

## **RESOLUTION NO. 2009-562**

Adopted by the Sacramento City Council

September 1, 2009

### **APPROVING THE USE OF COOPERATIVE PURCHASING AGREEMENTS FOR THE PURCHASE OF FOOD FOR SEVERAL RECREATION PROGRAMS**

#### **BACKGROUND**

- A. The Department of Parks and Recreation provides food to thousands of people in the Sacramento START (Students Today Achieving Results for Tomorrow) after-school snack program, the 4th "R" Child Care program, Camp Sacramento and the Summer/Year-Round Food program.
- B. The cost of the food comes either from a federal/state grant or from fees paid by participants. No additional General Fund appropriation is required.
- C. The Mountain View Food Purchasing Cooperative (Mountain View) serves more than 50 school districts in the counties of Butte, Glenn, Modoc, Shasta, Siskiyou, Sutter, Tehama, Trinity and Yuba and is managed by the Enterprise Elementary School District in Redding. The City of Sacramento joined the cooperative in 2008 with Council authorization and was the first member in Sacramento County.
- D. Staff requests City Council approval to renew membership in Mountain View and to use a cooperative purchasing agreement between Mountain View and Sysco Food Service of Sacramento in an amount not to exceed \$690,000 and a cooperative purchasing agreement between Mountain View and The Danielsen Company in an amount not to exceed \$505,000 to purchase food and related supplies for the four programs through July 31, 2010, the expiration of the contracts.
- E. In accordance with City Code Section 3.56.240, the City Manager is allowed, where advantageous to the City, to purchase supplies through legal contracts of other governmental jurisdictions without separate competitive bidding by the City by the use of cooperative purchasing agreements approved by City Council.
- F. The estimated cost of providing food and related supplies through July 31, 2010, is \$730,000 for the Sacramento START snack program, \$145,000 for 4th "R," \$215,000 for Camp Sacramento, and \$105,000 for Summer/Year-Round Food, for a total of \$1,195,000.
- G. The current grant agreement with the State of California Department of Education authorizes the continued funding of the Sacramento START snack program through September 30, 2009. Authorization is requested to apply for and accept continuation of the program through September 30, 2011.

- H. The current grant agreement with the State of California Department of Education authorizes the continued funding of the Summer/Year-Round Food program through September 30, 2009. Authorization is requested to apply for and accept continuation of the program through September 30, 2011.
- I. Because the four participating programs are either a continuation of fully offset externally funded programs or have existing funding appropriated in the Approved 2009/10 Budget, the FY2009/10 Budget Resolution 2009-406 gives sufficient authorization for any necessary appropriation or budget changes for the fully offset programs (START's snack program, 4th "R" and Summer/Year-Round Food) and no budget changes are required for Camp Sacramento. Council approval is required only for authorization to renew membership in Mountain View and use their cooperative purchasing agreements, issue the purchase orders for the food, and to sign any required documents with the State.

**BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:**

- Section 1. The City Manager or the City Manager's designee is authorized to execute the application required for the City to renew its membership in the Mountain View Food Purchasing Cooperative (Mountain View).
- Section 2. Use of cooperative purchasing agreements between Mountain View and both Sysco Food Services of Sacramento (Sysco) and The Danielsen Company (Danielsen) to purchase food through July 31, 2010, for the Sacramento START snack program, 4th "R" Child Care program, Camp Sacramento and the Summer/Year-Round Food program is approved as advantageous to the City.
- Section 3. The City Manager or the City Manager's designee is authorized to issue the required purchase orders under the referenced cooperative purchasing agreements in an amount not to exceed \$690,000 for Sysco and \$505,000 for Danielsen through July 31, 2010.
- Section 4. The City Manager or the City Manager's designee is authorized to execute and submit, subject to City Attorney approval as to form, all documents necessary for the City to apply for and accept grant funding from the State of California to allow continuation of the Sacramento START after-school snack program and the Summer/Year-Round Food program through September 30, 2011.
