

Public Comment for Date City Council, Financing Authority, Housing Authority, Redevelopment Agency 11-24-09

Prepared by the Office of the City Clerk- (916) 808-7200 @12:00 pm on 11-24-09

Item	Name	E-mail	Position	Comment
9. Estimated Time: 30 minutes Green Waste Ballot Initiative (Continued from 11-10-09)	Stephen Bakken	byk2day@comcast.net	Support	I also initiated a verbal comment today stating that I favor green waste bins over loose green waste picked up by the "Claw". This new e-comment option was mentioned so I thought I would try this out. I recommend that the City Council develop ballot language to repeal the ordinance enacted by voters in 1977 that prevent the City from requiring a switch to green waste bin collection. Again green waste bins is a much superior means of vegetation collection than the claw for many reasons.
