies resulting from damage to the Property prior to the sale of acquisition shall pass to Lender to the extent of the sums secured by this Deed of Trust immediately prior to such sale or acquisition.

4. **Liability Insurance.** In addition to the casualty insurance required under the Loan Agreement during the course of construction, Borrower shall keep comprehensive general liability insurance for the Property in a form and coverage consistent with the provisions of the Loan Agreement and reasonably approved by Lender.

5. Preservation and Maintenance of Property. Borrower shall keep the Property in good repair and shall not commit waste or permit impairment, demolition, or deterioration of the Property.

6. Protection of Lender's Security. Borrower shall appear and defend any action or proceeding purporting to affect the security under this Deed of Trust or the rights of the Lender. If Borrower fails to perform the covenants and agreements contained in this Deed of Trust, or if any action or proceeding is commenced which materially affects Lender's interest in the Property, including, but not limited to, foreclosure, involuntary sale, eminent domain, insolvency, code enforcement, or arrangements or proceedings involving a bankrupt or decedant, then Lender may, upon notice to Borrower, make such appearances, disburse such sums and take such actions as are necessary to protect Lender's interest, including, but not limited to, disbursement of judgments, costs or reasonable attorney's fees and entry upon the Property to make repairs.

Any amounts disbursed by Lender pursuant to this Section 6, with interest, shall become additional indebtedness of Borrower secured by this Deed of Trust. Unless Borrower and Lender agree to other terms of payment, such amounts shall be payable upon notice from Lender to Borrower requesting payment, and shall bear interest from the date of disbursement at the highest rate permissible under applicable law. In any event, this Section shall be construed as a right and an option of Lender and shall not be construed to require Lender to incur any expense or take any action.

7. Inspection. Lender, by its designated representative, may make reasonable entries upon and inspections of the Property, provided that Lender shall give Borrower and any occupant of the Property reasonable prior notice of any such inspection.

8. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of all or any part of the Property, or for conveyance in lieu of condemnation, shall be applied as provided in the Loan Agreement.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date such notice is mailed, Lender is authorized to collect and apply the proceeds, at Lender's option, either to restoration or repair of the Property or to the sums secured by this Deed of Trust.

Unless Lender and Borrower otherwise agree in writing, any such application of proceeds to principal shall not extend or postpone the due date of any payment or change the amount of such payment.

9. Borrower Not Released. Extension of the time for payment of the sums secured by this Deed of Trust granted by Lender to Borrower or any successor in interest of Borrower shall not operate to release, in any manner, the liability of the original Borrower and Borrower's successors in interest. Lender shall not be required to commence proceedings against such successor or refuse to extend time payment by reason of any demand made by the original Borrower or Borrower's successors in interest.

10. Forbearance by Lender Not a Waiver. Any forbearance by Lender in exercising any right or remedy under this Deed of Trust, or otherwise afforded by applicable law, shall not be a waiver or preclude the exercise of any such right or remedy. The procurement of insurance or the payment of taxes or other liens or charges by Lender shall not be a waiver of Lender's right to accelerate the maturity of the indebtedness secured by this Deed of Trust.

11. Remedies Cumulative. All remedies provided in this Deed of Trust are distinct and cumulative to any other right or remedy under this Deed of Trust, the Note, the Loan Agreement or afforded by law or equity, and may be exercised concurrently, independently or successively.

12. Successors and Assigns Bound; Joint and Several Liability Captions. The covenants and agreements contained in this Deed of Trust shall bind, and the rights under this Deed of Trust shall inure to, the respective successors and assigns of Lender and Borrower, subject to the provisions of Section 15. All covenants and agreements of Borrower shall be joint and several. The captions and headings of the paragraphs of this Deed of Trust are for convenience only and are not to be used to interpret or to define its provisions.

13. Notice. Except for any notice required under applicable law to be given in another manner, any notice to be given under this Deed of Trust shall be given as provided for in the Loan Agreement. Any notice provided for in this Deed of Trust shall be deemed to have been given to Borrower or Lender when given in the manner designated.

14. Governing Law; Severability. This Deed of Trust shall be governed by the law of the State of California. If any term or provision of this Deed of Trust shall, to any extent, be held invalid or unenforceable, the remainder of this Deed of Trust shall remain in full force and effect and the invalid or unenforceable provision shall be valid and enforceable as to any other person or circumstance.

