Description/Analysis

Issue: Del Paso Nuevo is a 154-acre neighborhood master planned community that will provide more than 300 new homes in the Del Paso Heights Redevelopment Area. The design for Del Paso Nuevo reflects new urban planning principles intended to create a sustainable, ethnically diverse, and mixed-income neighborhood that includes supportive civic and commercial land uses. In 1997, the Agency received a Homeownership Zone Designation from the U.S. Department of Housing and Urban Development (HUD) and more than \$10 million in federal loan guarantees and grants for the project. At least 50 percent of the homes in Del Paso Nuevo will be sold to families who earn under 80 percent of the area median income. To date, the Agency has completed three of the six phases, including the development of 77 single-family homes and two community parks. This report provides an update on the last three phases and

Approval of the Del Paso Nuevo Construction Loan and Rental of Model Homes

recommends actions to facilitate the completion of Phase IV and the stabilization of Phase V.

Phase IV

Phase IV is north of Nuevo Park and south of South Avenue (see Attachment 1). A Request for Qualifications (RFQ) for this phase was issued in 2003. In 2005, Del Paso Nuevo, LLC (Developer) was selected and a Disposition and Development Agreement approved. The Developer has completed all infrastructure improvements required to create 81 finished lots, including public roads, sidewalks and street lighting. In addition, the Developer has built 14 new homes, four of which serve as models and eight which have been sold.

Due to the decline in the single family housing market, construction has slowed. The current construction lender for this phase, Bank of the West, no longer desires to provide funding for new home construction. The Developer has obtained funds to refinance outstanding debt on the land. However, there has been little interest in the market in providing construction financing for the remaining homes. As a result, the Developer requested construction financing from the Agency.

The Agency recommends lending \$2.2 million of previously allocated Del Paso Nuevo Project funds to the Developer to construct the final 67 Phase IV single family residences. The proposed Agency funds will be used to finance the construction of the 67 homes in increments of ten homes at a time. The proposed loan has a \$309,500 allocation for reserves and contingencies which will be used if initial sales prices fall below anticipated levels or if any unexpected costs are incurred. The average cost to build and sell each home is \$212,250 per unit, while the projected average sales price for each home is \$194,750. The expectation for this loan is that disbursed funds will be repaid primarily from the sale of the homes. Since construction costs are higher than the projected average sales prices, the principle balance will not be completely repaid unless home values appreciate. At this time, staff is hopeful that the loan will be repaid in full, but it is possible that a portion of the loan will need to be forgiven at the end of the project if sales prices do not appreciate.

Once the first ten homes have been sold and the Agency receives the net sales proceeds, funds will then be re-loaned to the developer to construct the next ten homes. This pattern of reusing the loan funds will continue until all homes in this phase are built or conventional financing can be obtained to replace Agency funds. Phase IV consists of four individual floor plans ranging from two to five bedrooms with a mix of one and two story homes. All floor plans meet the Del Paso Nuevo Specific Plan Design Guidelines. To date, the Developer has built and sold at least one of each plan.

John Griffin is the Managing Member of Del Paso Nuevo, LLC. Mr. Griffin comes from a family that has built thousands of homes, mostly in Southern California. Since moving to Sacramento in 2000, he has developed 325 homes and seven commercial parcels at Cambay West. He also administered the purchase of 80

acres in South Natomas known as Fong Ranch/ParkeBridge which achieved entitlement of 540 housing units. He currently serves as Chair of the North State Building Industry Association Board.

Phase V

Phase V is located near the southeast corner of Nuevo Park. A Request for Qualifications (RFQ) for Phase V was issued in 2003. In 2005, Nuevo Partners, LLC (Developer) was selected, a Disposition and Development Agreement was authorized, and subdivision of the 95 lots commenced.

Infrastructure was completed and four model homes completed prior to the Developer stopping construction in October 2007. Model homes were never marketed for sale. The acquisition/construction lender filed Notice of Default for non-performance in April 2008. After negotiations between the lender and the Developer did not provide resolution, the lender foreclosed on the project. The Agency purchased the Phase V subdivision, including 91 lots and four model homes, at a trustee sale in January 2009.

In early 2009, the City of Sacramento determined that the subdivision was not complete. Street lights had been damaged, streets need striping, and sidewalks were not deemed acceptable. The City is currently pursuing the former Developer and the surety bonding company to complete the aforementioned improvements. According to the City, no additional work can be performed, including construction of new homes, until this matter is resolved.

The lots and the vacant model homes have been secured and are maintained by the Agency, however, two homes have been vandalized. Given that the homes are vacant and that there is a continual need for housing, staff recommends renting the models. Tenant occupation of the vacant homes will provide the neighborhood with increased public visibility, while still allowing the models to be used in future marketing if desired. Staff proposes that the Housing Authority rent the properties at market rents and manage the four homes on behalf of the Redevelopment Agency. Renting the homes provides needed housing and defrays the cost of maintaining the homes and the 91 lots. A Request for Proposals (RFP) to identify a developer to build out the 91 lots will likely be issued once the public improvements are completed and the market for new homes has stabilized.

Phase VI

This phase is located in the northeast portion of Del Paso Nuevo. The Agency has completed all property acquisitions for Phase VI. The subdivision tentative map for 72 new homes has been submitted to the Planning Commission for approval. Infrastructure improvements in this phase are still needed and will be completed as funding becomes available.

Policy Considerations: The proposed action is consistent with the Del Paso Heights Redevelopment Plan and the Del Paso Heights Implementation Plan and

Approval of the Del Paso Nuevo Construction Loan and Rental of Model Homes

meets the following implementation plan goal: market and promote homebuyer programs while developing attractive new housing opportunities. This report is also consistent with the City's Strategic Plan goal to enhance and preserve neighborhoods.

Environmental Considerations:

California Environmental Quality Act (CEQA): The proposed action involves the financing of construction for 67 single family residences. The impacts of the entire Del Paso Nuevo project were evaluated in accordance with CEQA and a Mitigated Negative Declaration was adopted for the project. This action does not constitute a new project or a change in the project under CEQA; therefore, no further environmental review is required per CEQA Guidelines Sections 15378 and 15162.

Sustainability Considerations: The recommended actions would achieve the following goals within the City's Sustainability Master Plan:

- Establish and continuously improve "green" building standards for both residential and commercial development—new and remodeled (*Plan Goal # 6, Urban Design, Land Use, Green Building and Transportation*);
- Reduce long commutes by providing a wide array of transportation and housing choices near jobs for a balanced, healthy City. (*Plan Goal # 6, Urban Design, Land Use, Green Building and Transportation*).

Other: A Finding of No Significant Impact was made pursuant to the National Environmental Policy Act (NEPA) for the Del Paso Nuevo Project. There is no federal funding associated with this action. Therefore, no further action under NEPA is required.

Committee/Commission Action: At its meeting on February 25, 2010, the Del Paso Heights Redevelopment Advisory Committee (RAC) was updated on the progress of the implementation plan for all phases of Del Paso Nuevo. Agency staff will continue to work with the RAC on all aspects of the Del Paso Nuevo project.

Sacramento Housing and Redevelopment Commission: At its meeting on March 17, 2010, the Sacramento Housing and Redevelopment Commission considered the staff recommendation for this item. The votes were as follows:

AYES: Burruss, Chan, Dean, Fowler, Gore, Morgan, Morton, Otto, Rosa, Stivers

NOES: Shah

ABSENT: None

Rationale for Recommendation: The Phase IV Developer completed the infrastructure improvements and built 14 homes (including the four models)

Approval of the Del Paso Nuevo Construction Loan and Rental of Model Homes

without Agency financial assistance. Despite the housing market slow down, the Developer has made substantial progress toward completing the fourth phase of the Del Paso Nuevo project. The proposed Agency construction loan will ensure that the Del Paso Nuevo project, specifically Phase IV, will continue to move forward and meet the goal of providing a sustainable homeownership community that includes at least 300 new homes; more than 150 of which will be affordable to families at 80 percent of area median income.

Renting the four model homes in Phase V will stabilize the neighborhood, provide needed housing, and allows the Agency to lessen the financial burden of maintaining the subdivision.

Financial Considerations: The Loan Agreement obligates the Agency to lend \$1,200,000 of Del Paso Heights tax increment, \$580,000 of Del Paso Heights Low/Mod Housing funds and \$420,000 of 2006 Taxable Bond funds previously allocated to the Del Paso Nuevo project. The loan will establish a fund for construction of 67 single family residences with a minimum of 10 homes to be built at a time. This loan will have an interest rate at four percent and maturity on the note will be for a maximum of three years. Once the first ten homes are built and sold, the net sales proceeds will replenish the Agency loan fund and be reused to construct additional stages until the project is complete. Since construction costs are higher then the projected average sales prices, the principle balance will not be completely repaid unless home values appreciate. At this time, staff is hopeful that the loan will be repaid in full, but it is possible that a portion of the loan will need to be forgiven at the end of the project if sales prices do not appreciate.

M/WBE Considerations: The items discussed in this report have no M/WBE impact; therefore, M/WBE considerations do not apply.

In any event, the principal amount of the Loan shall not exceed the Loan Amount.

5.2. USE OF LOAN FUNDS. Loan funds shall be used solely for actual costs of the Project as stated in the Budget. No Loan funds shall be used for any costs, except as provided in the Budget. At Close of Escrow, Lender's Trust Deed shall be a valid lien against the Property securing the Loan and subject to no exceptions to title (of record or off record) other than the exceptions listed in the "Conditions of Title" in the Escrow Instructions.

