Adopted by the Sacramento City Council

November 3, 2009

AGREEMENT: SACRAMENTO WORKS CAREER CENTER FOR VOLUNTARY ONE STOP PARTNER

BACKGROUND

- A. The City of Sacramento's Department of Parks and Recreation has been operating a Workforce Investment Act (WIA) Youth Employment program serving youth between the ages of 14-21 and funded by the Sacramento Employment and Training Agency (SETA) for over 20 years.
- B. This grant funded program provides economically disadvantaged Sacramento Youth with year-round employment, training and recreational opportunities and allows staff to train, mentor and connect youth to develop life learning skills that include employment development.
- C. The WIA grant from SETA requires a formal agreement between the City and one of SETA's identified one-stop career center partners to link youth with on-going resources for job placement.
- D. Formalizing an agreement with La Familia Counseling Center, Inc., as a one-stop career center partner, will enable the City to continue to provide youth between the ages of 14-21 with a lifetime link to employment development tools.

- Section 1. The City Manager is authorized to execute a memorandum of understanding and any extensions, amendments, or other related documents with the Sacramento Employment and Training Agency and La Familia Counseling Center, Inc., regarding the operation of a Sacramento Works One Stop Career Center.
