

Youth of the Month Award

Michael Chambon

Congratulations, you have been selected as the City of Sacramento *Youth of the Month*. This prestigious award is only given to one outstanding youth in Sacramento each month. The selection process was competitive and the City of Sacramento Youth Commission and City staff members enthusiastically selected you as the award recipient.

The Youth of the Month Program is designed to highlight good deeds and accomplishments of youth in the City of Sacramento. Your award will be presented at a Sacramento City Council Meeting. You will also receive a plaque, a \$200 award and be invited to attend an annual dinner of all awardees to be hosted by the Office of Youth Development.

You are a young man who is very involved on campus and in your community. We are impressed that you've received the Principal's award, perfect attendance recognition, and placed in the regional Rotary Speech Contest. Incredibly, you've also participated in the Science Bowl, Science Olympiad and school theater program, serve on student government, play football and maintain a 3.5 G.P.A.

We appreciate your volunteer service toward Relay for Life, community clean-up projects, and your current fundraising project for the upcoming Walk N' Rock charity event.

You've already overcome many hardships, having lived with someone with substance abuse issues. What is most inspiring about your story is that you chose to turn the negative into a positive and became a youth advocate for drug and alcohol abuse prevention. Through your service as a mentor through People Reaching Out's peer mentoring program, you use those experiences to motivate other youth in similar circumstances resist the temptations of drug and alcohol. We admire your determination and resilience. Congratulations!
