Completion of Lessor's Work shall be evidenced by a written notice to Lessee from Lessor. Lessee will confirm acceptance of the Premises by written notice to Lessor ("Lessee's Acceptance Notice"). If such repairs cannot be made within one hundred twenty (120) days, Lessor may, at its option, make same within a time mutually agreeable between Lessor and Lessee, this Lease continuing in full force and effect, and the rent will be proportionately reduced as aforesaid in this Paragraph. In the event that Lessor does not so elect to make such repairs, or repairs cannot be made in one hundred twenty (120) days, or such repairs cannot be made under such laws or regulations, this Lease may be terminated at the option of either party upon thirty (30) days notice to other party. In respect to any partial destruction which Lessor is obligated to repair or may elect to repair under the terms of this Paragraph, the provisions of section 1932, subdivision 2, and of section 1933, subdivision 4, of the Civil Code of the State of California are waived by Lessee. A total destruction of the building in which the Premises are situated shall terminate this Lease.

25. **ASSIGNMENT OR SUBLETTING.** Lessee shall not assign this Lease, or any interest therein, and shall not sublet the Premises or any part thereof, or any right or privilege appurtenant thereto, or suffer any other person (the agents, employees and invitees of Lessee excepted) to occupy or use the Premises, or any portion thereof, without the prior written consent of Lessor, which consent shall not be unreasonably withheld. A consent to one assignment, subletting, occupation or use by another person shall not be deemed to be a consent to any subsequent assignment, subletting, occupation, or use by another person. Any such assignment or subletting without such consent shall be void, and shall at the option of Lessor, terminate this Lease. This Lease shall not, nor shall any interest therein, be assignable, as to the interest of Lessee, by operation of law, without the prior written consent of Lessor.

26. **INSOLVENCY; RECEIVER.** Either (a) the appointment of a receiver to take possession of all or substantially all of the assets of Lessee, or (b) a general assignment by Lessee for the benefit of creditors, or (c) any action taken or suffered by Lessee under any insolvency or bankruptcy act, shall constitute a breach of this Lease by Lessee. Should such action occur against Lessee, Lessee shall have thirty (30) days to cure the action or suit prior to being considered in default of this Lease.

27. **REMEDIES OF LESSOR.** The following rights and remedies shall be available to Lessor in the event Lessee commits any act of default during the term. Unless a different time period is set forth elsewhere in this Lease, Lessee shall be deemed to be in default only after receipt of written notice from Lessor specifying the nature of the violation and not having cured said violation within thirty (30) days after receipt of the notice. These rights and remedies shall not be exclusive, but shall be cumulative of this Lease, and in addition to any and all rights and remedies now or hereafter allowed by law:

- (a) Even though Lessee breaches this Lease, or abandons the Premises, this Lease shall continue in full force and effect for so long as Lessor does not terminate Lessee's right to possession of the Premises; and Lessor shall be entitled to enforce all its rights and remedies under this Lease, including the right to collect rent as it becomes due. It is hereby specifically agreed between the parties that acts of maintenance or efforts to relet the Premises, and/or the appointment of a receiver on initiative of Lessor to protect Lessor's interest under this Lease, will not constitute a termination of Lessee's right to possession. Lessor shall not be deemed to have elected to terminate Lessee's right to possession of the Premises unless Lessor gives written notice of such election to terminate.

- (b) Lessor may elect, by written notice to Lessee, to terminate Lessee's right to possession of the Premises at any time after the occurrence of any act of monetary default by Lessee, if said default is not cured within thirty (30) days of written notice of said default, and in such event may, at Lessor's option, declare this Lease and Lessee's right to possession terminated. It is hereby specifically agreed between the parties that acts of maintenance or efforts to relet the Premises, and/or the appointment of a receiver on initiative of Lessor to protect Lessor's interest under this Lease will not constitute a termination of Lessee's right to possession. In the event Lessor elects to terminate this Lease and Lessee's right to possession as aforesaid, Lessor may recover as damages from Lessee the following:
 - (i) The worth at the time of award of the unpaid rental which has been earned at the time of termination of the Lease; and
 - (ii) The worth at the time of award of the amount by which the unpaid rental which would have been earned after the date of termination of this Lease until the time of award exceeds the amount of such loss of rental that Lessee proves Lessor could have reasonably avoided; and
 - (iii) The worth at the time of the award of the amount by which the unpaid rental for the balance of the term after the time of award exceeds the amount of the loss of such rental that Lessee proves Lessor could have reasonably avoided; and
 - (iv) Any other amount necessary to compensate Lessor for all detriment proximately caused by Lessee's act or default or which in the ordinary course of things would be likely to result therefrom. The phrase "the worth at the time of the award" as referred to in this Paragraph is to be computed by the allowing interest at the rate of ten percent (10%) annually. The phrase