15. Acceleration on Transfer or Refinancing of the Property; Assumption. Except as otherwise provided in the Loan Agreement, if all or any part of the Property or an interest in the Property is sold or transferred or refinanced by Borrower without Lender's prior written consent, Lender may, at Lender's option, declare all the sums secured by this Deed of Trust to be immediately due and payable. Lender shall have waived such option to accelerate if, prior to the refinancing, sale or transfer, Lender and the person to whom the Property is to be sold or transferred reach agreement in writing that the loan may be assumed. If Lender has waived the option to accelerate provided in this Section and if Borrower's successor in interest has executed a written assumption agreement accepted in writing by Lender, Lender shall release Borrower from all obligations under this Deed of Trust and the Note.

If Lender exercises such option to accelerate, Lender shall mail Borrower notice of acceleration. Such notice shall provide a period of not less than 30 days from the date the notice is mailed within which Borrower, or any of its principals or anyone with a substantial legal interest in Borrower, may pay the sums declared due. If Borrower fails to pay such sums prior to the expiration of such period, Lender may, without further notice or demand on Borrower, invoke any remedies permitted by this Deed of Trust.

16. Acceleration on Breach; Remedies. Except as provided in Section 15, upon Borrower's breach of any covenant or agreement of Borrower in this Deed of Trust, the Note, (including the covenants to pay when due any sums secured by this Deed of Trust and restricting transfer of the Property) or Loan Agreement, Lender shall mail notice to Borrower specifying: (1) the breach; (2) the action required to cure such breach; (3) a date, no less than 30 days from the date the notice is mailed to Borrower, by which breach must be cured; and (4) that failure to cure such breach on or before the date specified in the notice may result in acceleration of the sums secured by this Deed of Trust and sale of the Property. If the breach is not cured on or before the date specified in the notice, Lender at Lender's option may declare all of the sums secured by this Deed of Trust to be immediately due and payable without further demand and may invoke the power of sale and any other remedies permitted by applicable law. Lender shall be entitled to collect from the Borrower, or sale proceeds, if any, all reasonable costs and expenses incurred in pursuing the remedies provided in this Section, including, but not limited to reasonable attorney's fees.

If Lender invokes the power of sale, Lender shall execute or cause Trustee to execute a written notice of the occurrence of an event of default and of Lender's election to cause the Property to be sold and shall cause such notice to be recorded in each county in which any portion of the Property is located. Lender or Trustee shall mail copies of such notice in the manner prescribed by applicable law to Borrower and to the other persons prescribed by applicable law. Trustee shall give public notice of sale to the persons and in the manner prescribed by applicable law. After the lapse of such time as may be required by applicable law, Trustee, without demand on Borrower, shall sell the Property at public auction to the highest bidder at the time and place and under the terms designated in the notice of sale, in one or more parcels and in such order as Trustee may determine. Trustee may postpone sale of all or any parcel of the Property by public announcement at the time and place of any previously scheduled sale. Lender or Lender's designee may purchase the Property at any sale.

Trustee shall deliver to the purchaser a Trustee's deed conveying the Property so sold without any covenant or warranty, expressed or implied. The recitals in the Trustee's deed shall be prima facie evidence of the truth of the statements it contains. Trustee shall apply the proceeds of the sale in the following order: (a) to all reasonable costs and expenses of the sale, including, but not limited to, reasonable Trustee's and attorney's fees and costs of title evidence; (b) to all sums secured by this Deed of Trust; and (c) the excess, if any, to the person or persons legally entitled thereto as determined by Lender. In the event of a dispute regarding the excess funds, either Lender or Trustee may file an action in interpleader to determine who shall receive the funds and may then deposit the excess funds with the court.

17. Assignment of Rents; Appointment of Receiver; Lender in Possession. As additional security, Borrower assigns to Lender the rents of the Property, provided that Borrower shall, prior to an acceleration for breach as provided above or abandonment of the Property, have the right to collect such rents as they become due.

Upon acceleration for breach or abandonment of the Property, Lender, in person, by agent or by judicially appointed receiver shall be entitled to enter upon, take possession of and manage the Property and to collect the rents of the Property including those past due. All rents collected by Lender, its agent, or the receiver shall be applied first to payment of the costs of management of the Property and collection of rents, including, but not limited to receiver's fees, premiums on

receiver's bonds and reasonable attorney's fees, and then to the sums secured by this Deed of Trust. Lender, its agent and the receiver shall be liable to account only for those rents actually received.