6.2. **CONDITIONS TO LENDER'S PERFORMANCE.** Lender's obligation to perform under this Loan Agreement is subject to all of the following conditions: (a) Borrower has performed all of its obligations then to be performed pursuant to this Loan Agreement; (b) the closing conditions as defined in the Escrow Instructions have been fulfilled as of Close of Escrow; (c) Borrower's representations and warranties in this Loan Agreement are true and correct as of the Close of Escrow; (d) the Agreement continues to be in full force and effect, no default on the part of Borrower has occurred under the Loan Agreement, and no event has occurred that, with the giving of notice or the passage of time, will constitute a default by Borrower under the Loan Agreement; and (e) Lender has approved the Approval Documents.

6.3. **CONDITIONS TO BORROWER'S PERFORMANCE.** Borrower's obligation to perform under this Loan Agreement is subject to satisfaction of all of the following conditions: (a) Lender has performed all of its obligations then to be performed pursuant to this Loan Agreement; (b) the closing conditions as defined in the Escrow Instructions have been fulfilled as of Close of Escrow; (c) Borrower has met the Conditions to Close of Escrow, (d) Lender's representations and warranties in this Loan Agreement are correct as of the date of this Loan Agreement and as of the Close of Escrow; and (e) the Loan Agreement continues to be in full force and effect, no default on the part of Lender has occurred under the Loan Agreement, and no event has occurred that, with the giving of notice or the passage of time, will constitute a default by Lender under the Loan Agreement.

7. **RELOCATION.** Lender is required by law to provide relocation services and make relocation payments to eligible tenants that are displaced as a result of the Project. Relocation, if necessary has already been accomplished and is not required or contemplated for the further implementation of this Project. Borrower shall comply fully with all relocation laws that are the obligation of Lender or are otherwise applicable to the Project. Borrower's compliance with the relocation requirements as stated in this Section 7 is a material element of this Loan. Borrower's failure to comply with the relocation requirements as stated in this Section 7 is an Event of Default, subject to Borrower's opportunity to cure in accordance with applicable law.

7.1. **COOPERATION AND ACCESS.** Should an unanticipated activity displace or temporarily displace an eligible occupant, Borrower shall cooperate fully with Lender in complying with such relocation laws, including without limitation, providing Lender access to all tenants of the Property, to all books and records related to the tenants of the Property and to all properties offered for temporary or permanent relocation. Prior to taking any action with respect to relocation of tenants, Borrower shall meet with Lender to establish reasonable protections for occupants or tenants and related reporting requirements for Borrower.

8. **CONSTRUCTION.** As a condition of the Loan, Borrower will diligently proceed with construction in accordance with the Scope of Development as approved by Lender. Borrower shall complete such work on or before the Completion Date, subject to Unavoidable Delay.

8.1. **CHANGES.** In order to assure sufficient funding for the Project, Borrower shall not authorize a material Change without the prior written consent of Lender. If in the judgment of Lender, a Change, together with all other Changes contemplated or previously approved by Lender, will cause an increase in the cost of the Project in excess of the contingency reserve identified in the Budget, then Borrower will, as a condition precedent to Lender's consent, provide Lender with proof that the contingency reserve has been increased as necessary to pay for all such Changes. Borrower will submit any such Change to Lender for approval on a form acceptable to Lender, together with approvals by the Project Architect, if any, and the General Contractor. Borrower may make non-material changes without prior Lender approval so long as Borrower maintains funds available in the contingency reserve that are in substantially the same percentage of the original contingency reserve as the percentage of the Project then remaining to be completed.

8.2. **CONTRACTORS AND CONTRACTS.** Upon Lender's request, Borrower will furnish to Lender correct lists of all contractors, subcontractors and material suppliers employed in connection with the Project, specifying their addresses, their respective portion of the Project and their respective Project cost. Lender may contact directly each contractor, subcontractor, and material supplier to verify the facts disclosed by the list or for any other purpose related to the Loan. All

contracts let by Borrower or its contractors relating to the Project will require them to disclose to Lender information sufficient to make such verification.

8.3. NO DISCRIMINATION DURING CONSTRUCTION. Borrower for itself, the general contractor and their respective successors and assigns, agrees that the following provisions shall apply to, and be contained in all contracts and sub-contracts for the construction of the Project.

8.3.1. EMPLOYMENT. Borrower shall not discriminate against any employee or applicant for employment because of sex, race, color, religion, ancestry, national origin, disability, medical condition, marital status, or sexual orientation. Borrower will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their sex, race, color, religion, ancestry, national origin, disability, medical condition, marital status, or sexual orientation. Such action shall include, but not limited to, the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Borrower agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Agency setting forth the provisions of this nondiscrimination clause.

8.3.2. ADVERTISING. Borrower will, in all solicitations or advertisements for employees placed by or on behalf of the Borrower, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, creed, sex, marital status, national origin, ancestry, familial status, or disability.

8.3.3. MONITORING PROVISIONS. Borrower, Contractor and subcontractors shall comply with the requirements of the Agency for monitoring the anti-discrimination and all applicable labor requirements.

8.4. INSPECTION. Lender may, at any time and without notice to Borrower, enter on the Property and inspect the Project; and, during regular business hours, examine the books, records, accounting data, plans, shop drawings, specifications, and other documents of Borrower pertaining to the Project and to make extracts or copies. Borrower shall make all such documents available to Lender promptly on demand. Borrower agrees to cooperate fully (and to cause the General Contractor to cooperate fully) with the Lender and its Lender's designated agent and to permit all appropriate access to the Property and to all relevant books and records. Borrower shall bear the cost of reasonable inspections, except that Lender shall bear its costs of inspection. If however, Lender's inspection discovers issues of a nature that require further third-party review or investigation, Borrower shall bear the costs of such third party review.

8.5. PROTECTION AGAINST LIEN CLAIMS. Borrower shall promptly and fully discharge all claims for labor, materials and services in connection with the Project. Borrower shall promptly file a valid Notice of Completion on completion of the Project. Borrower shall promptly file a Notice of Cessation in the event of a cessation of labor on the Project for a continuous Period of (30) days or more. Borrower shall take all other reasonable steps to protect against the assertion of lien claims against the Property. Within ten (10) days after the filing of any claim of lien against the Property, Borrower shall record a surety bond in the office of the Recorder of the County where the Property is located in an amount sufficient to release the claim of lien or deliver to Lender any other assurance as may be acceptable to Lender as evidenced by Lender's written acceptance of such assurance.

8.5.1. Lender, at any time, may require Borrower to obtain a lien waiver with respect to each payment to the General Contractor and each payment by the General Contractor or Borrower to each of the various subcontractors and material suppliers. Lender, at any time, may require Borrower to make any payments for the Project by joint check made payable to the General Contractor and subcontractor for whose account the payment is to be made, as joint payees.

8.5.2. In any event, Borrower is not required to pay, prior to adjudication, any claims for labor, materials, or services that Borrower, in good faith, reasonably disputes, and that Borrower, at its own expense, is currently and diligently contesting in the proper forum, provided that Borrower has filed the surety bond or given Lender such other assurance as Lender accepts in writing.

8.6. SECURITY INSTRUMENTS. Upon request by Lender and subject to the security interests of lender whose loan is secured by the Property and senior to Lender's security interest in the Property, Borrower shall execute and deliver to Lender a security instrument in favor of Lender naming as secured property all contracts related to the Project and all other property of any kind owned by Borrower and used primarily in connection with the Property. Lender may require such instrument at any time, and from time to time may require additions of new contracts and other property. Borrower

irrevocably assigns to Lender, effective upon Lender's written demand, as security for the due performance of this Loan Agreement all of its right, title, and interest in the Assigned Documents.

8.7. OTHER LENDER DRAW. Borrower shall provide Lender with true, accurate and correct copies of each Other Lender Draw, if any, including without limitation all supporting information, documents, and other required submittals. Lender shall have the right to reject an Other Lender Draw, for failing to comply with the Loan, for changing the Project in any material way, or for impairing the ability of Lender to enjoy the practical realization of its rights under the Loan and its related instruments. If Lender rejects an Other Lender Draw, Borrower shall withdraw the Other Lender Draw and shall not accept and shall return any disbursement on account of such Other Lender Draw.

8.7.1. ACKNOWLEDGMENT OF RELIANCE. Borrower acknowledges that Lender is making Loan disbursements in advance of disbursements of other lenders in reliance upon Borrowers compliance with this provision.

8.8. NO PRIOR LIENS. Borrower shall not allow the Project construction to begin or materials to be delivered to the Project until after Close of Escrow.

