Description/Analysis

Issue: The Sacramento Employment and Training Agency (SETA) Governing Board has approved an action item that requires the review and approval of your body before such action is considered final and authorized.

Approximately 94% of the Agency funding consists of Federal grants. The Head Start, Early Head Start and California Department of Education grants represent approximately 58% of the budget and workforce development funds provided under the Workforce Investment Act (WIA) represent approximately 31% of the budget. Other workforce development services are funded from the Targeted Assistance (TA), Refugee Employment Social Services (RESS), California Department of Corrections and Rehabilitation, California Department of Transportation, Community Services Block Grant (CSBG) and CalWORKs programs. Other funding sources include the Employment Training Panel, Ticket-to-Work and SMARTware licensing fees.

SETA's budget for Fiscal Year 2009-10 totals \$91,836,928 (Attachment A). This reflects a net increase in funding of \$13,670,803 from Fiscal Year 2008-09. This is primarily the result of a 39% increase in WIA and other workforce development programs. Head Start received a 6% increase in funding for the current year.

The agency's personnel budget consists of 634 positions, and its current payroll is approximately 620 employees.

Head Start serves 5,846 children from zero to five years old countywide in a family focused early learning program. Funding is provided through the Head Start, Early Head Start and the California Department of Education programs. Health, nutrition and mental health screenings are also provided.

The Workforce Development Department operates 12 One Stop Career Centers throughout the county. These centers integrate employment, education and training resources to over 50,000 customers per year. This is accomplished through grants provided by the Workforce Investment Act in collaboration with the Employment Development Department, the County Department of Human Assistance (DHA) and various nonprofit service organizations.

The budget was presented for first reading before the Governing Board of the Sacramento Employment and Training Agency on June 22, 2009. Pursuant to Governing Board directive, official notice was published and a public hearing on the budget was opened on that date. At the September 3, 2009 meeting, the Governing Board closed the public hearing and voted approval of the budget.

The budget as approved by the SETA Governing Board is sent under separate cover. The budget establishes the operating plan for SETA for Fiscal Year 2009-2010.

Policy Considerations: None.

Environmental Considerations: N/A

Rationale for Recommendation: City Council approval is required in accordance with the Joint Powers of Authority Agreement.

Financial Considerations: SETA's Fiscal Year 2009-2010 operating budget of \$91,836,928 will be financed by federal grants (\$86,372,149), state grants (\$4,845,466), private foundation grants and miscellaneous revenues (\$619,313). Approval of SETA's budget will have no fiscal impact on the City General Fund.

Emerging Small Business Development (ESBD): N/A
