

RESOLUTION NO. 2010-535

Adopted by the Sacramento City Council

September 7, 2010

SUPPLEMENTAL GRANT: PUBLIC SAFETY INTEROPERABLE COMMUNICATIONS

BACKGROUND

- A. The United States Department of Homeland Security and the United States Department of Commerce allocated funding to the State of California Emergency Management Agency (CalEMA) through the Public Safety Interoperable Communication (PSIC) Grant Program. Eligible sub-grantees are the Urban Area Security Initiative (UASI) jurisdictions. The purpose of the grant is to bolster regional interoperable communications systems and build interagency collaboration and cross discipline coordination for first responders.
- B. Sacramento UASI was assigned as the fiscal agent for its region. In December 2007, City Council accepted \$7,850,241 in PSIC funding and authorized staff to enter into agreements to distribute funds to the ten participating sub-recipient agencies that were receiving funding.
- C. Because CalEMA originally assigned Sacramento UASI as the fiscal agent for the PSIC grant program in its region, CalEMA also agreed to provide funds to support the administrative tasks associated with managing the grant, such as submitting claims for reimbursement, monitoring sub-recipient agencies, reporting, and contract administration. In February 2010, CalEMA awarded Sacramento UASI \$120,147 in supplemental grant funding for purposes of managing the grant.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

- Section 1. The City Manager, or the Chief of Police as his designee, is authorized to accept up to \$120,147 in grant funding from the State of California Emergency Management Agency to manage the Supplemental PSIC grant.
- Section 2. The City Manager, or the Chief as his designee, is authorized to establish a project for the Supplemental Public Safety Interoperable Communications Grant (G11007600).
- Section 3. The City Manager, or the Chief of Police as his designee, is authorized to adjust the necessary Police Department grant revenue and expense budgets to implement the Supplemental Public Safety Interoperable Communications Grant.

Adopted by the City of Sacramento City Council on September 7, 2010 by the following vote:

Ayes: Councilmembers Cohn, Hammond, McCarty, Pannell, Tretheway, and Mayor Johnson.

Noes: None.

Abstain: None.

Absent: Councilmembers Fong, Sheedy, and Waters.

Mayor Kevin Johnson

Attest:

Shirley Concolino, City Clerk
