

RESOLUTION NO. 2010-295

Adopted by the Sacramento City Council

June 1, 2010

CONTRACT FOR FIRE DEPARTMENT MEDICAL SERVICES

BACKGROUND

- A. Web based training is an effective and efficient way to meet regulatory requirements for employee safety training and to fulfill management's responsibility to provide a safe work place. The City is able to obtain these services through our excess insurance carrier's contract with Target Safety.
- B. Target Safety offers high quality services including specialty classes needed by the Sacramento Fire Department. The City benefits from volume pricing by participating through the CSAC loss prevention program.
- C. The total cost of safety training services will not exceed \$47,640. Risk Management will provide \$1,000 from the loss prevention budget for the general safety training classes. The Fire Department will provide \$46,640 from their training budget for the fire related curriculum.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

- Section 1. CSAC Excess Insurance Authority is awarded a one year contract for the purpose of providing on-line safety training services to the City of Sacramento Fire Department. The cost of safety training services will not exceed \$47,640 over the term of the contract.
- Section 2. The City Manager or designee is authorized to execute this agreement with CSAC Excess Insurance Authority.
