Description/Analysis

Issue: The 12th Street Maintenance District No. 2008-02 (District) was formed on August 7, 2008, to provide funding for sidewalk cleaning and landscape maintenance within the District. The City Code requires an annual budget to be presented to the City Council for approval. Approval will authorize the City to collect service fees to provide funding for maintenance of the District in FY2011/12.

Policy Considerations: The District was formed in accordance with City Code Chapter 3.128, Section XIID of the California Constitution, and the Proposition 218 Omnibus Implementation Act for the purpose of funding services that are over and above normal services provided by the City.

Environmental Considerations:

California Environmental Quality Act (CEQA): Under the California Environmental Quality Act (CEQA) guidelines, annual proceedings of a Special District do not constitute a project, and are therefore exempt from review.

Sustainability: There are no sustainability considerations applicable to the administration of an assessment district.

Commission/Committee Action: None

Rationale for Recommendation: The actions in the recommended Resolutions are required by City Code Chapter 3.128.

Financial Considerations: The proposed service fee will be used to defray expenses associated with the maintenance services and administration provided in the new District. The proposed service fee rate for FY2011/12 will be \$3.48 per linear foot of the property frontage on 12th Street. The total cost of the District for FY2011/12 is \$13,302. The amount charged to the property owners is proposed to be approximately \$278 per year for a typical 80 foot wide parcel. There is no impact to the General Fund.

The annual operating budget for the District will be adjusted to reflect the Council approved assessments and expenditure plans.

Emerging Small Business Development (ESBD): City Council approval of these proceedings is not affected by City policy related to the ESBD Program.
