RECITALS

WHEREAS, USOC is dedicated to providing adaptive sport instruction and opportunities to veterans of the United States Armed Forces who become physically disabled; and

WHEREAS, Subawardee, through its Department of Parks and Recreation, provides competitive adaptive sport programs or opportunities for individuals with disabilities to develop independence, confidence, and fitness through participation in community sports, recreation, and educational programs, or both; and

WHEREAS, USOC has received a grant of financial support from the United States Department of Veterans Affairs ("Sponsor" or "VA") for the U.S. Paralympics Integrated Adaptive Sports Program ("Program"), which aims to plan, develop, manage, and implement an integrated adaptive sports program for disabled Veterans and disabled members of the Armed Forces; and

WHEREAS, Subawardee's collaboration with USOC is a critical component of the Program.

NOW, THEREFORE, in consideration of the mutual understandings, covenants, and undertakings set forth herein, and for good and valuable consideration the receipt and adequacy of which are hereby acknowledged, it is agreed as follows:

1. AGREEMENT TERM.

This Agreement is effective on the Effective Date and will remain in effect until June 30, 2011, unless sooner terminated as provided in Section 10 (Termination), or amended in accordance with Section 15.5 (Amendments).

2. PROJECT.

2.1. Subawardee agrees to undertake the project statement of work set forth in Exhibit A ("Project") in accordance with the terms and conditions of this Agreement. Subawardee shall carry out the Project with due care and diligence, in a professional manner, and in conformity with the standards required by USOC.

2.2. Subawardee will designate in writing a Project Manager/Director who shall be responsible for the Project and for overseeing all obligations of Subawardee pursuant to this Agreement.

2.3. Allowable activities under this Agreement shall be limited to the following: (a) instruction, participation, and competition in Paralympic sports; (b) training and technical assistance to Project administrators, coaches, recreational therapists, instructors, Sponsor employees, and other appropriate individuals; and (c) coordination, Paralympic classification of athletes, athlete assessment, sport-specific training techniques, Project development (including programs at the local level), sports equipment, supplies, Project evaluation, and other USOC-approved activities related to the implementation and operation of the Project. Notwithstanding the foregoing allowable activities, Subawardee's allowable activities shall be limited to those activities specifically identified in Exhibit A.

2.4. Subawardee shall manage all activity required under the Project, but USOC shall have the right to request reasonable revisions or modifications to any aspect of the Project during the course of this Agreement, and notwithstanding Section 15.5 (Amendments) Subawardee agrees to cooperate with USOC in good faith to implement such revisions or modifications; provided, however, that if any such revision or modification causes Subawardee to claim additional funds under this Agreement, Subawardee will so inform USOC, and Subawardee shall not proceed with the revision or modification unless USOC approves additional funding in writing.

3. FUNDING MECHANISM AND PAYMENT.

3.1. USOC will reimburse Subawardee for its reasonable and allowable costs of performing the Project, in accordance with the approved budget attached hereto as Exhibit B-1 ("Budget"), and subject to Subawardee's compliance with all obligations and reporting requirements under this Agreement. The total reimbursement to Subawardee under this Agreement shall not exceed One Hundred Fifty Thousand (USD \$150,000) ("Total Reimbursement"), including all direct and indirect (as defined in Section 4.9) costs. USOC will provide advances of funding in accordance with the funding mechanism described below, but in no event will Subawardee be entitled to retain funds in excess of its actual reasonable, allocable, and allowable costs of performance under this Agreement.

3.2. Subawardee shall manage the funds and keep systematic and complete records of the receipt and disbursement of all funds, consistent with the financial and program management standards set forth in Office of Management and Budget ("OMB") Circular A-110, *Administrative Requirements For Grants And Agreements With Institutions Of Higher Education, Hospitals, And Other Non-Profit Organizations* (2 CFR Part 215), as implemented by Sponsor at 38 CFR Part 49. Subawardee will track all funds provided by USOC under this Agreement in a separately identifiable account within Subawardee's financial system, and Subawardee shall account for its costs of performance in accordance with its established cost accounting policies and procedures, consistent with OMB Circular A-122, *Cost Principles for Non-Profit Organizations* (2 CFR Part 230) ("Applicable Cost Principles"). Subawardee agrees that all expenditures under this Agreement shall be subject to and consistent with the Applicable Cost Principles.

