Revised Material

Title: Call-up: Club Center Treepole for Verizon (P09-003)

Revised and additional conditions for Special Permit Resolution:

Revised:

6. The proposed telecommunications tower shall not be higher than 68 feet, including all camouflaging branches. Any changes to the tower shall require a Special Permit Modification.

Additional:

22. The applicant shall enter into a lease agreement with the property owner to include easements that will enable other cellular carriers to collocate, access, and connect utilities for telecommunication facilities on the subject property in the future regardless of the ownership of the land.

23. The Applicant and Owner shall cooperate to provide collocation opportunities for the placement of antennas on the tree pole, ground lease space and utility easements whenever and wherever reasonably feasible.