9. PREVAILING WAGES. In accordance with Labor Code Section 1720(c)(4), so long as the sole and only public subsidy for the Project is from the Lender's Low and Moderate Income Housing Fund, the Project is not subject to prevailing wages. Borrower represents to the Lender that Borrower has obtained no other public subsidy for the Project. If Borrower obtains other public subsidy, Borrower shall pay prevailing wages for the Project. Therefore, Borrower indemnifies, holds harmless and defends the Lender from all additional wages, benefits, fees, penalties, fines, legal fees, court costs, arbitration costs, and other costs arising from the improper application of California prevailing wage laws to the Project by Borrower or General Contractor or both of them. In accordance with Labor Code Section 1720(c)(6)(E)), so long as the public subsidy for the Project consists of below market rate loans, and the Project restricts occupancy on at least 40% of the units for at least 20 years to individuals or families earning no more than 80% of the area median income, the Project is not subject to prevailing wages. Borrower represents to the Lender that Borrower has obtained no public subsidy for the Project that does not meet such criteria. If Borrower obtains other non-qualifying public subsidy, Borrower shall pay prevailing wages for the Project. Therefore, Borrower indemnifies, holds harmless and defends the Lender from all additional wages, benefits, fees, penalties, fines, legal fees, court costs, arbitration costs, and other costs arising from the improper application of California prevailing wage laws to the Project by Borrower or General Contractor or both of them.

10. LOAN DISBURSEMENT PROCEDURES.

10.1. CONDITIONS PRECEDENT TO EACH LOAN DISBURSEMENT. The obligation of Lender to make any disbursements under this Loan Agreement shall be subject to the following conditions precedent:

10.1.1. No Event of Default or Potential Default of Borrower has occurred and is continuing.

10.1.2. If requested by Lender, Borrower has furnished to Lender, as a Project cost, an endorsement to the Title Policy showing no intervening liens or encumbrances on the Property and insuring the full disbursement, together with a satisfactory report under the California Uniform Commercial Code showing no liens or interests other than those of Lender.

10.1.3. Lender is satisfied that all completed work has been done using sound, new materials and fixtures, in a good and proper manner, and all materials, fixtures, and furnishings installed on or acquired for the Property will be owned by Borrower free of any liens, encumbrance, or other interests of any kind other than Lender's lien or security interest.

10.1.4. The representations and warranties in the Loan Documents are correct as of the date of the requested disbursement.

10.2. CONDITIONS PRECEDENT TO FIRST DISBURSEMENT. Borrower's request for the first Loan disbursement is a representation and warranty by Borrower that there has been no material adverse change in Borrower's financial capacity or in any representation made to Lender in Borrower's application for the Loan or Borrower's supporting documentation. Lender shall make the first loan disbursement under this Loan Agreement when the following conditions precedent and the conditions precedent stated in Section 10.1 have been met:

Such permanent financing approval must provide: (a) that it is subject only to those conditions that are usual and customary in the industry and that can be satisfied by the proposed closing date of the permanent financing; (b) that it is in full force with no default by any party; and (c) that Lender will have notice of, and a reasonable opportunity to cure, any Borrower defaults.

10.2.4. Borrower has provided proof of all insurance required by the Loan Documents.

10.2.5. Borrower has filed all tax returns required to be filed and paid all taxes due, which, if unfiled or unpaid, might adversely affect Lender's security under the Security Documents.

10.5. COMPLIANCE. To the best of Borrower's knowledge, the construction, use, and occupancy of the Property and Project comply in full with, or if built according to the Plans and Specifications, will comply in full with, all Governmental requirements. No right to construct or use the Project is to any extent dependent on any real property other than the Property. All approvals, licenses, permits, certifications, filings, and other actions normally accepted as proof of compliance with all Governmental requirements by prudent lending institutions that make investments secured by real property in the general area of the Property, to the extent available as of the date of this Loan Agreement, have been given or taken, or Borrower is entitled to have them given or taken as the ministerial act of the applicable Governmental Authority.

11. DEFAULT.

11.1. EVENTS OF DEFAULT. At the option of Lender, each of the following events will constitute an Event of Default, subject to applicable cure rights, if any:

11.1.1. The occurrence of an Event of Default under the Trust Deed.

11.1.2. Subject to Borrower's legal rights to contest a governmental requirement, Borrower's failure to comply with any governmental requirements, unless within ten (10) days after notice of such failure by Lender or the respective governmental entity or after any action has been commenced to enforce such requirement, Borrower has cured such failure.

11.1.7. The attachment, levy, execution, or other judicial seizure of any portion of the Property or Project, or any substantial portion of the other assets of Borrower, that is not released, expunged, bonded, discharged, or dismissed within thirty (30) days after the attachment, levy, execution, or seizure.

11.1.8. Making of any unauthorized payment from Loan Proceeds or other funds of Lender.

12. REMEDIES.

12.1. **OPTION TO ACT.** On the occurrence of any Event of Default, in addition to its other rights in this Loan Agreement or in any of the other Loan Documents, at law, or in equity, Lender may, without prior demand, exercise any one or more of the following rights and remedies:

12.1.1. Terminate its obligation to make disbursements.

12.1.2. Declare the Note and all other sums owing to Lender with respect to the other Loan Documents immediately due.

12.1.3. Make any disbursements after the happening of any one or more of the Events of Default, without waiving its right to demand payment of the Note and all other sums owing to Lender with respect to the other Loan Documents or any other rights or remedies and without liability to make any other or further disbursements, regardless of Lender's previous exercise of any rights and remedies.

12.1.4. Proceed as authorized at law or in equity with respect to the Event of Default, and in connection with that, remain entitled to exercise all other rights and remedies described in this Loan Agreement or the Trust Deed.

12.1.5. Recover its funds expended in exercising or enforcing any of its rights or remedies under any of the Loan Documents, together with interest at the maximum amount allowed by law from the date the funds were spent until repaid which amounts will be deemed secured by the Trust Deed.

12.2. **RIGHTS CUMULATIVE, NO WAIVER.** All of Lender's rights and remedies provided in this Loan Agreement or in any of the other Loan Documents are cumulative and may be exercised by Lender at any time. Lender's exercise of any right or remedy will not constitute a cure of any Event of Default unless all sums then due to Lender under the Loan Documents are repaid and Borrower has cured all other Events of Default. No waiver will be implied from Lender's failure to take, or delay in taking, any action concerning any Event of Default or from any previous waiver of any similar or unrelated Event of Default. Any waiver under any of the Loan Documents must be in writing and will be limited to its specific terms.

12.3. **DISCLAIMER.** Whether Lender elects to employ any of the remedies available to it in connection with an Event of Default, Lender will not be liable to construct, complete, or protect the Project; to pay any expense in connection with the exercise of any remedy; or to perform any other obligation of Borrower.

12.4. **GRANT OF POWER.** Subject to the prior rights of lenders whose loans are secured by the Property and senior to the rights of Lender, Borrower irrevocably appoints Lender as its attorney-in-fact, with full power and authority, including the power of substitution, exercisable on the occurrence of an Event of Default, to act for Borrower in its name, place, and stead as provided in this Loan Agreement, to take possession of the Property and Project, remove all employees, contractors, and agents of Borrower, to complete or attempt to complete the work of construction, and to market, sell, or lease the Property and Project; to make any additions, changes, and corrections in the Plans as may be necessary or desirable, in Lender's sole discretion, or as it deems proper to complete the Project; to employ any contractors, subcontractors, suppliers, architects, inspectors, consultants, property managers, and other agents that Lender, in its sole discretion, deems proper for the completion of the Project, for the protection or clearance of title to the Property or Personalty, or for the protection of Lender's interests, to employ security guards to protect the Property and Project from injury or damage; to pay, settle, or compromise all bills and claims then existing or later arising against Borrower that Lender, in its sole discretion, deems proper for the completion of the Project, for the protection or clearance of title to the Property, or for the protection of Lender's interests; to prosecute and defend all actions and proceedings in connection with the Property or Project; and to execute, acknowledge, and deliver all other instruments and documents in the name of Borrower that are necessary or desirable, to exercise Borrower's rights under all contracts concerning the Property or

13.1. LIABILITY INSURANCE POLICY LIMITS. Borrower shall obtain all insurance under this Section 13 written with a deductible of not more than ONE HUNDRED THOUSAND DOLLARS (\$100,000) or an amount approved by Lender, and for limits of liability which shall not be less than the following:

13.3. COMMERCIAL GENERAL LIABILITY. Borrower shall obtain and maintain Commercial General Liability insurance in Insurance Services Office ("ISO") policy form CG 00 01 Commercial General Liability (Occurrence) or better. Such insurance shall have limits of liability, which are not less than \$1,000,000, per occurrence limit; \$5,000,000 general aggregate limit, and \$5,000,000 products and completed operations aggregate limit, all per location of the Project.

13.4. COMPREHENSIVE AUTOMOBILE LIABILITY. Borrower shall obtain and maintain comprehensive automobile liability coverage for any vehicle used for, or in connection with, the Project (owned, nonowned, hired, leased) having a combined single limit of not less than \$1,000,000.

13.5. PROPERTY INSURANCE. For the duration of the Regulatory Agreements, Borrower shall obtain and maintain property insurance in ISO policy form CP 10 30 - Building and Personal Property Coverage - Causes of Loss - Special Form, to the full insurable value of the Property with no coinsurance penalty (and with endorsements of Builder's Risk until completion of construction of the Project), Boiler and Machine to the extent necessary to obtain full insurance coverage, and with such other endorsements and in such amounts as the Lender may reasonably require to protect the Project and the Property. In the event of damage to the Project and subject to the requirements of Lender, Borrower shall use the proceeds of such insurance to reconstruct the Project and the public improvements.

