

## **RESOLUTION NO. 2010-441**

Adopted by the Sacramento City Council

July 27, 2010

### **APPROVING THE PURCHASE/COOPERATIVE AGREEMENTS: FOOD FOR RECREATION PROGRAMS**

#### **BACKGROUND**

- A. The Department of Parks and Recreation provides food to thousands of people in the Sacramento START (Students Today Achieving Results for Tomorrow) afterschool snack program, The 4<sup>th</sup> "R" Child Care program, Camp Sacramento, Access Leisure camps, Summer/Year-Round Food, Children's Services, Older Adult Services, Community Center programs, Special Events, Cover The Kids, and Teen Services.
- B. City Council approval is required to renew membership in MVFPC and to use a cooperative purchasing agreement between MVFPC and Sysco Food Service of Sacramento in an amount not to exceed a total of \$925,426, a cooperative purchasing agreement between MVFPC and The Danielsen Company in an amount not to exceed a total of \$38,500, a purchasing agreement between MVFPC and West Coast Paper in an amount no to exceed a total of \$16,500 to purchase food and related supplies for five programs through July 31, 2011.
- C. In accordance with City Code 3.56.240, the City Manager may by cooperative purchasing agreements approved by City Council, purchase supplies through contracts of other governmental jurisdictions without separate competitive bidding, where it is advantageous to the City.
- D. Using existing cooperative purchasing agreements available from MVFPC to purchase food and supplies is advantageous to the City as the agreements meet the needs of the Department of Parks and Recreation's specifications and will result in cost and time savings because of the elimination of conducting our own competitive bidding process.
- E. The estimated cost of providing food and related supplies from MVFPC through July 31, 2011, is \$662,612 for the Sacramento START snack program, \$121,000 for 4<sup>th</sup> "R", \$155,014 for Camp Sacramento, \$18,700 for Access Leisure Camps, and \$23,100 for Summer/Year-Round Food, for a total of \$980,426.
- F. Because the five participating programs in MVFPC are either a continuation of fully offset externally funded programs or have existing funding appropriated in the Approved 2010/11 Budget, the FY2010/11 Budget Resolution 2010-388 gives sufficient authorization for any necessary appropriation or budget changes for the

full offset programs (START's snack program, 4<sup>th</sup> "R", and Summer/Year-Round Food) and no budget changes are required for Camp Sacramento or Access Leisure camps.

- G. Council approval is required to suspend competitive bidding and to spend up to \$344,250 at local retail grocery providers Wal Mart, Sam's Club, Costco, Smart and Final, and Raley's, Bel Air, and Food Source, to meet the needs of all recreation programs who do not require institution size quantities or have a need to supplement deliveries of food.
- H. The estimated cost of providing food and food related supplies for all other recreation programs at Wal Mart Corporate, Costco, Smart and Final, and Raley's Family of Fine Foods totals \$344,250.
- I. City Council approval is required for purchases using a purchase order or purchase card at local retail grocery providers, Wal Mart Corporate, Costco, Smart and Final, and Raley's Family of Fine Foods, to meet the needs of all recreation programs who do not require institution size quantities or need supplemental supplies in an amount not to exceed a total of \$344,250.