"the worth at the time of the award" as referred to in this Paragraph shall be computed by discounting such amount at the discount rate of the Federal Reserve Bank of San Francisco at the time of the award plus one percent (1%).

- (c) Efforts by Lessor to mitigate the damages caused by Lessee's breach of this Lease shall not waive Lessor's right to recover damages under this Paragraph.
- (d) Nothing in this Paragraph shall affect the right of Lessor to indemnification against liability arising from or related to acts or events occurring prior to the termination of this Lease for personal injuries or property damage, or against mechanic's liens or other liens, claims or expenses.

28. **SURRENDER OF LEASE NOT MERGER.** The voluntary or other surrender of this Lease by Lessee, or mutual cancellation thereof, shall not work a merger, and shall, at the option of Lessor, terminate all or any existing subleases or subtenancies, or may, at the option of Lessor, operate as an assignment to it of any or all such subleases or subtenancies.

29. **JOINT & SEVERAL OBLIGATIONS.** If more than one individual or entity comprises Lessee, the obligations imposed on each individual or entity that comprises Lessee under this Lease shall be joint and several.

30. **NOTICES.** Any and all notices or demands by or from Lessor to Lessee, or Lessee to Lessor, shall be in writing. They shall be served either personally or by mail. If served personally, service shall be conclusively deemed made at the time of service. If served by mail, service of notices or demands shall be conclusively deemed made as of the time of deposit in the United States mail, postage paid, certified mail, return receipt requested.

Any notice or demand to Lessor or Lessee may be given to:

Any party hereto shall change the address for notice by giving written notice to the other party according to this Paragraph.

31. **WAIVER**. The waiver by either party of any breach of any term, covenant, or condition herein contained shall not be deemed to be a waiver of such term, covenant, or condition or any subsequent breach of the same or any other term, covenant, or condition herein contained. The subsequent acceptance of any delinquent rental payment by Lessor shall not be deemed to be a waiver of any preceding breach by Lessee of any term, covenant, or condition of this Lease, other than the failure of Lessee to pay the particular rental so accepted, regardless of Lessor's knowledge of such preceding breach at the time of acceptance of such rent.

32. **BINDING ON SUCCESSORS**. The covenants and conditions herein contained shall, subject to the provisions as to assignment, apply to and bind the heirs, successors, executors, administrators and assigns of all of the parties hereto.

33. **TIME**. Time is of the essence of this Lease.

34. **CONDEMNATION**. In the event any entity with the power of eminent domain shall take the Premises, or any part thereof, actually using the power of eminent domain or negotiating under the threat of the use of the power of eminent domain, then:

- (a) In the event of taking of the entire Premises, this Lease shall be terminated when title passes to the condemner, when possession is obtained by the condemner, or when Lessee is no longer reasonably able to operate its business from the Premises, whichever shall first occur; or
- (b) In the event of a taking of any area of the Premises less than the entire Premises, the rent shall be reduced in the same proportion as the area taken bears to the remainder and the Lease shall continue in full force and effect, unless within thirty (30) days after the date the condemner takes possession or legal title vests in the condemner, Lessee shall give written notice of termination, which assigns and transfers to the Lessor any right to compensation or damages to which the Lessee may become entitled during the term hereof by reason of the condemnation of all, or a part of the Premises. Lessee shall have the right to petition the condemning authority for Lessee's relocation costs. Lessor shall promptly notify Lessee of any exercise or threat to exercise any power of eminent domain by any party with respect to the Premises or any portion thereof.