13.6. INSURANCE PROVISIONS. Each policy of insurance required under this Loan Agreement shall be obtained from a provider licensed to do business in California and having a current Best's Insurance Guide rating of B++ VII, which rating has been substantially the same or increasing for the last five (5) years, or such other equivalent rating, as may reasonably be approved by Lender's legal counsel. Each policy shall contain the following provisions as applicable, unless otherwise approved by Lender's legal counsel in writing in advance:

13.6.1. ADDITIONAL INSURED. Borrower shall obtain a policy in ISO form CG 20 33 or better, naming Lender as additional insured under the Commercial General Liability Policy.

13.6.2. SINGLE PROJECT INSURANCE. It is the intent of the parties that the Project have available all the specified insurance coverages. Borrower shall not provide insurance coverages that are considered in aggregate with other Projects which Borrower or its General Contractor might have concurrently under construction. Approval of the Del Paso Nuevo IV Construction Loan and Rental of Model Homes

Borrower shall immediately inform Lender of the change in or addition to any such projects. Nevertheless, Lender may, at any time require that the insurance coverage be provided solely for the Project.

13.6.3. CERTIFIED POLICY COPY. Borrower shall provide Lender with a certified copy of each required policy of insurance. Pending delivery of the certified policy, Borrower shall provide Lender with a Certificate of Insurance of Insurance for each policy on the applicable ACORD form. The ACORD form shall not substitute for the policy. ACORD 25-S "Certificate of Liability Insurance shall be used for liability insurance deleting the sentence in the top right-hand block immediately below the title (commencing "This certificate is issued as a matter of information . . .") and in the bottom right-hand box above the authorized representative signature, deleting the words "endeavor to" and "but failure to do so shall impose not obligation or liability of any kind upon the insurer, its agents or representatives."

13.6.4. CANCELLATION. Each policy shall bear an endorsement precluding cancellation or termination of the policy or reduction in coverage unless the Lender has been given written notice of such intended action at least thirty (30) days prior to its effective date.

13.7. FAILURE TO MAINTAIN. If Borrower fails to obtain or maintain, or cause to be obtained and maintained, any insurance required by this Loan Agreement, the Lender shall have the right, upon five (5) days written notice and opportunity to cure, to purchase the insurance on Borrower's behalf, and Borrower shall promptly reimburse the full cost of such insurance to the Lender. If Borrower fails to reimburse the Lender for insurance, the amount of unpaid reimbursement shall bear interest, at the maximum rate permissible under the law, until paid.

13.8. BLANKET COVERAGE. Borrower's obligation to carry insurance as required under this Section 16 may be satisfied by coverage under a "blanket" policy or policies of insurance (as the term is customarily used in the insurance industry); provided, however, that the Lender shall nevertheless be named as an additional insured under such blanket policy or policies to the extent required by this Section, the coverage afforded the Lender will not be reduced or diminished thereby, and all of the other requirements of this Section 13 with respect to such insurance shall otherwise be satisfied by such blanket policy.

14. MISCELLANEOUS.

14.1. NONRECOURSE. Notwithstanding any provision of this Loan Agreement or any document evidencing or securing this Loan, Borrower, and Borrower's principals, partners, members, agents, officers, and successors in interest shall not be personally liable for the payment of the Loan or any obligation of the Loan.

14.2. CURE BY PARTY OTHER THAN BORROWER. Any lender whose loan is secured by the property and any principal of Borrower may cure a default of the Loan, provided that such cure rights shall be the same as Borrower's cure rights. Such other curing party must cure by the date on which Borrower was obligated to cure, except if Lender is obligated by this Loan Agreement to give separate notice to such other curing party, in which instance, the cure period shall begin when Lender makes such notice to such other curing party.

14.3. CONDEMNATION. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of all or any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender. In the event of a taking of all of the Property, the proceeds shall be applied to the sums provided by this Loan, subject to any claims of prior lienholder, with the excess, if any, paid to junior lienholders and Borrower, as they may determine. In the event of the partial taking of the Property, unless Borrower and Lender otherwise agree in writing, and subject to any claims of prior lienholders, there shall be applied to the sums secured by this Deed of Trust such proportion of the proceeds as is equal to that proportion which the amount of the sums secured by this Deed of Trust immediately prior to the date of taking bears to the fair market value of the Property immediately prior to the date of taking, with the balance of the proceeds paid to junior lienholders and Borrower, as they may determine.

If the condemnor offers to make an award or settle a claim for damages to the Property and: (1) the Property is abandoned by Borrower; or (2) after notice by Lender to Borrower of the condemnor's offer, Borrower fails to respond to Lender within 30 days after the date such notice is mailed; Lender is authorized to collect and apply the proceeds, at Lender's option, either to restoration or repair of the Property or to the sums secured by this Deed of Trust.

Unless Lender and Borrower otherwise agree in writing, any such application of proceeds to principal shall not extend or postpone the due date of any payment or change the amount of such payment.

14.4. SUBORDINATION. Lender will subordinate this Loan to the senior loan, provided that the senior loan for the Project indicated in the Budget meets all requirements of this Loan Agreement, and that the senior loan does not require modification of this Loan Agreement, Lender's execution of any agreements containing new or modified Loan terms or Lender's execution of any agreement creating a contractual relationship between Lender and the senior lender including obligations or liabilities between Lender and the senior lender.

14.5. FEDERAL REQUIREMENTS. If any Loan Program is federally funded, Borrower shall comply with all laws, rules, regulations and funding requirements that govern the use of such funds. Lender shall fully cooperate with, and assist, Borrower in fulfillment of such obligations.

14.6. NATURE OF REPRESENTATIONS AND WARRANTIES. Borrower certifies to Lender that all representations and warranties made in this Loan Agreement and all other Loan Documents are true and correct in all material respects and do not contain any untrue statement of a material fact or omit any material fact necessary to make the representations and warranties not misleading. All representations and warranties will remain true and correct in all material respects and will survive so long as any of Borrower's obligations have not been satisfied or the Loan or any part of it remains outstanding, and for any applicable statute of limitations period. Each request by Borrower for a disbursement will constitute an affirmation that all representations and warranties remain true and correct as of the date of that request. Each representation and warranty made in this Loan Agreement, in any other Loan Documents, and in any other document delivered to Lender by Borrower will be deemed to have been relied on by Lender, regardless of any investigation, inspection, or inquiry made by Lender or any related disbursement made by Lender. The representations and warranties that are made to the best knowledge of Borrower have been made after diligent inquiry calculated to ascertain the truth and accuracy of the subject matter of each representation and warranty.

14.7. FINANCIAL STATEMENTS. Borrower shall provide Financial Statements when requested by Lender, but in any event not more often than quarterly during construction of the Project or annually, thereafter. Borrower shall assure that Financial Statements are prepared in accordance with generally accepted accounting principles. If requested by Lender as reasonably necessary to assure the security of its Loan, Borrower shall provide Financial Statements prepared or reviewed by a licensed Certified Public Accountant or Public Accountant and fully reflecting the assets and liabilities of the party concerning whom they were prepared.

14.8. NO WAIVER. No failure or delay on the part of Lender in exercising any right or remedy under the Loan Documents will operate as a waiver nor will Lender be estopped to exercise any right or remedy at any future time because of any such failure or delay. No express waiver will affect any matter other than the matter expressly waived and that waiver will be operative only for the time and to the extent stated. Waivers of any covenant, term, or condition in this Loan Agreement will not be construed to waive any subsequent breach of the same covenant, term, or condition.

14.9. NO THIRD PARTIES BENEFITED. This Loan Agreement is made and entered into for the sole protection and benefit of the parties and their permitted successors and assigns, and no other Person will have any right of action or any rights to funds at any time on deposit in the Construction Account or the Impound Account, if established.

14.10. NO JOINT VENTURE, PARTNERSHIP, OR OTHER RELATIONSHIP. No Joint Venture, Partnership, or Other Relationship. No Joint Venture, Partnership, or Other Relationship. Nothing contained in this Agreement or in any other document executed in connection with this Agreement shall be construed as creating a joint venture or partnership between Lender and Borrower. Each Party is acting as an independent entity and not as an agent of the other in any respect. No relationship, because of this Loan Agreement, exists as between Lender and Borrower other than that of a lender and a borrower.

14.11. NOTICES. Borrower irrevocably appoints Lender as its agent (the agency being coupled with an interest) to file for record any notices of completion, cessation of labor, or any other notice that Lender deems necessary or desirable to protect its interests under this Loan Agreement or under the Loan Documents.

14.11.1. METHOD. All notices to be given under this Loan Agreement shall be in writing and sent to the addresses stated above for the respective recipient by one or more of the following methods.

a. Certified mail, return receipt requested, in which case notice shall be deemed delivered three (3) business days after deposit, postage prepaid in the United States Mail;

Approval of the Del Paso Nuevo IV Construction Loan and Rental of Model Homes

b. A nationally recognized overnight courier, by priority overnight service, in which case notice shall be deemed delivered one (1) business day after deposit with that courier;

c. Hand delivery with signed receipt for delivery from a person at the place of business of the receiving party and authorized to accept delivery for the receiving party, in which case notice shall be deemed delivered upon receipt, or

d. Telecopy, if a copy of the notice is also sent the same day by United States Certified Mail, in which case notice shall be deemed delivered one (1) business day after transmittal by telecopier, provided that a transmission report is automatically generated by the telecopier reflecting the accurate transmission of the notices to receiving party at the "Fax Number" given in the Escrow Attachment or to such other address as Borrower or Lender may respectively designate by written notice to the other.

