Description/Analysis

Issue: On September 1, 2010, a CA TF-7 Blue Incident Support Team (IST) representative was activated by the Department of Homeland Security/Federal Emergency Management Agency (DHS/FEMA) for response to Hurricane Earl. As the sponsoring agency for CA TF-7 US&R program, the City of Sacramento (Fire Department) is responsible for providing trained personnel to staff positions on federal incident support teams, and as a result of this deployment, the City must sign the DHS/FEMA Assistant Award/Amendment contract (EMW-2008-CA-1498, Amendment M013) in the amount of \$14,000, to receive reimbursement for costs associated with deployment activities.

Policy Considerations: Acceptance of the federal US&R funding is consistent with City Council action relative to state and federal grant awards.

Environmental Considerations:

California Environmental Quality Act (CEQA): Ongoing administrative maintenance activities, such as purchases of supplies, equipment or materials which are not made for purposes of a public construction project, do not constitute a "project" and are exempt from the California Environmental Quality Act (CEQA). CEQA Guidelines, Sections 15061(b)(2), 15378(b)(2).

Sustainability Considerations: There are no sustainability considerations applicable to the acceptance of federal funding reimbursing DHS/FEMA directed activities.

Commission/Committee Action: None.

Rationale for Recommendation: DHS/FEMA Assistant Award/Amendment contract (EMW-2008-CA-1498, Amendment M013) in the amount of \$14,000, must be signed and submitted to DHS/FEMA to receive reimbursement for costs associated with the Hurricane Earl Blue IST Deployment. (The contract EMW-2008-CA-1498, Amendment M013 is attached as Exhibit A of the Resolution.)

Financial Considerations: As the sponsoring agency, the City Of Sacramento incurs costs related to the alert of the CA TF-7 US&R team; and DHS/FEMA reimburses expenses directly related to these deployment activities. This amendment allows DHS/FEMA to obligate \$14,000 of federal funds (Fund 2702) to cover labor expenses incurred by the City activities associated with the Hurricane Earl Blue IST Deployment.

Emerging Small Business Development (ESBD): Staff will follow the emerging and small business guidelines when purchasing any supplies and services under this grant.
