

RESOLUTION NO. 2009-675

Adopted by the Sacramento City Council

October 27, 2009

APPROVING START EVALUATION AGREEMENTS

BACKGROUND

- A. The Department of Parks and Recreation has operated the Sacramento START (Students Today Achieving Results for Tomorrow) after-school literacy and enrichment program since 1996.
- B. An annual evaluation of the START school year program is required as a condition of receiving several grants.
- C. On March 23, 2009, the City released a Request for Proposals (RFP) for an evaluation of the START program for the 2009/10 school year. Six companies submitted proposals.
- D. As a result of a competitive, qualifications-based selection process, Duerr Evaluation Services, Inc., was determined to have submitted the highest ranked proposal that best meets START's needs.
- E. In order to evaluate the 2009/10 school year operation of the START program using the results of State-administered student achievement tests that are not available until the following school year, the contract term needs to be eighteen months, from July 1, 2009, to December 31, 2010. Should the contract be extended to evaluate the 2010/11 and 2011/12 school years, each extension period also will be for eighteen months.
- F. The \$87,000 for this agreement will come from the START Fund 2501 and the approved operating budget. There is no impact on the General Fund and no additional funding is required.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

- Section 1. The City Manager is authorized to execute a Professional Services Agreement and any amendments and renewals with Duerr Evaluation Resources, Inc. for an evaluation of the Sacramento START (Students Today Achieving Results for Tomorrow) 2009/10 school year program in the amount of \$87,000, with a City option to renew for up to two additional school years for a cumulative amount not to exceed \$261,000 for all three school years.