14.11.2. **SHORT TERM NOTICES.** Notices, including requests for approval, requiring action in less than thirty (30) days may only be given by the foregoing overnight courier or hand delivery method, and shall include the following language on its face: "URGENT – TIME SENSITIVE – IMMEDIATE ACTION REQUIRED" and marked for delivery to Portfolio Management. Such notice shall include the time allowed under this Loan Agreement for action.

14.12. **ACTIONS.** Lender will have the right to commence, appear in, or defend any action or proceeding purporting to affect the rights, duties, or liabilities of the parties, or the disbursement of any funds under this Loan Agreement. In connection with that, Lender may incur and pay costs and expenses, including, without limitation, reasonable attorney fees. Borrower agrees to pay to Lender on demand all these expenses, and Lender is authorized to disburse funds from the Construction Account for that purpose. This Section does not apply to actions or proceedings between the parties.

14.13. **SIGNS.** Borrower agrees that on the request of Lender, Borrower will erect and place on or in the immediate vicinity of the Property a sign indicating that Lender has provided construction financing for the Project, which sign shall remain for the duration of construction. If Borrower places a sign on the Property during construction stating the names of the Project participants, it shall also name "Sacramento Housing and Redevelopment Agency" as a participant in the Project. Lender's name on the sign shall be in letters not less than size of letters used to name any of the other participants.

14.14. **ASSIGNMENT.** The terms of this Loan Agreement will be binding on and inure to the benefit of successors and assigns of the parties. However, Borrower shall not assign this Loan Agreement or any interest it may have in the monies due or, except as otherwise provided, convey or encumber the Property without the prior written consent of Lender to a party other than a general partner or managing member of Borrower or a single asset entity wholly owned and controlled by Borrower or a general partner or managing member of Borrower. However, if there is an assignment, conveyance, or encumbrance, Lender may nevertheless at its option continue to make disbursements under this Loan Agreement to Borrower or to those who succeed to Borrower's title, and all sums so disbursed will be deemed to be disbursements under this Loan Agreement and not modifications, and will be secured by the Trust Deed. Lender may at any time assign the Loan Documents to any affiliate of Lender or to a national bank or other lender having experience with construction lending, and the assignee will assume the obligations of Lender, and Lender will have no further obligation of any nature. In that case, the provisions of this Loan Agreement will continue to apply to the Loan, and the assignee will be substituted in the place and stead of Lender, with all rights, obligations, and remedies of Lender, including, without limitation, the right to further assign the Loan Documents. In addition, Lender may at any time assign a participation in the Loan to any other party, provided that Lender continues to be primarily obligated under this Loan Agreement.

14.15. **ACCELERATION ON TRANSFER OR REFINANCING OF THE PROPERTY; ASSUMPTION.** Except as otherwise provided in the Loan Agreement, if all or any part of the Property or an interest in the Property is sold, transferred or conveyed to any person, or refinanced by Borrower such that additional debt is added to the property or the cash flows change without Lender's prior written consent, Lender may, at Lender's option, declare all the sums secured by this Deed of Trust to be immediately due and payable. Lender shall have waived such option to accelerate if, prior to the refinancing, sale or transfer, Lender and the person to whom the Property is to be sold or transferred reach agreement in writing that the loan may be assumed. If Lender has waived the option to accelerate provided in this Section and if Borrower's successor in interest has executed a written assumption agreement accepted in writing by Lender, Lender shall release Borrower from all obligations under this Deed of Trust and the Note

Approval of the Del Paso Nuevo IV Construction Loan and Rental of Model Homes

14.16. **PREPAYMENT.** Borrower may prepay the Loan only on and subject to the terms and conditions in the Note. Borrower shall have no rights to receive, and under no circumstances will Borrower receive repayment of any fees previously paid to Lender.

14.17. **BORROWER'S RESPONSIBILITIES.** To prevent and avoid construction defects, Borrower shall inspect, review, supervise, and assure the high quality, adequacy, and suitability of: (i) the Plans and Specifications and all changes and amendments; and (ii) architects, contractors, subcontractors, and material suppliers employed or used in the Project, and the workmanship of and the materials used by all of them; and (iii) the progress and course of construction and its conformance with the Plans and Specifications and any amendments, alterations, and changes that may be approved by Lender. Borrower will, at Borrower's expense, defend, indemnify, save, and hold Lender harmless against all claims, demands, losses, expenses, damages (general, punitive, or otherwise), and causes of action (whether legal or equitable) asserted by any Person arising out of the use of the proceeds of the Loan. Borrower will pay Lender on demand all claims, judgments, damages, losses, or expenses (including attorney fees and expenses) incurred by Lender as a result of any legal action arising out of the use of the proceeds of the Loan. The provisions of this Section will survive the termination of this Loan Agreement and the repayment of the Loan.

14.18. **NONLIABILITY FOR NEGLIGENCE, LOSS, OR DAMAGE.** Borrower acknowledges, understands, and agrees as follows:

14.18.1. The relationship between Borrower and Lender is, and will at all times remain, solely that of borrower and lender, and Lender neither undertakes nor assumes any responsibility for or duty to Borrower to select, review, inspect, supervise, pass judgment on, or inform Borrower of the quality, adequacy, or suitability of the Project work, except as to matters which are within the intent and purpose for which Lender has made the Loan.

14.18.2. Lender owes no duty of care to protect Borrower against negligent, faulty, inadequate, or defective building or construction.

14.18.3. Lender will not be responsible or liable to Borrower for any loss or damage of any kind to person or property whether suffered by Borrower or any other Person or group of Persons or for negligent, faulty, inadequate, or defective building or construction, and Borrower will hold Lender harmless from any liability, loss, or damage for these things.

14.19. **CONTROLLING LAW; VENUE.** The Loan Documents will be governed by and construed in accordance with California law. The venue for any legal action or proceeding will be in the County of Sacramento, California.

14.20. **CONSENTS AND APPROVALS.** All consents and approvals by Lender required or permitted by any provision of this Loan Agreement will be in writing. Lender's consent to or approval of any act by Borrower requiring further consent or approval will not be deemed to waive or render unnecessary the consent or approval to or of any subsequent similar act.

14.21. **SURVIVAL OF WARRANTIES AND COVENANTS.** The warranties, representations, conditions, covenants, and agreements in this Loan Agreement and in the other Loan Documents will survive the making of the Loan and the execution and delivery of the Note and will continue in full force until the Indebtedness has been paid in full. Nothing in this Section is intended to limit any other provision of the Loan Documents that by their stated terms survive the repayment of the Indebtedness or the termination of any Loan Document.

14.22. **RECORDING AND FILING.** Borrower, at its expense, will cause the Security Documents and all supplements to be recorded and filed and re-recorded and re-filed in any manner and in any places as Lender will reasonably request, and will pay all recording, filing, re-recording, and re-filing taxes, fees, and other charges.

14.23. **LOAN EXPENSES.** In making the first disbursement, Lender may, at its option, deduct from the proceeds of that disbursement a sum equal to the aggregate of the following, to the extent Lender has knowledge of it and demand has been made on Lender at the time of the deposit: all expenses specifically incurred in connection with the Loan or the preparation, execution, and delivery of the Loan Documents, including, but not limited to, recording costs and expenses, transfer and other taxes (if any), surveys, appraisal fees, title and hazard insurance premiums, recording, notary, and escrow charges, and all other similar, usual, or customary loan closing charges and expenses; and any other budgeted expenses that have been approved by Lender in writing; and Lender will, for the benefit of Borrower, pay those amounts over to the

respective parties on whose behalf the demands will have been received by Lender. Borrower will pay directly any expenses in connection with the Loan not so paid by Lender, including, without limitation, any of the expenses specified above, and will hold Lender free from any cost, liability, or obligation of any nature in connection with it. Borrower further agrees to pay on demand all out-of-pocket costs and expenses reasonably incurred by Lender including, without limitation, in connection with: (i) the administration of the Loan, including, without limitation, all approvals or consents given or contemplated to be given under the Loan Documents, all amendments to the Loan Documents entered into by Lender or requested by any Loan Party, and all title insurance policies and endorsements required by Lender, and (ii) the enforcement of any rights or remedies under the Loan Documents, whether any action or proceeding is commenced, or the protection of the security, or interests of Lender under the Loan Documents. All costs and expenses, together with interest at Loan rate, will form a part of the indebtedness and will be secured by the Security Documents.

14.24. **NO REPRESENTATIONS BY LENDER.** By accepting or approving anything required to be observed, performed, or fulfilled, or to be given to Lender pursuant to this Loan Agreement or pursuant to the Loan Documents, including, but not limited to, any officer's certificate, balance sheet, statement of income and expense, or other Financial Statement, survey, appraisal, or insurance policy, Lender will not be deemed to have warranted or represented the sufficiency, legality, effectiveness, or legal effect of it or of any particular term, provision, or condition of it, and any acceptance or approval will not be or constitute any warranty or representation by Lender.

14.25. **AMENDMENT.** The Loan Documents and the terms of each of them may not be modified, waived, discharged, or terminated except by a written instrument signed by the party against whom enforcement of the modification, waiver, discharge, or termination is asserted.

14.26. **TERMINATION.** Except as otherwise provided in the Loan Documents, all rights and obligations under this Loan Agreement will terminate except as to any accrued obligations effective on the payment of all Indebtedness owing by Borrower to Lender.