3.3. Funding will be in the form of advance funding of expected reimbursable costs in accordance with the payment schedule set forth in Exhibit B-2 ("Payment Schedule"), subject to Subawardee's after-the-fact reporting and certification of actual incurred reimbursable costs in accordance with the reporting requirements specified in this Agreement. Advances of funds will occur on the dates designated in Exhibit B-2, subject to USOC's receipt of reports set forth in Section 7 (Reporting), and subject to USOC's assessment of Subawardee's performance. No adjustment will be made to an advance to cover Subawardee expenditures in excess of a previous advance, unless (a) Subawardee establishes to USOC's satisfaction that such overspending was consistent with the approved Budget and reasonably necessary to carry out the Project, and (b) USOC approves an additional advance.

3.4. Subawardee acknowledges that funding for this Agreement is pursuant to a prime grant award.

to USOC from the Sponsor. Accordingly, by executing this Agreement, Subawardee agrees to comply with all applicable Sponsor requirements, including the requirements listed in Exhibit C ("Representations, Certifications, and Other Sponsor Requirements"). USOC's obligation to fund this Agreement is contingent on continued funding from the Sponsor. Furthermore, USOC's obligation to fund this Agreement is based on Subawardee's satisfactory performance of the Project and compliance with all Subawardee obligations under this Agreement, as determined by USOC in its sole discretion.

4. PROJECT ADMINISTRATION.

4.1. Subawardee shall be responsible for managing and directly implementing the Project, and for ensuring that all funds are expended appropriately.

- g. Any change in, or long term absence of, Subawardee's Project Manager/Director (as defined in Section 2.2) or other key personnel involved in the Project.

4.3. Subawardee may not, without USOC's prior written approval, transfer funds within Subawardee's approved budget categories, unless the cumulative amount of such transfers effect a change of 20% or less in each of the affected budget categories and 10% or less of the Total Reimbursement.

4.4. For an approved budget containing multiple budget periods, any unspent funds in one budget period may be carried forward to the next budget period.

4.5. Any income received by Subawardee in connection with the Project during the term of this Agreement ("Program Income") must be reported to USOC and applied to carrying out the Project, in accordance with instructions provided by USOC.

4.6. All unobligated funds under this Agreement in the possession of Subawardee upon expiration or termination of this Agreement must be promptly returned to USOC.

4.7. Funds under this Agreement may not be used for construction or alteration, including renovation, modernization, remodeling, or improvement of facilities and buildings, without prior written approval from USOC.

4.8. Funds under this Agreement may not be used to provide compensation in the form of profit or fee to Subawardee as consideration for Subawardee's performance under this Agreement.

4.9. Notwithstanding anything to the contrary in the Applicable Cost Principles, Subawardee's indirect costs charged to this Agreement may include administrative expenses only, which shall not exceed ten (10) percent of Total Reimbursement, pursuant to 38 USC Section 521A.

4.10. No funds under this Agreement may be used to support those individuals or participants with disabilities who are not Veterans or members of the Armed Forces.

4.11. Pursuant to 38 CFR Part 49, interest earned by Subawardee on advances of funds from USOC must be returned annually to USOC, provided that interest amounts up to \$250.00 per year may be retained by Subawardee for administrative expenses.

4.12. Subawardee commits to following best practices with respect to ethics and safety for the Project, as defined by its own established policies and procedures, consistent with all applicable laws, policies, and procedures of the jurisdiction in which Project activities are being carried out or to which Subawardee is otherwise subject.

4.13. Subawardee shall notify USOC in writing immediately upon the following: (a) any significant findings, breakthroughs, or events of unusual interest, (b) any significant problems, delays, or adverse conditions (including physical, cultural, legal, regulatory, or social conditions) that will materially affect the Project, (c) any adverse publicity related to this Agreement, and (d) suspension or debarment (e.g., a declaration of ineligibility to contract with any government), arrest by law enforcement officials, or other such matters raised against Subawardee, or its employees, agents, or subcontractors engaged in activity under this Agreement.

4.14. As a precondition to this Agreement, Subawardee must have a Data Universal Numbering System (DUNS) Number and Subawardee agrees to identify such DUNS Number to USOC.

5. PROCUREMENT AND PROPERTY ACCOUNTABILITY.

5.1. All procurement of goods and services under this Agreement shall be conducted in a manner to provide, to the maximum extent practical, open and free competition, in accordance with all applicable laws, and consistent with the procurement standards and required flowdown provisions set forth in 38 CFR Part 49.

