**W**HEREAS, providing excellent public safety for children and their families is one of the principal goals of law enforcement agencies of the Greater Sacramento Region, the Law Enforcement Chaplaincy-Sacramento, and the City of Sacramento; and

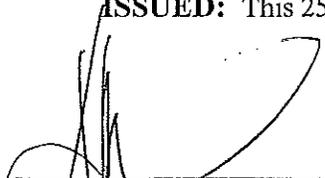

**W**HEREAS, the law enforcement agencies of the Greater Sacramento Region work on a round-the-clock basis in the fight against crime and in removing and preventing predatory criminals from taking control of our streets and neighborhoods; and

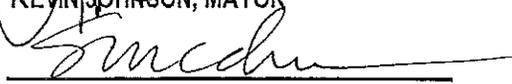

**W**HEREAS, rigorous scientific research and years of “hands-on” experience demonstrate that crime can be greatly reduced by providing quality violence and crime prevention education during early childhood, after-school programs, and community policing interventions, which are designed to improve parenting skills and prevent child abuse and neglect as well as to prevent predatory violence from abduction, sexual assault, molestation and bullying in schools; and

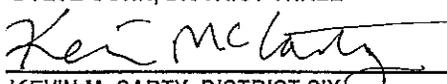

**W**HEREAS, investing in community safety education programs reduces crime and increases opportunity for self-realization and personal empowerment in all Americans, including children of all ages.