14.27. **COUNTERPARTS.** The Loan Documents may be executed in any number of counterparts and by different parties in separate counterparts, each of which when executed and delivered will be deemed an original and all of which counterparts taken together will constitute one and the same instrument.

14.28. **SEVERABILITY.** If any term, provision, covenant, or condition or any application is held by a court of competent jurisdiction to be invalid, void, or unenforceable, all terms, provisions, covenants, and conditions and all applications not held invalid, void, or unenforceable will continue in full force and will in no way be affected, impaired, or invalidated.

14.29. **CAPTIONS.** All Article and Section headings in the Loan Documents are inserted for convenience of reference only and do not constitute a part of the Loan Documents for any other purpose.

14.30. **INDEMNITY.** Borrower agrees to defend, indemnify, and hold Lender harmless from all losses, damages, liabilities, claims, actions, judgments, costs, and reasonable attorney fees that Lender may reasonably incur as a direct or indirect consequence of the making of the Loan, Borrower's failure to perform any obligations as and when required by this Loan Agreement or any of the other Loan Documents, the failure at any time of any of Borrower's representations or warranties to be true and correct, or any act or omission by Borrower, any contractor, subcontractor, engineer, architect, or other Person with respect to the Property, the Project, or any portion of them. Borrower will pay immediately on Lender's demand any amounts owing under this indemnity, together with interest at the maximum rate permitted by law from the date Lender makes a payment or incurs a loss. Borrower's duty to indemnify Lender will survive the release and cancellation of the Note and the reconveyance or partial reconveyance of the Trust Deed.

14.31. **FURTHER ASSURANCES.** At Lender's request and at Borrower's expense, Borrower will execute, acknowledge, and deliver all other instruments and perform all other acts necessary, desirable, or proper to carry out the purposes of the Loan Documents or to perfect and preserve any liens created by the Loan Documents.

14.32. **DISCLOSURE OF INFORMATION.** If Lender elects to sell the Loan, Lender may forward to the buyer of the Loan all documents and information related to the Loan in Lender's possession, including without limitation all Financial Statements, whether furnished by Borrower or otherwise.

14.33. **LENDER'S AGENTS.** Lender may designate agents or independent contractors to exercise any of Lender's rights under the Loan Documents. Any reference to Lender in any of the Loan Documents will include Lender's employees, agents, and independent contractors.

14.34. **INTEGRATION AND INTERPRETATION.** The Loan Documents contain or expressly incorporate by reference the entire agreement between Lender and Borrower with respect to the covered matters and supersede all prior negotiations. Any reference to the Property or Project in any of the Loan Documents will include all or any portion of them. Any reference to the Loan Documents themselves in any of the Loan Documents will include all amendments, renewals, or extensions approved by Lender.

Together with all the improvements now or subsequently erected on the property, and all easements, rights, appurtenances, rents (subject, however, to the rights and authorities given to Lender to collect and apply such rents), royalties, mineral, oil and gas rights and profits, water, water rights, and water stock, and all fixtures, including but not limited to all gas and electric fixtures, engines and machinery, radiators, heaters, furnaces, heating equipment, steam and hot water boilers, stoves, ranges, elevators and motors, bathtubs, sinks, water closets, basins, pipes, faucets and other plumbing and heating equipment, cabinets, mantels, refrigerating plant and refrigerators, whether mechanical or otherwise, cooking apparatus and appurtenances, furniture, shades, awnings, screens, venetian blinds and other furnishings, now or hereafter attached to the property, all of which, including replacements and additions thereto, shall be deemed to be and remain a part of the property covered by this Deed of Trust; and all of the foregoing, together with said property (or the leasehold estate if this Deed of Trust is on a leasehold) are referred to as the "Property";

To secure to Lender: (a) the repayment of the Loan; and (b) the performance of the covenants and agreements of Borrower contained in this Deed of Trust, the Note, or the Loan Agreement.

Borrower covenants that Borrower is lawfully seised of the estate conveyed by this Deed of Trust and has the right to grant and convey the Property, and that Borrower will warrant and defend generally the title of the Property against all claims and demands, subject to any declarations, easements or restrictions listed in a schedule of exceptions to coverage in any title insurance policy insuring Lender's interest in the Property.

Borrower and Lender covenant and agree as follows:

1. Payment of Principal and Interest. Borrower shall promptly pay when due the principal and interest, if any, on the indebtedness evidenced by the Note. All payments received by Lender under the Note shall be applied by Lender first to interest payable on the Note and thereafter to the unpaid principal of the Note.
2. Charges; Liens. Borrower shall pay all taxes, assessments and other charges, fines and impositions attributable to the Property and leasehold payments or ground rents, if any by Borrower making payment, when due, directly to the appropriate payee. Borrower shall promptly furnish to Lender all notices of amounts due under this paragraph, and in the event that Borrower makes payment directly, Borrower shall promptly furnish to Lender receipts evidencing such payments. Borrower shall pay when due any encumbrance, charge and lien, with interest in accordance with its terms, on the Property or any portion which is inferior or superior to this Deed of Trust.
3. Hazard Insurance. Borrower shall keep the improvements now existing or later erected on the Property insured against loss of fire or hazards under a policy approved by Lender consistent with the insurance requirements of the Loan Agreement. In addition, Borrower shall insure against loss of all furniture, equipment and other personal property owned by Borrower related to Borrower's operation of the Property. Lender shall have the right to hold the policies and policy renewals, and Borrower shall promptly furnish to Lender all renewal notices and all receipts of paid premiums. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, as and to the extent provided in the Loan Agreement.

Unless Lender and Borrower otherwise agree in writing, any such application of insurance proceeds to principal shall not extend or postpone the due date of any Loan payment or change the amount of such payment. If the Property is acquired by Lender pursuant to this Deed of Trust, all right, title and interest of Borrower in and to any insurance policies and proceeds of such policies resulting from damage to the Property prior to the sale of acquisition shall pass to Lender to the extent of the sums secured by this Deed of Trust immediately prior to such sale or acquisition.

4. Liability Insurance. In addition to the casualty insurance required under the Loan Agreement during the course of construction, Borrower shall keep comprehensive general liability insurance for the Property in a form and coverage consistent with the provisions of the Loan Agreement and reasonably approved by Lender.
5. Preservation and Maintenance of Property. Borrower shall keep the Property in good repair and shall not commit waste or permit impairment, demolition, or deterioration of the Property.

6. Protection of Lender's Security. Borrower shall appear and defend any action or proceeding purporting to affect the security under this Deed of Trust or the rights of the Lender. If Borrower fails to perform the covenants and agreements contained in this Deed of Trust, or if any action or proceeding is commenced which materially affects Lender's interest in the Property, including, but not limited to, foreclosure, involuntary sale, eminent domain, insolvency, code enforcement, or arrangements or proceedings involving a bankrupt or decedant, then Lender may, upon notice to Borrower, make such appearances, disburse such sums and take such actions as are necessary to protect Lender's interest, including, but not limited to, disbursement of judgments, costs or reasonable attorney's fees and entry upon the Property to make repairs.

Any amounts disbursed by Lender pursuant to this Section 6, with interest, shall become additional indebtedness of Borrower secured by this Deed of Trust. Unless Borrower and Lender agree to other terms of payment, such amounts shall be payable upon notice from Lender to Borrower requesting payment, and shall bear interest from the date of disbursement at the highest rate permissible under applicable law. In any event, this Section shall be construed as a right and an option of Lender and shall not be construed to require Lender to incur any expense or take any action.

7. Inspection. Lender, by its designated representative, may make reasonable entries upon and inspections of the Property, provided that Lender shall give Borrower and any occupant of the Property reasonable prior notice of any such inspection.

8. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of all or any part of the Property, or for conveyance in lieu of condemnation, shall be applied as provided in the Loan Agreement.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date such notice is mailed, Lender is authorized to collect and apply the proceeds, at Lender's option, either to restoration or repair of the Property or to the sums secured by this Deed of Trust.

Unless Lender and Borrower otherwise agree in writing, any such application of proceeds to principal shall not extend or postpone the due date of any payment or change the amount of such payment.

9. Borrower Not Released. Extension of the time for payment of the sums secured by this Deed of Trust granted by Lender to Borrower or any successor in interest of Borrower shall not operate to release, in any manner, the liability of the original Borrower and Borrower's successors in interest. Lender shall not be required to commence proceedings against such successor or refuse to extend time payment by reason of any demand made by the original Borrower or Borrower's successors in interest.

10. Forbearance by Lender Not a Waiver. Any forbearance by Lender in exercising any right or remedy under this Deed of Trust, or otherwise afforded by applicable law, shall not be a waiver or preclude the exercise of any such right or remedy. The procurement of insurance or the payment of taxes or other liens or charges by Lender shall not be a waiver of Lender's right to accelerate the maturity of the indebtedness secured by this Deed of Trust.

11. Remedies Cumulative. All remedies provided in this Deed of Trust are distinct and cumulative to any other right or remedy under this Deed of Trust, the Note, the Loan Agreement or afforded by law or equity, and may be exercised concurrently, independently or successively.

12. Successors and Assigns Bound; Joint and Several Liability Captions. The covenants and agreements contained in this Deed of Trust shall bind, and the rights under this Deed of Trust shall inure to, the respective successors and assigns of Lender and Borrower, subject to the provisions of Section 15. All covenants and agreements of Borrower shall be joint and several. The captions and headings of the paragraphs of this Deed of Trust are for convenience only and are not to be used to interpret or to define its provisions.