5.2. Title to equipment, supplies, and other personal property acquired by Subawardee under this Agreement shall vest in Subawardee. Title to real property acquired with funds under this Agreement, if acquired with USOC approval, shall vest in Subawardee.

5.3. Management and disposition of all property acquired under this Agreement shall be subject to the uniform standards set forth in Sponsor regulations at 38 CFR Part 49.

6. INTELLECTUAL PROPERTY.

6.1. Title to intellectual property developed, conceived, or reduced to practice under this Agreement shall vest in accordance with applicable intellectual property law, consistent with the intellectual property rights and obligations set forth in Sponsor regulations at 38 CFR Part 49 and the regulations set forth in 37 CFR Part 401, *Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements*.

6.2. Subawardee shall provide to USOC copies of key mutually agreeable professional video and digital photos (collectively, "Footage") of the activities referenced in the Project within thirty (30) days after Subawardee's physical or electronic receipt of such photos and videos. Subawardee hereby grants to USOC the irrevocable, perpetual, paid-up, sublicensable, assignable, worldwide right and license to use the Footage in all forms of media for: (1) news and information purposes, (2) podcasting, (3) online courses and supplemental DVDs, (4) clips for marketing on the TeamUSA and US Paralympics website, (5) promotion of the US Olympic and Paralympic Teams, and (6) promotion of the USOC and the Olympic Movement (including Olympic Network). This license shall take effect automatically without the necessity of any further negotiation or agreement between USOC and Subawardee or other owner(s) of the intellectual property; provided that, in no event will USOC use or authorize the commercial use of the Footage in any manner that would imply endorsement of any company, product, or service, without appropriate written permission.

6.3. The USOC will have the right to shoot its own Footage at mutually agreed upon key events, and to use such Footage for the purposes set forth in Section 6.2. Subawardee will reasonably assist the USOC in arranging the logistics for such USOC video and photo shoots.

6.4. Subawardee shall ensure that the rights of USOC and the Federal government under this Section are specifically recognized, acknowledged, and agreed to in writing by any of its employees, agents, contractors, consultants, Subrecipients, and by all others participating in work under this Agreement, and Subawardee shall be responsible for ensuring compliance with this Section in all of its agreements.

6.5. Subawardee shall promptly report to USOC any efforts by Subawardee to secure patent protection with respect to intellectual property developed, conceived, or reduced to practice under this Agreement, and Subawardee shall report to USOC any other governmental filings made by Subawardee with respect to intellectual property under this Agreement. USOC agrees to maintain the confidentiality of such reports, on mutually agreed terms as may be reasonably necessary to allow Subawardee to preserve patent rights and other intellectual property rights that might otherwise be adversely affected by disclosure.

7. REPORTING.

7.1. Within thirty (30) days after the end of each calendar quarter, for the duration of this Agreement, Subawardee shall submit to USOC a written report ("Quarterly Report"), assessing both the financial and programmatic status of activities undertaken pursuant to this Agreement. The Quarterly Report shall include the following:

- (a) A detailed report of Subawardee's costs incurred under this Agreement, broken down by major cost category (including costs incurred for salaries, travel, supplies, and indirect costs (potentially allowable indirect costs are defined in Section 4.9) for the period of time beginning on the Effective Date, through the calendar quarter covered by the Quarterly Report, and certified by the responsible financial official of Subawardee as true, accurate, and consistent with Applicable Cost Principles;
- (b) A description (including price and date of purchase) of equipment purchased having a unit price of \$5,000.00 USD or greater;

number(s), age, description of type of disability, and a report on the participant's performance in the activity, to the extent Subawardee has such information and is not otherwise prohibited by law from providing the information. If Subawardee is unable to provide any of the information it shall provide USOC with a statement detailing the reasons as to why such information cannot be provided;

(f) A statement regarding whether Subawardee has complied with the terms of this Agreement.

7.2. Subawardee acknowledges that USOC has an obligation to communicate with the Sponsor about the programmatic and financial status of Subawardee's Project-related activities on a regular basis. Therefore, upon request by USOC, Subawardee will support USOC's obligations by providing relevant programmatic and financial information to USOC.