18. Prior Lienholder. The provisions of this Deed of Trust shall operate subject to the claims of prior lienholders to the extent of such claims.

19. Nonrecourse. Notwithstanding any provision of this Deed of Trust or any document evidencing or securing this Loan, Borrower, and Borrower's principals, agents, officers, and successors in interest shall not be personally liable for the payment of the Loan or any obligation of the Loan.

20. Reconveyance. Upon payment of all sums secured by this Deed of Trust, Lender shall request Trustee to reconvey the Property and shall surrender this Deed of Trust and all notes evidencing indebtedness secured by this Deed of Trust to Trustee. Trustee shall reconvey the Property without warranty and without charge to the person or persons legally entitled to such reconveyance. Such person or persons shall pay all costs of recordation, if any. The recitals in the reconveyance of any matters or facts shall be conclusive proof of their truthfulness.

21. Substitute Trustee. Lender, at Lender's option, may from time to time remove Trustee and appoint a successor trustee to any Trustee appointed under this Deed of Trust. Without conveyance of the Property, the successor trustee shall succeed to all the title, power and duties conferred upon the Trustee by this Deed of Trust and applicable law.

22. Request for Notice. Borrower and each party listed to receive Additional Notices request that copies of the notice of default and notice of sale be sent to their respective addresses.

23. Statement of Obligation. Lender may collect a reasonable fee for furnishing the statement of obligation as provided by Section 2943 of the Civil Code of California, as it may be amended from time to time.

24. Use of Property. Borrower shall not permit or suffer the use of any of the Property for any purpose other than the use for which the same was intended at the time this Deed of Trust was executed.

IN WITNESS WHEREOF, Borrower has executed this Deed of Trust.

5. REPRESENTATIONS. Agency has provided Agency Funding to Owner to develop the Property, subject to the terms of the Funding Agreement. This Regulatory Agreement is a substantial part of the consideration to Agency for making the Agency Funding. [For purposes of this Article II, "Property" shall mean Property or Restricted Unit as the context may indicate.] The funds used by Agency under the Funding Agreement are funds from public funding sources administered by Agency and their use is subject to certain requirements some of which are embodied in this Regulatory Agreement. Further, Agency has made the Agency Funding in accordance with the laws, rules and regulations to which Agency is subject. Therefore, Agency has made the Agency Funding conditioned upon Owner's agreement, for itself and its successors and assigns, to comply with all provisions of this Regulatory Agreement, including without limitation, the Funding Agreement. Owner has had full opportunity to make itself independently familiar with such limitations and restrictions, and Owner accepts them and agrees to comply fully with them.

6. COVENANTS. Owner makes the following covenants. Unless Owner has received the prior written consent or Agency approval otherwise, Owner shall fully comply with each and every covenant. Except as otherwise stated in this Regulatory Agreement, the following covenants shall have a term that is the same as the longest term specified in the Funding Requirements.

- a. Owner shall use and permit others to use the Property only for the Approved Use.
- b. Owner shall assure full compliance with the Funding Requirements.

c. Owner shall not transfer or encumber any of the Property or permit the conveyance, transfer, or encumbrance of the Property unless such assignee, transferee or encumbrancer has agreed, in writing and in a form suitable for recordation, to be bound by the terms of this Regulatory Agreement.

d. Owner shall not cause and shall not permit expansion, reconstruction, or demolition of any part of improvements on the Property, except as provided by the Funding Agreement.

e. Owner shall maintain the Property and the building improvements, grounds and equipment of the Property in good repair and condition and in compliance with all applicable housing quality standards and local code requirements. Owner shall maintain the Property in good condition and shall keep the Property reasonably free from graffiti and unrepaired vandalism and from accumulation of abandoned property, inoperable vehicles, unenclosed storage, debris, and waste materials. In the event of a casualty loss, Owner shall cause the restoration or replacement of the Property, in a timely manner and provided that such restoration or replacement is then economically feasible.

f. Owner shall not cause and shall not permit discrimination on the basis of sex, race, color, religion, ancestry, national origin, disability, medical condition, marital status, or sexual orientation in the sale, lease, or rental or in the use or occupancy of the Property. Owner covenants by and for himself, his heirs, executors, administrators, and assigns, and all persons claiming under or through them that there shall be no discrimination against or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees, or vendees in the Property. This covenant against discrimination shall continue in perpetuity.

g. Owner shall assure compliance with the obligations imposed by the federal Personal Responsibility and Work Opportunity Act (Public Law 104-193, commonly known as the Welfare Reform Act) as amended by California Welfare and Institutions Code Section 17851, which restrict the Agency funding of federal, state or local benefits to persons who are not citizens or qualified aliens as defined in such act.

