RESOLUTION OF INTENTION TO ESTABLISH THE REDDING AVENUE LANDSCAPING COMMUNITY FACILITIES DISTRICT NO. 2010-04 AND TO LEVY A SPECIAL TAX THEREIN TO FINANCE LANDSCAPING MAINTENANCE SERVICES

BACKGROUND

- A. The City Council has duly considered the advisability and necessity of establishing a community facilities district and levying a special tax therein to pay for landscape maintenance and related services to be provided within the district, under the Mello-Roos Community Facilities Act of 1982 (the "Act") and chapter 3.124 of the Sacramento City Code ("Chapter 3.124").
- B. The City Council has determined that the establishment of the district is consistent with Chapter 3.124 and follows the local goals and policies concerning the use of the Act that have been adopted by the City Council and are now in effect.
- C. The City Council is fully advised in this matter.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

- Section 1. Background statements A through C are accurate.
- Section 2. The City Council hereby proposes to establish a community facilities district under Chapter 3.124 and the Act (the "District"). The boundaries of the territory proposed for inclusion in the District are shown on the map entitled "Redding Avenue Landscaping CFD No. 2010-04" attached to this resolution as Exhibit A. A map showing the proposed territory to be included in the District ("Boundary Map") is on file in the office of the City Clerk, is in the form required by section 3110 of the Streets and Highways Code, and is hereby approved. The City Clerk is directed to file a copy of the Boundary Map with the Sacramento County Clerk/Recorder within fifteen days hereafter, and in no event later than fifteen days before the hearing, for placement in the Book of Maps of Assessment and Community Facilities Districts, in accordance with section 3111 of the Streets and Highways Code.
- Section 3. The name of the District is "Redding Avenue Landscaping Community Facilities District No. 2010-04."
- Section 4. The District is being formed solely to provide landscaping maintenance and for related purposes, and will not finance capital improvements or issue bonds.

The services provided by the District are set forth in Exhibit B to this resolution, all of which are as authorized by the Act and by Chapter 3.124. The District will also finance all costs and expenses normally incidental to the provision of the landscaping maintenance and related services, including but not limited to those for elections, engineering, contract supervision, planning, legal services, and City administration.

- Section 5. Except where funds are otherwise available, a special tax sufficient to pay for the landscaping maintenance and related services, secured by recordation of a continuing lien against all nonexempt real property in the District, will be levied annually within the District. In accordance with Chapter 3.124, certain City-owned property within the District will be subject to the lien for the special tax. The tax is to be collected as a separately stated item on the county property-tax bill, but the City Council reserves the right to change the method of collection at any time. The special tax is to be apportioned according to the landscaped frontage by linear foot fronting each parcel in the District plus a proportional allocation of landscaped frontage by linear foot fronting other parcels improved by the Redding Avenue landscape improvement project, at the annual tax rate specified in Exhibit C to this resolution, the "Rate and Method of Apportionment of Special Tax." The rate shown in section C of Exhibit C is the maximum rate. The rate may be increased for inflation under Chapter 3.124, as specified in Exhibit C. If tax collections at the stated rate exceed the amount required to pay the Special Tax Requirement (as defined in Exhibit C), then the rate may be reduced in accordance with the formula set forth in Exhibit C. The special tax will be levied and collected until the City Council determines that the need for the landscaping maintenance services and for related purposes no longer exists.
- Section 6. In accordance with section 53317.3 of the Act, the City Council intends to continue levying the special tax on real property, not otherwise exempt from the tax that is acquired by a public entity through a negotiated transaction or by gift or devise.
- Section 7. In accordance with section 53317.5 of the Act, the City Council intends to treat the obligation to pay the special tax levied against property that is acquired by a public entity through eminent-domain proceedings as if the tax were a special annual assessment.
- Section 8. In accordance with section 53340.1 of the Act, the City Council intends to levy the special tax on the leasehold or possessory interests in property that is owned by a public agency (and is otherwise exempt from the special tax), to be payable by the owner of the leasehold or possessory interests in the property.
- Section 9. In accordance with section 53325.7 of the Act, the City Council intends to establish an appropriations limit for the District, as defined by subdivision (h) of section 8 of article XIII B of the California Constitution.
- Section 10. At 6:00 p.m. on July 20, 2010, in the Council Chambers at New City Hall, 915 I Street, First Floor, Sacramento, California, the City Council will hold a public

hearing on the proposed establishment of the District, the territorial extent of the District, the types of services to be provided, the proposed levy of a special tax, and all other matters as set forth in this resolution.