8. PUBLICITY RELEASES AND ACKNOWLEDGEMENT.

8.1. Should either Party desire to release any publicity or public relations materials of any kind concerning or relating to this Agreement or work performed under this Agreement, the releasing Party shall first submit any such material to the other Party for review; provided, however, that USOC may issue reports, public statements, press releases and the like that pertain to the Project, and USOC may undertake general public announcements and public relations materials relating to the Project. Except as provided in this Section, neither Party will publish or release any public relations materials related to the Project without the other Party's prior written consent, which shall not be unreasonably withheld.

8.2. Except as provided in this Section 8.2, neither Party will use the name, logo, insignia or trademarks of the other Party in any press release, fund-raising, website, or product advertising, or for any other promotional purpose, without first obtaining the written consent of the other Party. During the term of this Agreement, Subawardee shall recognize USOC using a tag line provided by the USOC (the "Tag Line") in key publications, forms, brochures, posters, banners, videos or other produced media referencing the Project. Subawardee's use of the Tag Line shall conform to certain guidelines and restrictions concerning the Tag Line as specified in writing by USOC, and Subawardee shall submit for USOC's prior written approval each use of the Tag Line required by the foregoing sentence. The USOC's approval of any use of the Tag Line shall constitute its deemed approval of all substantially identical uses of the Tag Line. (By way of an example, if USOC approves a Subawardee brochure template, all brochures that follow such template shall be deemed approved.)

8.3. Specifically excluded from Subawardee's rights is the right to refer to any specific products, services, procedures, techniques, or practices provided in association with the aforementioned Tag Line. With the USOC's prior written consent in accordance with Section 8.2, Subawardee may use the Tag Line on premiums distributed in connection with the Project (e.g., volunteer uniforms). In no event may Subawardee use the Tag Line on any items that are offered for sale.

9. AUDIT RIGHTS AND RECORD RETENTION.

9.1. Subawardee shall maintain, and shall cause any of its approved Subrecipients to maintain, according to applicable accounting principles and good financial practices, books, documents, records, correspondence, instructions, plans, drawings, receipts, vouchers, memoranda, and other evidence, sufficient to accurately and properly reflect all costs and the disposition of any materials, tools, or equipment under this Agreement. USOC, Sponsor, the U.S. Comptroller General, or their authorized representatives shall have the right, with reasonable advance notice during normal business hours, to conduct site visits, meet with Subawardee personnel, and view any materials, equipment, tools, or supplies purchased under this Agreement, and any books, documents, records, correspondence,

instructions, plans, drawings, receipts, vouchers, memoranda, and other evidence relating to performance of this Agreement, for the purpose of auditing and verifying costs under this Agreement, and evaluating and testing Subawardee's systems of internal controls, practices, and procedures. USOC, Sponsor, or its authorized representatives shall have the right to reproduce any such records. Subawardee's failure to provide such access shall constitute a material breach of this Agreement. Subawardee shall ensure that USOC, Sponsor, or its authorized representatives are provided access to the facilities of any approved Subrecipients on terms substantially identical to those set forth above.

9.2. Subawardee certifies that it meets and will continue to meet the annual audit requirements of OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and will furnish a full and complete copy of such audit report to USOC within 30 days of issuance of the audit report. Subawardee agrees that in the event of adverse A-133 audit findings, or any other adverse audit findings, Subawardee will take appropriate corrective action and notify USOC of same. Subawardee further agrees that all records and reports prepared in accordance with the requirements of OMB Circular A-133 and 38 CFR Part 49 shall be available for inspection by USOC and/or representatives of Sponsor during normal business hours.

9.3. Subawardee agrees to refund to USOC any sum of money relating to costs charged to this Agreement that USOC or an auditor determines to be an unallowable, unallocable or unreasonable cost under Applicable Cost Principles. Notwithstanding any other provision of this Agreement, USOC's payments to Subawardee shall not affect USOC's right to a refund on the basis of a later audit or other review, nor does it affect Subawardee's obligation to return funds that that USOC or an auditor determines to be inconsistent with Applicable Cost Principles.

9.4. Subawardee shall retain all records relating to this Agreement for a period of at least four (4) years after the expiration or termination of this Agreement, with any extensions thereof, or for such longer period(s) as may otherwise be required by applicable law. If any such records are or may be required to resolve any then threatened or pending claim or arbitration pursuant to this Agreement, the period of retention shall continue until final disposition of such claim or arbitration.