35. **EXCUSABLE DELAYS**. If the performance of any act required by this Lease to be performed by either Lessor or Lessee is prevented or delayed by reason of an act of God, strike, lockout, labor troubles, inability to secure materials or permits, restrictive governmental laws or regulations, or any other cause except financial inability that is not the fault of the party required to perform the act, the time for performance of the act will be extended for a period equivalent to the period of delay, and performance of the act during the period of delay will be excused. If any said delays or restrictions occur during the 180-day Build Out Period,

and prevent Lessee from opening its business by the Rent Commencement Date, Lessee has the option to terminate this Lease. However, nothing contained in this Paragraph shall excuse the prompt payment of rent by Lessee as required by this Lease or the performance of any act rendered difficult solely because of the financial condition of the party required to perform the act.

36. **RIGHT TO MEASURE FLOOR SPACE OF PREMISES.** Within thirty (30) days following delivery of possession of the Premises to Lessee, Lessee, at its sole cost and expense, or Lessor, at its sole cost and expense, may elect to cause the net usable floor space of the Premises to be measured by a licensed architect. In the event such calculation reflects a deviation from the floor space set forth in Paragraph 1, and the other party approves the calculation, this Lease shall be amended to reflect the recalculated floor space and rent shall be increased or reduced accordingly. If the parties do not exercise their right to measure the floor space as provided herein, both Lessor and Lessee hereby acknowledge and agree that each party shall automatically be deemed to have absolutely and unconditionally (i) waived such right, (ii) accepted the floor space calculation as set forth in Paragraph 1, and (iii) released and waived any rights the parties may have against one another in the event the floor space calculation set forth in Paragraph 1 is different from the actual floor space.

37. **CAPTIONS.** The title or headings to the paragraphs of this Lease are not a part of this Lease and shall have no effect upon the construction or interpretation of any part of this Lease.

38. **RULES AND REGULATIONS.** Lessor shall have the right from time to time to promulgate reasonable rules and regulations and amendments thereto for the safety, care and cleanliness of the building in which the Premises are located and for the preservation of good order. Upon delivery of a copy of such rules and regulations or upon receiving written notice of such rules and regulations, together with a copy thereof, Lessee will comply with the rules and regulations, and a violation of any of them shall constitute a breach and default of this Lease as provided in Paragraph 27 of this Lease. If there is a conflict between this Lease and any rule or regulation, this Lease shall prevail. Lessor shall make all reasonable efforts to enforce any such rules and regulations uniformly against all lessees in the building in which the Premises are situated. No such rules and regulations shall require Lessee to pay any additional rent under this Lease.

40. **MERCHANT VALIDATION PROGRAM.** Lessee agrees to participate in Lessor's Merchant Validation Program.

41. **NON-DISCRIMINATION IN EMPLOYEE BENEFITS.** This Agreement is subject to the provisions of Sacramento City Code Chapter 3.54, Non-Discrimination in Employee Benefits by City Contractors. The requirements of Sacramento City Code Chapter 3.54 are summarized in Exhibit "E". Lessee is required to sign the attached Declaration of Compliance (Equal Benefits Ordinance), Attachment B, to assure compliance with these requirements.

IN WITNESS WHEREOF, Lessor and Lessee have executed this Lease on the date herein above first written.

DECLARATION OF COMPLIANCE Equal Benefits Ordinance

Name of Lessee: Collected Works Gifts, LLC

Address: 1019 L Street, Sacramento, CA 95814

The above named Lessee ("Lessee") hereby declares and agrees as follows:

1. I have read and understand the Requirements of the Non-Discrimination In Employee Benefits Code (the "Requirements") provided to me by the City of Sacramento ("City") and attached as Exhibit E to my City contract or agreement ("Contract").
2. As a condition of receiving the City Contract, I agree to fully comply with the Requirements, as well as any additional requirements that may be specified in the City's Non-Discrimination In Employee Benefits Code codified at Chapter 3.54 of the Sacramento City Code (the "Ordinance").
3. I understand, to the extent that such benefits are not preempted or prohibited by federal or state law, employee benefits covered by the Ordinance, are any of the following:
 - a. Bereavement Leave
 - b. Disability, life, and other types of insurance
 - c. Family medical leave
 - d. Health benefits
 - e. Membership or membership discounts
 - f. Moving expenses
 - g. Pension and retirement benefits
 - h. Vacation
 - i. Travel benefits
 - j. Any other benefit offered to employees

I agree that should I offer any of the above listed employee benefits, that I will offer those benefits, without discrimination between employees with spouses and employees with domestic partners, and without discrimination between the spouses and domestic partners of such employees.

