

RESOLUTION NO. 2009-547

Adopted by the Sacramento City Council

August 25, 2009

APPROVING A \$900,000 BROWNFIELD REVOLVING LOAN FUND (BRLF) LOAN TO CALVINE ELK GROVE-FLORIN, LLC FOR ENVIRONMENTAL CLEAN-UP AT THE CURTIS PARK VILLAGE PROJECT

BACKGROUND

- A. A "brownfield" is generally defined as a site which is unused or underutilized due to the (actual or perceived) presence of hazardous substances. Brownfields redevelopment is a fiscally-sound way to bring investment back to Sacramento's neglected neighborhoods and business corridors, cleanup the environment, reuse infrastructure, eliminate blight, and relieve pressure on the urban fringe.
- B. The City Council previously authorized establishment of a Brownfield Cleanup Revolving Loan Fund (BRLF) to promote the cleanup of brownfield sites within the City for future development of such sites and on July, 15, 2008, the City Council accepted grant funding from the U.S. Environmental Protection Agency (EPA) to fund the City's BRLF program. The City Manager was authorized by Resolution 2008-475 to establish the grant fund and project accounts to receive and administer the funds. The City Manager is authorized to approve loans and grants only up to \$500,000 each made in accordance with the Council-approved BRLF Guidelines.
- C. Calvine Elk Grove-Florin, LLC originally submitted a loan application for a loan of \$2,267,000 from the BRLF for its Curtis Park Village project located at APNs: 013-0010-008, -009, and 023 through 028.
- D. On May 19, 2009 the City Council approved a loan for \$1,817,000 to Calvine Elk Grove-Florin, LLC conditioned upon the City receiving additional EPA American Reinvestment and Recovery Act (ARRA) funding, which is anticipated will occur by September 30, 2009.
- E. Calvine Elk Grove-Florin, LLC has received site eligibility approval from EPA.
- F. The City's BRLF Loan Committee was prepared to award a \$450,000 loan to Calvine Elk Grove-Florin, LLC from the original BRLF loan pool and now recommends increasing the loan to \$900,000. Because such a loan exceeds \$500,000 and the interest payment terms deviate from the BRLF Guidelines, it requires City Council approval.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

- Section 1. The City Council hereby authorizes a loan up to \$900,000 from the BRLF funds described in Paragraph B, above, be made to Calvine Elk Grove-Florin, LLC for the Curtis Park Village project provided that sufficient collateral is provided in the form of a deed of trust on properties with sufficient equity based on current appraisals. The Developer shall also set up an interest-reserve account to assure that future interest payments can be timely made.
- Section 2. The City Council hereby approves the Loan Agreement For Site Remediation, attached hereto as Exhibit A, and authorizes the City Manager to execute said Loan Agreement in accordance with the requirements set forth in Section 1 of this resolution.
- Section 3. The City Council hereby approves the Promissory Note, attached hereto as Exhibit B. The interest-only payments may be made annually instead of quarterly during the five year term, with a balloon payment of the principal at the end of five years.
- Section 4. Exhibits A and B are part of this resolution.

PROMISSORY NOTE

\$900,000 Sacramento, California
Date: As of _____, 2009

1. FOR VALUE RECEIVED, in payments as herein stated, the undersigned Calvin Elk Grove-Florin, LLC, a California Limited Liability Company ("Borrower") promises to pay to THE CITY OF SACRAMENTO ("Lender"), or order, at its office at 915 I Street, 3rd Floor, Sacramento, California 95814, or at such other place as the holder hereof may from time to time designate in writing, in lawful money of the United States of America, the principal sum of Nine Hundred Thousand Dollars (\$ 900,000), together with interest on the unpaid principal balance of this Note, calculated at the initial rate of two percent (2%) per annum (computed on the basis of a 365-day year, actual days elapsed); provided, however, if BORROWER fails to pay any interest payments or the principal amount in full when they are due, whether before Maturity, at Maturity or by acceleration, the interest rate on this Note shall increase to seven percent (7%) per annum or the maximum rate allowed by law, whichever is lower. For purposes of this Note, "Maturity" shall have the same meaning set forth in Section I.B of the related Loan Agreement For Site Remediation signed by Borrower concurrently with this Note.

2. This Note is the Promissory Note defined in, and is entitled to the benefits of, the agreement entitled "Loan Agreement For Site Remediation" ("Loan Agreement"), dated concurrently herewith, between Borrower and Lender. Terms defined in the Loan Agreement shall, when used herein, have the same meaning as therein.

3. Interest is due on the first day of each year beginning on the first day of January following execution of this Note and continuing for four (4) successive years thereafter. The final payment of principal and interest is payable at Maturity and said principal and interest will be paid in full. Interest will accrue at two percent (2%) based on the principal amount outstanding. Each payment shall be credited first on interest then due and the remainder on principal. A late charge of five percent (5%) of any payment due not paid within ten (10) days of the due date thereof shall be paid to Lender in addition to any other amount(s) due under this Note.

4. This Note may be prepaid, at any time or from time to time, in whole or in part without premium or penalty. Any prepayment of principal must be accompanied by interest accrued but unpaid hereunder to the date of receipt of prepayment; provided however, interest may be forgiven on the Note if Borrower completes the project and repays the principal within twenty-four (24) months from the date hereof. If interest is owed on the Note, prepayments shall be applied first to accrued interest then due and the remainder will be credited to principal.

5. This Note is either secured by, or entitled to the benefits, rights and privileges of, the following instruments executed contemporaneously herewith:

DEED OF TRUST

6. If this Note is not paid when due, whether at maturity or by acceleration, Borrower, and every guarantor and endorser of this Note, and every person who assumes the obligations of this Note, agrees to pay all costs of collection when incurred, including, but not limited to, reasonable attorney's fees, whether or not suit is filed hereon. Additionally, the holder hereof shall be entitled to reimbursement for all attorney's fees and costs incurred in enforcing any judgment arising from or out of this Note which shall not merge into said judgment and may be added to the judgment and substantiated by supplemental cost bill.

7. Borrower, every guarantor and endorser of this Note, and every person who assumes the obligations of this Note, waives presentment, demand, protest, and notice of dishonor, notice of protest, notice of nonpayment, and notice of any kind with respect to this Note or any guarantee of it.

8. Borrower agrees to perform and comply with each of the covenants, conditions, provisions and agreements of Borrower contained in the Loan Agreement, or any agreement or instrument evidencing, securing, or guaranteeing the indebtedness evidence hereby.

9. This Note may not be changed or terminated orally, but only by an agreement in writing signed by the party against who enforcement of such change or termination is sought. No alteration, amendment or waiver of any provision of this Note, the Loan Agreement, or any agreement or instrument evidencing or providing security for this Note, made by agreement of the holder hereof or any other person or party, shall constitute a waiver of any other term hereof, or otherwise release or discharge the liability of Borrower under this Note.

10. If an Event of Default, as defined in the Loan Agreement, shall occur and be continuing, the entire principal balance of this Note, together with interest which shall have accrued thereon, may be declared immediately due and payable in the manner and with the effect provided in the Loan Agreement. After occurrence of an Event of Default, unpaid accrued interest shall be added to the unpaid principal amount of this Note, and interest shall accrue thereon at the rate specified in this Note.

11. This Note is governed by and is to be construed in accordance with the laws of the State of California.