7. NATURE OF COVENANTS. The provisions contained in this Regulatory Agreement are covenants which subject and burden the Property, as covenants running with the land. It is intended and agreed that the agreements and covenants provided in the Agreement shall be covenants running with the land and equitable servitudes on the land and that they shall, in any event, and without regard to technical classifications or designation, be binding, to the fullest extent permitted by law and equity, for the benefit and in favor of; and enforceable by, the Agency, the Agency's successors and assigns, any other governmental entity acting within its authority and any successor in interest to Agency's interest under this Regulatory Agreement against the Owner, its successors and assigns and every successor in interest to all or any part of the Property.

8. TERM. The term of this Regulatory Agreement shall commence on the Effective Date and continue until the terms of all of the covenants, including without limitation, the terms stated in the Funding Requirements, have expired or otherwise been terminated. Notwithstanding the term in the Funding Requirements, the term of this Regulatory Agreement shall be thirty (30) years from the Effective Date.

9. REVIVAL OF COVENANTS AFTER FORECLOSURE. The affordability restrictions shall be revived after foreclosure, or deed in lieu of foreclosure according to the original terms if, during the original term of this Regulatory Agreement, if the Owner, who was owner of record before the termination event, or a party related to the Owner obtains an ownership interest in the Property or Restricted Unit, as the case may be. For purposes of this provisions, a related party is anyone with whom the Owner has or had family or business ties; provided that such interest would not be considered a "remote interest" in the usual and customary use of the term.

10. MULTIPLE FUNDING REQUIREMENTS. If more than one form of Funding Requirements is attached, each Restricted Unit shall be subject to the Funding Requirements for every Funding Source applied to the respective Restricted Unit. If the terms of the Funding Requirements shall conflict as to any Restricted Unit, the Funding Requirements shall be construed so as to meet all applicable requirements for the respective Restricted Unit, including without limitation the use of the most restrictive requirements and the use of the "Recapture" formula that results in the greatest repayment to the Agency.

11. RECORDKEEPING AND REPORTING. Upon request of Agency, Owner shall promptly provide any additional information or documentation requested in writing by the Agency to verify Owner's compliance with the provisions of this Regulatory Agreement. At the written request of the Agency, Owner shall, within a reasonable time following receipt of such request, furnish reports and shall give specific answers to questions upon which information is desired from time to

time relative to the income, assets, liabilities, contracts, operations, and condition of the property and the status of the Deeds of Trust.

12. AUDIT AND INSPECTION. The Property and all related equipment, buildings, plans, offices, books, contracts, records, documents and other related papers shall at all times be maintained in reasonable condition for audit and shall be subject to examination by the Agency or its agents. The books and accounts of the operations of the Property and of the Property shall be kept in accordance with generally accepted accounting principles. Owner shall provide Agency access to the Property and its tenants during reasonable hours for the purpose of reviewing Owner's compliance with this Regulatory Agreement.

13. INDEMNITY FOR OWNER'S FAILURE TO MEET LEGAL REQUIREMENTS. Owner shall indemnify and hold Agency, its officers, directors, and employees harmless from any and all liability arising from Owner's failure to comply with the covenants, conditions and restrictions contained in this Regulatory Agreement or to comply with all other laws, rules, regulations and restrictions related to the use of Agency Funding. Without limitation, such indemnity shall include repayment to the appropriate parties of rents or sales proceeds in excess of amounts authorized to be charged and repayment to the Agency of the costs of funds and the value of lost opportunities resulting from the required repayment by Agency to the funding source of funds improperly used.

14. CHANGES WITHOUT CONSENT OF TENANTS, LESSEES, OR OTHERS. Only Agency and its successors and assigns, and Owner (subject to the reasonable approval of Owner's lender in accordance with its rights under its loan terms) shall have the right to consent and agree to changes in, or to eliminate in whole or in part, any of the covenants or restrictions contained in this Agreement without the consent of any easement holder, licensee, other mortgagee, trustee, beneficiary under a deed of trust or any other person or entity having any interest less than a fee in the Site.