4. I understand that I will not be considered to be discriminating in the provision or application of employee benefits under the following conditions or circumstances:
 - a. In the event that the actual cost of providing a benefit to a domestic partner or spouse, exceeds the cost of providing the same benefit to a spouse or domestic partner of an employee, I will not be required to provide the benefit, nor shall it be deemed discriminatory, if I require the employee to pay the monetary difference in order to provide the benefit to the domestic partner or to the spouse.
 - b. In the event I am unable to provide a certain benefit, despite taking reasonable measures to do so, if I provide the employee with a cash equivalent, I will not be deemed to be discriminating in the application of that benefit.
 - c. If I provide employee benefits neither to employee's spouses nor to employee's domestic partners.
 - d. If I provide employee benefits to employees on a basis unrelated to marital or domestic-partner status.

- e. If I submit, to the Program Coordinator, written evidence of making reasonable efforts to end discrimination in employee benefits by implementing policies which are to be enacted before the first effective date after the first open enrollment process following the date the Contract is executed with the City.

I understand that any delay in the implementation of such policies may not exceed one (1) year from the date the Contract is executed with the City, and applies only to those employee benefits for which an open enrollment process is applicable.

- f. Until administrative steps can be taken to incorporate, in the infrastructure, nondiscrimination in employee benefits.

The time allotted for these administrative steps will apply only to those employee benefits for which administrative steps are necessary and may not exceed three (3) months from the date the Contract is executed with the City.

- g. Until the expiration of a current collective bargaining agreement(s) where, in fact, employee benefits are governed by a collective bargaining agreement(s).

- h. I take all reasonable measures to end discrimination in employee benefits by either requesting the union(s) involved agree to reopen the agreement(s) in order for me to take whatever steps are necessary to end discrimination in employee benefits or by my ending discrimination in employee benefits without reopening the collective bargaining agreement(s).

- i. In the event I cannot end discrimination in employee benefits despite taking all reasonable measures to do so, I provide a cash equivalent to eligible employees for whom employee benefits (as listed previously), are not available.

Unless otherwise authorized in writing by the City Manager, I understand this cash equivalent must begin at the time the union(s) refuse to allow the collective bargaining agreement(s) to be reopened or no longer than three (3) months from the date the Contract is executed with the City.

- 5. I understand that failure to comply with the provisions of Section 4. (a) through 4. (i), above, will subject me to possible suspension and/or termination of this Contract for cause; repayment of any or all of the Contract amount disbursed by the City; debarment for future contracts until all penalties and restitution have been paid in full; deemed ineligible for future contracts for up to two (2) years; the imposition of a penalty, payable to the City, in the sum of \$50.00 for each employee, for each calendar day during which the employee was discriminated against in violation of the provisions of the Ordinance.

- 6. I understand and do hereby agree to provide each current employee and, within ten (10) days of hire, each new employee, of their rights under the Ordinance. I further agree to maintain a copy of each such letter provided, in an appropriate file for possible inspection by an authorized representative of the City. I also agree to prominently display a poster informing each employee of these rights.

- 7. I understand that I have the right to request an exemption to the benefit provisions of the Ordinance when such a request is submitted to the Procurement Services Division, in writing with sufficient justification for resolution, prior to contract award.

I further understand that the City may request a waiver or exemption to the provisions or requirements of the Ordinance, when only one lessee is available to enter into a contract or agreement to occupy and use City property on terms and conditions established by the City; when sole source conditions exist for goods, services, public project or improvements and related construction services; when there are no responsive bidders to the Ordinance requirements and the contract is for essential goods or services; when emergency conditions with public health and safety implications exist; or when the contract is for specialized legal services if in the best interest of the City.

9. In consideration of the foregoing, I shall defend, indemnify and hold harmless, the City, its officers and employees, against any claims, actions, damages, costs (including reasonable attorney fees), or other liabilities of any kind arising from any violation of the Requirements or of the Ordinance by me.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct, and that I am authorized to bind the Contractor to the provisions of this Declaration.

REQUIREMENTS OF THE NON-DISCRIMINATION IN EMPLOYEE BENEFITS CODE

INTRODUCTION

The Sacramento Non-Discrimination In Employee Benefits Code (the "Ordinance"), codified as Sacramento City Code Chapter 3.54, prohibits City contractors from discriminating in the provision of employee benefits between employees with spouses and employees with domestic partners, and between the spouses and domestic partners of employees.