13. Notice. Except for any notice required under applicable law to be given in another manner, any notice to be given under this Deed of Trust shall be given as provided for in the Loan Agreement. Any notice provided for in this Deed of Trust shall be deemed to have been given to Borrower or Lender when given in the manner designated.

14. Governing Law; Severability. This Deed of Trust shall be governed by the law of the State of California. If any term or provision of this Deed of Trust shall, to any extent, be held invalid or unenforceable, the remainder of this Deed of Trust

shall remain in full force and effect and the invalid or unenforceable provision shall be valid and enforceable as to any other person or circumstance.

15. Acceleration on Transfer or Refinancing of the Property; Assumption. Except as otherwise provided in the Loan Agreement, if all or any part of the Property or an interest in the Property is sold or transferred or refinanced by Borrower without Lender's prior written consent, Lender may, at Lender's option, declare all the sums secured by this Deed of Trust to be immediately due and payable. Lender shall have waived such option to accelerate if, prior to the refinancing, sale or transfer, Lender and the person to whom the Property is to be sold or transferred reach agreement in writing that the loan may be assumed. If Lender has waived the option to accelerate provided in this Section and if Borrower's successor in interest has executed a written assumption agreement accepted in writing by Lender, Lender shall release Borrower from all obligations under this Deed of Trust and the Note.

If Lender exercises such option to accelerate, Lender shall mail Borrower notice of acceleration. Such notice shall provide a period of not less than 30 days from the date the notice is mailed within which Borrower, or any of its principals or anyone with a substantial legal interest in Borrower, may pay the sums declared due. If Borrower fails to pay such sums prior to the expiration of such period, Lender may, without further notice or demand on Borrower, invoke any remedies permitted by this Deed of Trust.

16. Acceleration on Breach; Remedies. Except as provided in Section 15, upon Borrower's breach of any covenant or agreement of Borrower in this Deed of Trust, the Note, (including the covenants to pay when due any sums secured by this Deed of Trust and restricting transfer of the Property) or Loan Agreement, Lender shall mail notice to Borrower specifying: (1) the breach; (2) the action required to cure such breach; (3) a date, no less than 30 days from the date the notice is mailed to Borrower, by which breach must be cured; and (4) that failure to cure such breach on or before the date specified in the notice may result in acceleration of the sums secured by this Deed of Trust and sale of the Property. If the breach is not cured on or before the date specified in the notice, Lender at Lender's option may declare all of the sums secured by this Deed of Trust to be immediately due and payable without further demand and may invoke the power of sale and any other remedies permitted by applicable law. Lender shall be entitled to collect from the Borrower, or sale proceeds, if any, all reasonable costs and expenses incurred in pursuing the remedies provided in this Section, including, but not limited to reasonable attorney's fees.

If Lender invokes the power of sale, Lender shall execute or cause Trustee to execute a written notice of the occurrence of an event of default and of Lender's election to cause the Property to be sold and shall cause such notice to be recorded in each county in which any portion of the Property is located. Lender or Trustee shall mail copies of such notice in the manner prescribed by applicable law to Borrower and to the other persons prescribed by applicable law. Trustee shall give public notice of sale to the persons and in the manner prescribed by applicable law. After the lapse of such time as may be required by applicable law, Trustee, without demand on Borrower, shall sell the Property at public auction to the highest bidder at the time and place and under the terms designated in the notice of sale, in one or more parcels and in such order as Trustee may determine. Trustee may postpone sale of all or any parcel of the Property by public announcement at the time and place of any previously scheduled sale. Lender or Lender's designee may purchase the Property at any sale.

Trustee shall deliver to the purchaser a Trustee's deed conveying the Property so sold without any covenant or warranty, expressed or implied. The recitals in the Trustee's deed shall be prima facie evidence of the truth of the statements it contains. Trustee shall apply the proceeds of the sale in the following order: (a) to all reasonable costs and expenses of the sale, including, but not limited to, reasonable Trustee's and attorney's fees and costs of title evidence; (b) to all sums secured by this Deed of Trust; and (c) the excess, if any, to the person or persons legally entitled thereto as determined by Lender. In the event of a dispute regarding the excess funds, either Lender or Trustee may file an action in interpleader to determine who shall receive the funds and may then deposit the excess funds with the court.

17. Assignment of Rents; Appointment of Receiver; Lender in Possession. As additional security, Borrower assigns to Lender the rents of the Property, provided that Borrower shall, prior to an acceleration for breach as provided above or abandonment of the Property, have the right to collect such rents as they become due.

Upon acceleration for breach or abandonment of the Property, Lender, in person, by agent or by judicially appointed receiver shall be entitled to enter upon, take possession of and manage the Property and to collect the rents of the Property including those past due. All rents collected by Lender, its agent, or the receiver shall be applied first to payment of the costs of management of the Property and collection of rents, including, but not limited to receiver's fees, premiums on receiver's bonds and reasonable attorney's fees, and then to the sums secured by this Deed of Trust. Lender, its agent and the receiver shall be liable to account only for those rents actually received.

18. Prior Lienholder. The provisions of this Deed of Trust shall operate subject to the claims of prior lienholders to the extent of such claims.

19. Nonrecourse. Notwithstanding any provision of this Deed of Trust or any document evidencing or securing this Loan, Borrower, and Borrower's principals, agents, officers, and successors in interest shall not be personally liable for the payment of the Loan or any obligation of the Loan.

20. Reconveyance. Upon payment of all sums secured by this Deed of Trust, Lender shall request Trustee to reconvey the Property and shall surrender this Deed of Trust and all notes evidencing indebtedness secured by this Deed of Trust to Trustee. Trustee shall reconvey the Property without warranty and without charge to the person or persons legally entitled to such reconveyance. Such person or persons shall pay all costs of recordation, if any. The recitals in the reconveyance of any matters or facts shall be conclusive proof of their truthfulness.

21. Substitute Trustee. Lender, at Lender's option, may from time to time remove Trustee and appoint a successor trustee to any Trustee appointed under this Deed of Trust. Without conveyance of the Property, the successor trustee shall succeed to all the title, power and duties conferred upon the Trustee by this Deed of Trust and applicable law.

22. Request for Notice. Borrower and each party listed to receive Additional Notices request that copies of the notice of default and notice of sale be sent to their respective addresses.

23. Statement of Obligation. Lender may collect a reasonable fee for furnishing the statement of obligation as provided by Section 2943 of the Civil Code of California, as it may be amended from time to time.

24. Use of Property. Borrower shall not permit or suffer the use of any of the Property for any purpose other than the use for which the same was intended at the time this Deed of Trust was executed.

IN WITNESS WHEREOF, Borrower has executed this Deed of Trust.

7. **TERMINATION OF COVENANTS.** If the Agency is paid the Recapture, the covenants, conditions and restrictions contained in this Regulatory Agreement shall terminate, except as to covenants which provide otherwise, including without limitation, the covenant against discrimination, all of which continue in effect. Representations. Agency has provided Agency Funding, subject to the terms of the Funding Agreement, in consideration of the property interests conveyed to Agency under this Regulatory Agreement. The funds used by Agency under the Funding Agreement are funds from public funding sources administered by Agency and their use is subject to certain requirements some of which are embodied in this Regulatory Agreement. Further, Agency has made the Agency Funding in accordance with the laws, rules and regulations to which Agency is subject. This Regulatory Agreement represents a portion of this entire transaction. Therefore, Agency has made the Agency Funding conditioned upon Owner's agreement, for itself and its successors and assigns, to comply with all provisions of this Regulatory Agreement, including without limitation, the Funding Agreement. Owner has had full opportunity to make itself independently familiar with such limitations and restrictions, and Owner accepts them and agrees to comply fully with them.

8. **PROHIBITION ON SALE WITHOUT APPROVAL; CONDITION PRECEDENT.** Owner is prohibited from selling the Property including the Restricted Unit unless and until (a) the Agency has reviewed and determined that the sales price complies with the Funding Requirements and (b) that the purchaser of the Property has acknowledge and accepted the Individual Regulatory Agreement. For purposes of determining such compliance, the sales price is amount actually paid to Owner by the purchaser, including all additions or reductions made to the initial purchase price shown in the purchase and sale agreement between Owner and the purchaser. Owner shall receive no consideration for additions or improvements made to the Property, except those improvements (such as the addition of bedrooms) that affect the affordability calculations of the Funding Requirements. Pursuant to Section 9.a below, the foregoing is a condition precedent to any resale of the Property.