15. DEFAULT. Upon a breach of any of the provisions of this Regulatory Agreement by Owner, the Agency may give written notice of such breach to Owner by registered or certified mail. If such violation is not corrected to the satisfaction of Agency within sixty (60) days after the date such notice is mailed or within such further time as the Agency may reasonably determine is necessary to correct the breach, and without further notice to Owner, the Agency may declare a default under the Agreement, effective on the date of such declaration of default, and upon such default the Agency may: (a) take any action then available under the Funding Agreement for a default under the Funding Agreement and (b) apply to any court for specific performance of this Regulatory Agreement, for an injunction against any violation of the Agreement, for the appointment of a receiver to take over and operate the Property in accordance with the terms of this Regulatory Agreement, for money damages or for such other relief as may be appropriate, since the injury to the Agency arising from a default under any of the terms in this Regulatory Agreement would be irreparable, and the amount of damage would be difficult to ascertain.

16. BINDING SUCCESSORS IN INTEREST. This Regulatory Agreement shall bind and the benefits shall inure to the Owner, its successors in interest and assigns, and to the Agency and its successors for the term of this Regulatory Agreement.

17. CONTRADICTORY AGREEMENTS. Owner warrants that he has not, and will not, execute any other agreement with provisions contradictory of or in opposition to, the provisions of this Regulatory Agreement, and that, in any event, the requirements of this Regulatory Agreement are paramount and controlling as to the rights and obligations set forth and supersede any other requirements in conflict with this Regulatory Agreement.

18. ATTORNEYS' FEES. If the services of any attorney are required by any party to secure the performance of this Regulatory Agreement or otherwise upon the breach of default of another party, or if any judicial remedy or mediation is necessary to enforce or interpret any provision of this Regulatory Agreement or the rights and duties of any person in relation to this Regulatory Agreement, the prevailing party shall be entitled to reasonable attorneys' fees, costs and other expenses, in addition to any other relief to which such party may be entitled. Any award of damages following judicial remedy or arbitration as a result of this Regulatory Agreement or any of its provisions shall include an award of prejudgment interest from the date of the breach at the maximum amount of interest allowed by law. The prevailing party shall mean the party receiving an award in arbitration or a judgment in its favor, unless the award or judgement is less favorable than the best settlement offered in writing in a reasonable manner by the other party, in which case the prevailing party is the other party.

19. SEVERABILITY. The invalidity of any clause, part or provision of this Regulatory Agreement shall not affect the validity of the remaining portions.

20. **ELECTION OF REMEDIES.** To the extent applicable, in the event of any breach of the covenants, conditions and restrictions contained in this Regulatory Agreement, the Agency shall reasonably endeavor to remedy such breach by conference and conciliation. If, in the opinion of Agency, the Agency and Owner are unable mutually to agree upon a suitable remedy or the circumstances so warrant, such breach may be enjoined or abated by appropriate proceedings brought by the Agency.

Agency may institute or prosecute in its own name, any suit Agency may consider advisable in order to compel performance of any obligation of any owner to develop and maintain the subject property in conformity with this Regulatory Agreement and to remedy any default of this Regulatory Agreement. Agency may also seek a decree requiring removal of any improvements constructed on the Property which improvements are designed for uses not permitted under this Regulatory Agreement and which improvements are unsuitable only for uses not permitted under this Regulatory Agreement.

The remedies of the Agency under this Regulatory Agreement are cumulative, and the exercise of one or more of such remedies, including, without limitation, remedies under the Funding Agreement shall not be deemed an election of remedies and shall not preclude the exercise by the Agency of any one or more of its other remedies.

21. **NO WAIVER.** No waiver by the Agency of any breach of or default under this Regulatory Agreement shall be deemed to be a waiver of any other or subsequent breach or default.

22. **NOTICES.** Written notices and other written communications by and between the parties shall be addressed to the Owner at the Owner Address and to the Agency at the Agency Address or such other address as each respective party has designated by written notice to the other party.

ARTICLE II. INSTRUCTIONS

1. **CLOSING DATE.** Escrow shall close on or before the Closing Date as it may be changed from time to time by written agreement of Borrower and Agency.

2. **CONDITIONS TO CLOSE OF ESCROW.** "Close of Escrow" means the fulfillment of the Escrow terms and conclusion of the Escrow, including, without limitation, the execution of unexecuted documents, the recordation of documents specified for recording, the issuance of title insurance policies, the payment of fees and the delivery of funds and documents as directed in the escrow instructions for the Escrow. The Close of Escrow shall occur on the Closing Date.