APPLICATION

The provisions of the Ordinance apply to any contract or agreement (as defined below), between a Contractor and the City of Sacramento, in an amount exceeding \$25,000.00. The Ordinance applies to that portion of a contractor's operations that occur: (i) within the City of Sacramento; (ii) on real property outside the City of Sacramento if the property is owned by the City or if the City has a right to occupy the property; or (iii) at any location where a significant amount of work related to a City contract is being performed.

The Ordinance does not apply: to subcontractors or subcontracts of any Contractor or contractors; to transactions entered into pursuant to cooperative purchasing agreements approved by the Sacramento City Council; to legal contracts of other governmental jurisdictions or public agencies without separate competitive bidding by the City; where the requirements of the ordinance will violate or are inconsistent with the terms or conditions of a grant, subvention or agreement with a public agency or the instructions of an authorized representative of any such agency with respect to any such grant, subvention or agreement; to permits for excavation or street construction; or to agreements for the use of City right-of-way where a contracting utility has the power of eminent domain.

DEFINITIONS

As set forth in the Ordinance, the following definitions apply:

"Contract" means an agreement for public works or improvements to be performed, or for goods or services to be purchased or grants to be provided, at the expense of the City or to be paid out of moneys deposited in the treasury or out of the trust money under the control or collected by the City. "Contract" also means a written agreement for the exclusive use ("exclusive use" means the right to use or occupy real property to the exclusion of others, other than the right reserved by the fee owner) or occupancy of real property for a term exceeding 29 days in any calendar year, whether by singular or cumulative instrument, (i) for the operation or use by others of real property owned or controlled by the City for the operation of a business, social, or other establishment or organization, including leases, concessions, franchises and easements, or (ii) for the City's use or occupancy of real property owned by others, including leases, concessions, franchises and easements.

"Contract" shall not include: a revocable at-will use or encroachment permit for the use of or encroachment on City property regardless of the ultimate duration of such permit; excavation, street construction or street use permits; agreements for the use of City right-of-way where a contracting utility has the power of eminent domain; or agreements governing the use of City property that constitute a public forum for activities that are primarily for the purpose of espousing or advocating causes or ideas and that are generally protected by the First Amendment to the United States Constitution or that are primarily recreational in nature.

"Contractor" means any person or persons, firm partnership or corporation, company, or combination thereof, that enters into a Contract with the City. "Contractor" does not include a public entity.

"Domestic Partner" means any person who has a currently registered domestic partnership with a governmental entity pursuant to state or local law authorizing the registration.

"Employee Benefits" means bereavement leave; disability, life, and other types of insurance; family medical leave; health benefits; membership or membership discounts; moving expenses; pension and retirement benefits; vacation; travel benefits; and any other benefit given to employees;. "Employee benefits" shall not include benefits to the extent that the application of the requirements of this chapter to such benefits may be preempted by federal or state.

CONTRACTOR'S OBLIGATION TO PROVIDE THE CITY WITH DOCUMENTATION AND INFORMATION

Contractor shall provide the City with documentation and information verifying its compliance with the requirements of the Ordinance within ten (10) days of receipt of a request from the City. Contractors shall keep accurate payroll records, showing, for each City Contract, the employee's name, address, Social Security number, work classification, straight time pay rate, overtime pay rate, overtime hours worked, status and exemptions, and benefits for each day and pay period that the employee works on the City Contract. Each request for payroll records shall be accompanied by an affidavit to be completed and returned by the Contractor, as stated, attesting that the information contained in the payroll records is true and correct, and that the Contractor has complied with the requirements of the Ordinance. A violation of the Ordinance or noncompliance with the requirements of the Ordinance shall constitute a breach of contract.

EMPLOYER COMPLIANCE CERTIFICATE AND NOTICE REQUIREMENTS

(a) All contractors seeking a Contract subject to the Ordinance shall submit a completed Declaration of Compliance Form, signed by an authorized representative, with each proposal, bid or application. The Declaration of Compliance shall be made a part of the executed contract, and will be made available for public inspection and copying during regular business hours.

(b) The Contractor shall give each existing employee working directing on a City contract, and (at the time of hire), each new employee, a copy of the notification provided as attachment "A."

(c) Contractor shall post, in a place visible to all employees, a copy of the notice provided as attachment "B."