9. **COVENANTS.** Owner makes the following covenants. Unless Owner has received the prior written consent of Agency otherwise, Owner shall fully comply with each and every covenant. Except as otherwise stated in this Regulatory Agreement, the following covenants shall have a term that is the same as the longest term specified in the Funding Requirements.

a. Owner shall comply with the foregoing covenant prohibiting resale without Agency approval. Such compliance is a condition precedent to any such resale. If Owner fails to comply with said covenant, such resale shall be null and void, and the purported purchaser and anyone claiming any interest in the Property on account of such resale, including without limitation trustors and beneficiaries under deeds of trusts or others claiming lien or mortgage interests in the Properties, shall have no interests in or rights regarding the Property.

b. Owner shall use and permit others to use the Property only for the Approved Use.

c. Owner shall assure full compliance with the Funding Requirements.

d. Owner shall not transfer or encumber any of the Property or permit the conveyance, transfer, or encumbrance of the Property unless such assignee, transferee or encumbrancer has agreed, in writing and in a form suitable for recordation, to be bound by the terms of this Regulatory Agreement.

e. Owner shall not cause and shall not permit expansion, reconstruction, or demolition of any part of improvements on the Property, except as provided by the Funding Agreement.

f. Owner shall maintain the Property and the building improvements, grounds and equipment of the Property in good repair and condition and in compliance with all applicable housing quality standards and local code requirements. Owner shall maintain the Property in good condition and shall keep the Property reasonably free from graffiti and unrepaired vandalism and from accumulation of abandoned property, inoperable vehicles, unenclosed storage, debris, and waste materials. In the event of a casualty loss, Owner shall cause the restoration or replacement of the Property, in a timely manner and provided that such restoration or replacement is then economically feasible.

g. Owner shall not cause and shall not permit discrimination on any basis listed in subdivision (a) or (d) of Section 12955 of the Government Code, as those bases are defined in Sections 12926, 12926.1, subdivision (m) and paragraph (1) of subdivision (p) of Section 12955, and Section 12955.2 of the Government Code in the sale, lease, or rental or in the use or occupancy of the Property. Owner covenants by and for himself, his heirs, executors, administrators, and assigns, and all persons claiming under or through them that there shall be no discrimination against or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees, or vendees in the Property. This covenant against discrimination shall continue in perpetuity.

h. Owner shall assure compliance with the federal Personal Responsibility and Work Opportunity Act (Public Law 104-193, commonly known as the Welfare Reform Act) prohibiting the Agency funding of federal, state or local benefits to persons who are not citizens or qualified aliens as defined in the such act.

10. NATURE OF COVENANTS. The provisions contained in this Regulatory Agreement are covenants which subject and burden the Property, as covenants running with the land. It is intended and agreed that the agreements and covenants provided in the Agreement shall be covenants running with the land and equitable servitudes on the land and that they shall, in any event, and without regard to technical classifications or designation, be binding, to the fullest extent permitted by law and equity, for the benefit and in favor of, and enforceable by, the Agency, the Agency's successors and assigns, any other governmental entity acting within its authority and any successor in interest to Agency's interest under this Regulatory Agreement against the Owner, its successors and assigns and every successor in interest to all or any part of the Property.

11. TERM. The term of this Regulatory Agreement shall commence on the Effective Date and continue until the terms of all of the covenants, including without limitation, the terms stated in the Funding Requirements, have expired or otherwise been terminated. In the absence of a term in the Funding Requirements, the term shall be thirty (30) years from the Effective Date.

12. RECORDKEEPING AND REPORTING. Upon written request of Agency, Owner shall promptly provide any additional information or documentation to verify Owner's compliance with the provisions of this Regulatory Agreement. At the written request of the Agency, Owner shall, within a reasonable time following receipt of such request, furnish reports and shall give specific answers to questions regarding the income, assets, liabilities, contracts, operations, and condition of the property and their compliance with the Funding Agreement and this Regulatory Agreement.

13. AUDIT AND INSPECTION. The Property and all related equipment, buildings, plans, offices, books, contracts, records, documents and other related items shall at all times be maintained in reasonable condition for audit and shall be subject to examination by the Agency or its agents. The books and accounts of the operations of the Property and of the Property shall be kept in accordance with generally accepted accounting principles. Owner shall provide Agency access to the Property and its tenants during reasonable hours for the purpose of reviewing Owner's compliance with this Regulatory Agreement.

14. INDEMNITY FOR OWNER'S FAILURE TO MEET LEGAL REQUIREMENTS. Owner shall indemnify and hold Agency, its officers, directors, and employees harmless from any and all liability arising from Owner's failure to comply with the covenants, conditions and restrictions contained in this Regulatory Agreement and its failure to comply with all other laws, rules, regulations and restrictions related to the use of Agency Funding. Without limitation, such indemnity shall include repayment to the appropriate parties of rents or sales proceeds in excess of amounts authorized to be charged and repayment to the Agency of the costs of funds and the value of lost opportunities resulting from the required repayment by Agency to the funding source of funds improperly used.

15. CHANGES WITHOUT CONSENT OF TENANTS, LESSEES, OR OTHERS. Only Agency and its successors and assigns, and Owner and its successors and assigns (subject to the reasonable approval of Owner's lender) shall have the right to consent and agree to changes in, or to eliminate in whole or in part, any of the covenants or restrictions contained in this Agreement. Such changes or termination shall not require the consent of any easement holder, licensee, other mortgagee, trustee, beneficiary under a deed of trust or any other person or entity having any interest less than a fee in the Site.

16. **DEFAULT.** Upon a breach of any of the provisions of this Regulatory Agreement by Owner, the Agency may give written notice of such breach to Owner by registered or certified mail. To the extent reasonable under the circumstance, in the event of any breach, the Agency and Owner shall reasonably endeavor to identify a remedy for such breach by conference and conciliation. If such violation is not corrected to the satisfaction of Agency within sixty (60) days after the date such notice is mailed or within such further time as the Agency may reasonably determine is necessary to correct the breach, and without further notice to Owner, the Agency may declare a default under the Agreement, effective on the date of such declaration of default, and upon such default the Agency may: (a) take any action then available under the Funding Agreement for a default under the Funding Agreement and (b) apply to any court for specific performance of this Regulatory Agreement, for an injunction against any violation of the Agreement, for the appointment of a receiver to take over and operate the Property in accordance with the terms of this Regulatory Agreement, for money damages or for such other relief as may be appropriate. The injury to the Agency arising from a default under any of the terms in this Regulatory Agreement would be irreparable, and the amount of damage would be difficult to ascertain.

a. Agency may institute or prosecute in its own name, any suit Agency may consider advisable in order to compel performance of any obligation of any owner to develop and maintain the subject property in conformity with this Regulatory Agreement and to remedy any default of this Regulatory Agreement. Agency may also seek a decree requiring removal of any improvements constructed on the Property which improvements are designed for uses not permitted under this Regulatory Agreement and which improvements are unsuitable only for uses not permitted under this Regulatory Agreement.

b. The remedies of the Agency under this Regulatory Agreement are cumulative. The exercise of one or more of such remedies, including, without limitation, remedies under the Funding Agreement shall not be deemed an election of remedies and shall not preclude the exercise by the Agency of any one or more of its other remedies.

17. **BINDING SUCCESSORS IN INTEREST.** This Regulatory Agreement shall bind and the benefits shall inure to the Owner, its successors in interest and assigns, and to the Agency and its successors for the term of this Regulatory Agreement.

18. **CONTRADICTORY AGREEMENTS.** Owner warrants that he has not, and will not, execute any other agreement with provisions in contradiction or opposition to the provisions of this Regulatory Agreement, and that, in any event, the requirements of this Regulatory Agreement are paramount and controlling as to the rights and obligations stated and supersede any other requirements in conflict with this Regulatory Agreement.

19. **ATTORNEYS' FEES.** If the services of any attorney are required by any party to secure the performance of this Regulatory Agreement or otherwise upon the breach of default of another party, or if any judicial remedy or mediation is necessary to enforce or interpret any provision of this Regulatory Agreement or the rights and duties of any person in relation to this Regulatory Agreement, the prevailing party shall be entitled to reasonable attorneys' fees, costs and other expenses, in addition to any other relief to which such party may be entitled. Any award of damages following judicial remedy or arbitration as a result of this Regulatory Agreement or any of its provisions shall include an award of prejudgment interest from the date of the breach at the maximum amount of interest allowed by law. The prevailing party shall mean the party receiving an award in arbitration or a judgment in its favor, unless the award or judgment is less favorable than the best settlement offered in writing in a reasonable manner by the other party, in which case the prevailing party is the party making such settlement offer.

20. **SEVERABILITY.** If any term or provision of this Regulatory Agreement shall, to any extent, be held invalid or unenforceable, the remainder of this Regulatory Agreement shall not be affected; provided that the intent of the Regulatory Agreement may then be reasonably fulfilled. In any event, the term or provisions shall be deemed to be invalid only as to the entity and circumstance for which it was held to be invalid.

21. **NO WAIVER.** No waiver by the Agency of any breach of or default under this Regulatory Agreement shall be deemed to be a waiver of any other or subsequent breach or default.

22. **NOTICES.** Written notices and other written communications by and between the parties shall be addressed to the Owner at the Owner Address and to the Agency at the Agency Address or such other address as each respective party has designated by written notice to the other party.

(b) Lender in making disbursements pursuant to any such agreement is under no obligation or duty to, nor has Lender represented that it will, see to the application of such proceeds by the person or persons to whom Lender disburses such proceeds and any application or use of such proceeds for purposes other than those provided for in such agreement or agreements shall not defeat the subordination herein made in whole or in part;

(c) He intentionally and unconditionally waives, relinquishes, and subordinates the lien or charge of the deed of trust first above mentioned in favor of the lien or charge upon said land of the deed of trust in favor of Lender, as to said additional loan as well as all other obligations recited therein as being secured thereby, and understands that in reliance upon and in consideration of this waiver, relinquishment and subordination specific loans and advances are being and will be made and, as part and parcel thereof, specific monetary and other obligations are being and will be entered into which would not be made or entered into but for said reliance upon this waiver, relinquishment and subordination; and