10. TERMINATION.

USOC, in its sole discretion, may terminate this Agreement or any part of the Project by giving thirty (30) days advance written notice to Subawardee specifying the extent and the effective date of the termination ("Termination Date"). Should USOC terminate this Agreement or any part of the Project, Subawardee shall immediately stop performance of the activities that are the subject of the termination notice, unless otherwise directed by USOC to resume activity. USOC will reimburse Subawardee for all costs properly incurred up to the Termination Date, and for non-cancelable commitments only to the extent such costs and commitments cannot be avoided, mitigated, or assigned; provided, however, that payment shall not exceed the Total Reimbursement. Payment under the foregoing sentence will be subject to receipt by USOC of an invoice that (a) identifies Subawardee's costs; (b) certifies such costs as reasonable, accurate, and consistent with the Applicable Cost Principles; (c) certifies such costs as incurred prior to the Termination Date; and (d) is accompanied by a report that describes the activities for which Subawardee seeks reimbursement. Subject to the foregoing provisions, Subawardee shall, upon request by USOC, return all other funds to USOC.

11. CONFLICT OF INTEREST.

Subawardee certifies that it is not aware of any related past, present, or planned interest, financial or otherwise, that may impair its objectivity in performing the Project. Subawardee shall identify and manage actual and potential conflicts of interest in accordance with its established policies and

procedures. Any unresolved conflicts of interest that have or may have a significant effect on the conduct of the Project shall be promptly reported to USOC in writing, together with proposed actions to eliminate or mitigate the effect of the conflict.

12. CONFIDENTIAL INFORMATION.

This Agreement shall be carried out, to the maximum extent possible, without the disclosure of either Party's confidential information to the other Party or to third parties. However, should it become necessary to disclose confidential information, the providing Party will notify the receiving Party in advance and in writing, and the Parties shall agree on reasonable terms for the protection of such information. All confidential information will be clearly marked as such, or promptly disclosed as such, in writing. The USOC acknowledges that Subawardee is public agency subject to the California Public Records Act (California Government Code, § 6250 et seq.) ("CPRA"). Nothing in this Agreement shall prevent Subawardee from fulfilling its obligations under the CPRA.

13. COMMUNICATION WITH SPONSOR.

Subawardee shall not communicate directly or indirectly with the Sponsor regarding this Agreement or any obligations hereunder without the prior consent of USOC.

14. SUBAWARDS.

Subawardee shall not outsource any part of the Project to a Subrecipient without USOC's prior written approval; provided, however, that USOC's approval of Subawardee's proposal or budget that specifically designates a Subrecipient shall constitute USOC's prior written approval for this purpose. Any agreement with a Subrecipient must be subject to the terms and conditions applicable to Subawardee as consistent with this Agreement, and the agreement must flow down applicable provisions contained in this Agreement. A copy of all Subawardee's agreements with Subrecipients must be provided to USOC.

15. ADDITIONAL PROVISIONS.

15.1. Compliance with Law and Policies: Subawardee shall comply with all applicable law and regulations in the performance of this Agreement. Furthermore, Subawardee agrees to comply with the representations, certifications, and other Sponsor requirements set forth in Exhibit C ("Representations, Certifications, and Other Sponsor Requirements").

15.2. Governing Law: This Agreement shall be construed in accordance with the terms and conditions set forth in this Agreement, and the law of the State of Colorado, without regard to choice or conflict of laws principles that would cause the application of any other law.

15.3. Dispute Resolution: The Parties will use their best efforts to negotiate in good faith and settle any dispute that may arise out of or relate to this Agreement or any breach of this Agreement. If any such dispute cannot be settled amicably through ordinary negotiations by the representatives of the Parties, either Party may give the other Party notice that it wishes to refer such dispute to executive officers of the Parties, in which event, the authorized executive officers of each Party, or their designees, shall, during a thirty (30) day period following the date of such notice ("Thirty-day Period"), attempt to resolve such dispute. If such dispute is not resolved prior to the expiration of such Thirty-day Period, the dispute shall be finally settled under the Commercial Rules of Arbitration of the American Arbitration Association ("AAA Rules") before a single arbitrator, with such arbitration to be held in Denver, Colorado. Within five days following the expiration of such Thirty-day Period, each Party shall give the other notice of three potential candidates to act as the arbitrator. Within five days following such notice, each Party