2.1. **CONDITIONS.** The following are conditions to the Close of Escrow:

2.1.1. The conditions precedent to performance stated in the Recorded Documents are satisfied as of the Closing Date.

2.1.2. Simultaneously with the Close of Escrow, Title Company shall issue the Agency Title Insurance to Agency (at Borrower's cost) in the amount stated. The Agency Title Insurance shall include all usual and customary endorsements and any endorsements and other commitments as Agency may reasonably require. The Agency Title Insurance shall show the Recorded Documents marked for return to Agency as valid liens against the Property in favor of the Agency, subject only to the Conditions of Title, and securing, as applicable, Borrower's performance of its obligations and repayment of Agency Funding.

2.1.3. Prior to the Closing Date, the parties shall duly execute (in Escrow or prior to deposit in Escrow) each such document and shall execute those to be recorded in a manner suitable for recording.

2.1.4. On or before the Closing Date, Agency shall also deposit with Title Company the Borrower Items and any Loan Amount then to be disbursed under this Agreement, but not less than closing costs, fees and charges required for Close of Escrow.

2.1.5. On or before the Close of Escrow, Borrower shall also deposit with Title Company the Agency Items and Borrower's share of closing costs and fees.

2.1.6. Title Company is satisfied that all required funds have been deposited in Title Company's account for the Escrow, have cleared the originating bank and are available for transfer by Title Company's check or wire transfer to the appropriate party.

2.2. **TRUST DEED FORM.** If no exhibit setting out the form of the Trust Deed form is attached, the Title Company shall draw the Trust Deed on the Title Company's Long Form Deed of Trust. Title Company shall assure that the Trust Deed includes a standard clause giving Agency the option to accelerate the Loan upon the sale, conveyance, transfer or further encumbrance of the Property, whether voluntary or involuntary. Title Company shall also affix the following provision to the Trust Deed and incorporate it in the Trust Deed by reference:

"The Loan Agreement requires the filing of the "Regulatory Agreement" that is defined in the Loan Agreement. The Regulatory Agreement contains covenants running with the land and is recorded against the Property. If Developer does not comply with the requirements of the Regulatory Agreement and fails to come into compliance with the Regulatory Agreement within thirty (30) days after Agency's written notice to Developer of such failure, the principal balance of the Loan shall, at Agency's option, be immediately due and payable, together with all unpaid interest at the stated rate from the date of the advancement of the Loan's proceeds."

2.3. **UPON CLOSE OF ESCROW.** The Close of Escrow shall take place on the Closing Date. On the Closing Date, Title Company shall complete the Close of Escrow as follows and in the following order (unless otherwise stated, all recorded documents are recorded with the Sacramento County Recorder):

2.3.1. Assure fulfillment of the Special Provisions;

2.3.2. Assure all documents are complete and affix legal descriptions of the Property as necessary to complete them;

2.3.3. Obtain full execution of all unexecuted documents;

2.3.4. Date all undated documents as of the Closing Date;

2.3.5. Record the Recorded Documents in the priority listed;

2.3.6. Determine all closing costs and fees; including without limitation, all charges, fees, taxes and title insurance premiums payable under this Agreement on Close of Escrow and any other fees and charges approved for payment from Escrow by both parties and deduct such fees from the Loan proceeds deposited by Agency in Escrow;

2.3.7. Deliver the Agency Items to Agency and the Borrower Items to Borrower; and

2.3.8. Prepare and deliver to Borrower and Agency, respectively, one signed original of all documents included for delivery to either party and not delivered for recording, one signed original of Title Company's closing statement showing all receipts and disbursements of the Escrow, and one conformed copy of each of the recorded documents.

2.4. INABILITY TO CLOSE. If Title Company is unable to simultaneously perform all of the preceding instructions, Title Company shall notify Borrower and Agency, and upon each of their directions return to each party all documents, items and funds deposited in Escrow by such party (less fees and expenses incurred by the respective party) and bill the respective parties for any unpaid fees and expenses incurred in Escrow. If Escrow fails to close on the Closing Date because Borrower has not complied with Borrower's obligations under this Loan Agreement, then Borrower shall pay the costs incurred through Escrow to the date the Escrow is terminated, including the cost of any preliminary title report and any cancellation fees or other costs of this Escrow. If Escrow fails to close on or before the Closing Date because Agency has not complied with Agency's obligations under this Loan Agreement, such costs shall be paid by Agency. If Escrow fails to close on or before the Closing Date for any other reason, such costs shall be divided equally between the parties.
