

RESOLUTION NO. 2010-368

Adopted by the Sacramento City Council

June 22, 2010

EXTERNALLY FUNDED PROGRAM: ANTI-VEHICLE THEFT ENFORCEMENT PROGRAM

BACKGROUND:

- A. The Anti-vehicle Theft Enforcement Program is a statewide program to combat vehicle theft. The State of California provides funds from the collection of vehicle registration fees as authorized in California Vehicle Code Section 9250.14(a)(1) to each county. The county then distributes the funds to participating cities. Funds are distributed quarterly and are specifically designated to combat vehicle theft crimes.
- B. Vehicle Code Section 9250.14 authorizes the ongoing distribution of funds through January 1, 2018.
- C. The Police Department's recipient of these funds aligns with the past practice of using this funding to improve law enforcement and community relationships, and will ensure the continuation of the Anti-Vehicle Theft Enforcement Program.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

- Section 1. The City Manager, or his designated representative, is hereby authorized to accept the distribution of funds for the Anti-Vehicle Theft Enforcement Program, on behalf of the City of Sacramento, administered by the Sacramento County under the authority of Vehicle Code Section 9250.14(a)(1).
- Section 2. The City Manager, or designated representative, is authorized to establish a new Externally Funded Program (EFP) (E11005400) for the Anti-Vehicle Theft Program.
