Anonymous	It is amazing that Fleet Management wants \$5.6 million to contract out repairs when it wont even spend \$3,000 to update software used by it's own technicians so they can do their job effectively!				<b>Oppose</b> 11/21/2010

Nancy Motmans County of Sac Sacramento CA	This is unfair. Insurance won't cover and must be paid by citizen. All ready paying for police and fire protection through taxes. Do not support. If County enacts a similar regulation then the City could end up paying. What about that!!				<b>Oppose</b> 11/23/2010
