Description/Analysis:

Issue: The City has an ongoing need to purchase printing services for the daily operations of City departments. The City requires the services of a vendor that is capable of reproducing a multitude of documents including black and white copying, color copying, binding, mounting and other services.

Policy Considerations: The recommendations in this report are in accordance with the provisions of City Code Section 3.56, and Resolution 2010-346 prohibiting the City from entering into any contract to purchase goods or services from any business or entity headquartered in Arizona.

Committee/Commission Action: Not applicable

Environmental Considerations:

California Environmental Quality Act (CEQA): The current proposal involves the purchasing of printing services. Continuing purchases of printing services are not a 'project' and are not subject to CEQA, in accordance with Section 15378(b)(2) of the CEQA Guidelines. Therefore, as determined by the City's Environmental Services Planning Manager, no environmental review is necessary.

Sustainability Considerations: The use of 100 percent recycled content paper is mandated during the term of the contract. The vendor will also be encouraged to adopt other sustainable practices when practicable.

Rationale for Recommendation: The City has an ongoing need to purchase printing services for the daily operations of City departments. The City requires the services of a vendor that is capable of reproducing a multitude of documents including black and white copying, color copying, binding, mounting and other services.

In May 2010, Procurement Services, in accordance with City Code Section 3.56, issued Invitation for Bid No. B10131061024 for the purchase of printing services. Seven responses were received. The lowest responsive and responsible bidder was determined to be Signature Reprographics. A summary of the bid results is provided in Attachment 1.

Financial Considerations: Funding for printing services will be provided by the operating and/or CIP budgets of the departments utilizing the service, and may be provided by any fund within those budgets. Sufficient funding is available in the FY2010/11 budget for services through June 30, 2011. Services provided after June 30, 2011 through the end of the contract are subject to funding availability in the adopted budget for the applicable fiscal year(s). The table below shows the estimated annual amounts used to determine the total contract amount. The estimated annual amounts are similar to the amounts departments spent for printing services from outside vendors in FY2009/10.

Vendor	Year 1 Estimate	Year 2 Estimate	Year 3 Estimate	Total Contract Amount
Signature Reprographics	\$300,000	\$300,000	\$350,000	\$950,000

Emerging Small Business Development (ESBD): Signature Reprographics is certified with the City of Sacramento as an emerging/small business.