shall select two of the candidates nominated by the other Party and the Parties shall jointly interview the four candidates so chosen (it being understood that neither Party shall have any ex parte communications with any proposed or selected arbitrator) and shall attempt to agree upon one of them to act as the arbitrator. If the Parties cannot agree upon an arbitrator within thirty (30) days of the expiration of the Thirty-day Period, each Party shall have the right to suggest one arbitrator on either Party's list to the AAA as part of a joint letter to the AAA (not disclosing which Party suggested which arbitrator) requesting the AAA to nominate a single arbitrator in accordance with the AAA Rules. The arbitrator shall be empowered to award specific performance, injunctive relief, and other equitable remedies as well as damages, but shall not be empowered to award punitive or exemplary damages. Each Party shall initially bear its own costs and legal fees associated with such arbitration and shall initially bear one-half of the costs of the arbitrator, but the arbitrator may determine that under the facts and circumstances it is equitable that one Party bear all or a portion of any of the foregoing costs and expenses of the other Party. The final arbitration award shall be binding on the Parties.

15.4. **Liability and Indemnification:** Neither USOC nor any of USOC's affiliates, nor any officer, director, trustee, employee, or agent of the foregoing, shall have liability to Subawardee or any of Subawardee's affiliates, officers, directors, trustees, employees, agents, or subrecipients, for any claim, loss, damage, or injury incurred in the course of the performance of this Agreement or otherwise in connection therewith, other than for contract damages associated with a breach of obligations stated in this Agreement. Neither USOC nor any of USOC's affiliates, nor officers, directors, trustees, employees, or agents of the foregoing, will be liable to Subawardee with respect to any subject matter of this Agreement for any special, indirect, incidental, consequential, punitive damages, or lost profits, under any contract, negligence, strict liability or other legal or equitable theory. Subawardee shall indemnify, hold harmless, and defend USOC and any of USOC's affiliates, and each officer, director, trustee, employee, or agent of any of the foregoing, and their respective successors and assigns, from and against third party claims, demands, actions, liabilities, damages, and expenses (including reasonable attorneys' fees and litigation costs) resulting therefrom, arising out of, or related to, the negligence or willful misconduct of Subawardee in connection with this Agreement or the representations or certifications made by Subawardee herein.

15.5. **Insurance:** Subawardee shall maintain Commercial General Liability insurance with limits of at least One Million Dollars (\$1,000,000) per occurrence. The policy shall include Bodily Injury and Property Damage and Personal and Advertising Liability. This policy shall name the USOC and its directors, officers, employees, volunteers and representatives as Additional Insureds.

Notwithstanding any other provision of this Agreement, Subawardee shall have the right to satisfy any or all of the insurance requirements of this Section 15.5 through use of Subawardee's self-insurance program. In the event Subawardee exercises its right to satisfy the insurance requirements of this Section 15.5 through use of its self-insurance program, Subawardee shall provide USOC with a letter of self-insurance from Subawardee stating that its self-insurance program adequately protects against liabilities and claims the types of which the insurance required by Section 15.5 are intended to protect against.

The Party claiming an inability to perform shall immediately after the occurrence of the force majeure, notify the other Party verbally of the nature, date of inception, and expected duration of the force majeure, and the extent to which it will prevent the Party giving such notice from performing its obligations under this Agreement. The Party giving notice shall confirm such notification in writing as soon as practicable. The Party claiming inability to perform shall promptly correct such inability to the extent it may be corrected through the exercise of reasonable diligence. The term "force majeure" shall mean any act, event, cause, or occurrence rendering a Party unable to perform its obligations which is not within the reasonable control of such Party, excluding any act, event, cause, or occurrence caused by a Party's own financial condition or negligence.

15.10. Waiver of Default or Breach: Failure of either Party to exercise any of its rights under this Agreement shall in no way constitute a waiver of those rights, nor shall such failure excuse the other Party from any of its obligations under this Agreement. No benefit or right accruing to either Party under this Agreement shall be waived unless the waiver is reduced to writing and signed by both Parties. The waiver, in one instance, of any act, condition, or requirement stipulated in this Agreement shall not constitute a continuing waiver or a waiver of any other act, condition, or requirement, or a waiver of the same act, condition, or requirement in other instances, unless specifically so stated. Except as otherwise provided in this Agreement, the rights and remedies provided in this Agreement shall be cumulative and not exclusive of any rights or remedies provided by law.

15.11. Severability: Should any term or condition of this Agreement be determined to be unlawful by a court of law or adjudicative body with jurisdiction over the Parties, the remaining terms and conditions of this Agreement will continue to remain in force and effect and shall be interpreted so as to best effect the original intentions of the Parties.
